**Fix Your Eyes** Amy Gannett 2021-10-05 We live in a polarized time. Christians are quick to conceive of themselves either as theologically-minded or worship-minded; either thinking Christians or feeling Christians. The results are damaging: theology without worship is muted, stifled, and cold, and worship without theology is ungrounded, unrooted, and uninformed. This is not the way it was meant to be. Theology (our study and knowledge of God) should always lead to doxology (our worship of Him). Worship should always be rooted in theology. When we study the nature and character of God as revealed in his Word, we are invited to respond in the affectionate, obedient discipleship of worship. How can we keep our theology from being mere head knowledge? How do we give our worship roots that will last? By fixing our eyes on God Himself—the object of our study and the object of our worship. *Fix Your Eyes* is an invitation to understand core doctrines of the Christian faith and apply them in our daily worship of God. It walks believers through key theological concepts and shows how each can be lived out in daily life.

**Romans** Jared C. Wilson 2013-04-30 The *Knowing the Bible* series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads

participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlighting the gospel of grace throughout the book; (3) “Whole-Bible Connections” showing how any given passage connects to the Bible’s overarching story of redemption culminating in Christ; and (4) “Theological Soundings” identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. The book of Romans was Paul’s greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor’s eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.

*Reading Revelation Responsibly* Michael J. Gorman 2011-01-01

This volume deals with the varied forms of shame reflected in biblical, theological, psychological and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief and defeat. Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor,

sponsored by St. Mark's United Methodist Church in Lincoln, NE in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas, comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis.

**The Joy of the Gospel** Pope Francis 2014-10-07 The perfect gift!

A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

**They Smell Like Sheep** Dr. Lynn Anderson 2009-11-24 Lynn Anderson, in this important book, leads us backwards in time to discover and identify the biblical leader for the future needs of the Christian community by looking at the leadership of a shepherd. What kind of leadership will effectively lead the church into the morally turbulent twenty-first century? The same kind of leadership that led it through the morally and politically chaotic first century. Shepherding. This is the kind of leadership Jesus used, and this is the kind of leadership that will take his church where he wants it to go. While the term "shepherd" produces warm images of love, care, and tenderness, it also describes a form of leadership that is perilously protective, dangerous, dirty, and smelly. "Shepherd" is something that every follower of Christ, the Good Shepherd, is called to become. Lynn Anderson, in this important book, leads us backwards in time to discover and identify the biblical leader for the future needs of the Christian community. Anderson's deep dig for truth will concern, convict,

and confront us about where leadership has been, and will set a new standard for where the future leader must go.

*The Rapture Timing Mystery* Craig R Cordle 2022-07-19 Do the scriptures support a secret Rapture to rescue the Church before the tribulation of the last days, or do believers need to prepare to face a time of persecution that will test their faith? Many Christians have been taught that Jesus Christ will Rapture away believers from the earth before the tribulation of the last days. Many others believe the Church will go through the tribulation and meet Christ in the air at His Second Coming. How do faithful Christians arrive at different conclusions? This book takes a fresh look by weighing the biblical evidence to answer these questions about the Rapture. Lay aside what you have always heard and take an impartial look of what does the Bible really say or doesn't say. You may be surprised at what you discover. The mystery surrounding the Rapture is explored by addressing six key questions in uncovering whether Christ's return is marked by one event or two. The two most popular viewpoints, the pretribulation and posttribulation Rapture, will be contrasted in a fair and balanced study. Prepare yourself for what lies ahead for our

world. Craig Cordle has spent over thirty-seven years in the teaching ministry with a passion in Bible end-time prophecy. His insight in this area and impartially on the subject provides a unique perspective in addressing questions concerning the Rapture. This book will serve as an invaluable guide in the debate of the timing of the Rapture. 2 2

*Blueprint for a Revolution: Building Upon All of the New*

*Testament - Volume Two* Reed K. Merino B.A. M.Div. 2021-08-31

*The Importance Of The Church: God's Kingdom Among Men!*

There is no need more urgent on our planet than that apostolic Christianity should be restored. Considering the desperate conditions that exist on this planet, that is a bold statement indeed! Can the establishment of a "religious organization" really be more important than the resolution of the world's desperate problems? Properly understood, the answer is a resounding "yes!" You see, if the churches were to enter into the Biblical teaching and obedience described in the following chapters, she would provide a form of human society within which none of those wretched conditions mentioned above would ever need exist

again! Hear this, Christian: Christ in His church is God's solution to all human needs and problems, not just its supposedly "religious" ones! The thesis of this book is that within the society of the Church of Christ (and only within that divine society) there is such a solution: a solution that actually used to exist, and a solution that God intends to restore! When the Kingdom of God is manifested on the earth, a visible society is created. As created by God, the church is that society of regenerated humans who have accepted Jesus as the divinely appointed ruler of the entire race of man. Her charter includes a demonstration of how the entire race of humans could function if they yielded to the authority and the Spirit of Jesus. His church is the sphere where God's plans for the "total man" and for every aspect of human society are accomplished. Indeed, His church is the true form of human society! - such is her call; such is what is necessarily implied in being "Christ's body", "a chosen race, ... a holy nation, ... the people of God."

### **Becoming a Grand Champion Church** Dale Heinold

2012-03-15 There are many ideas about how to increase the size of a church. But what if our vision is upside down? What if God's desire is that we focus on being a quality church instead of simply a large church? The Bible envisions the church as a spotless bride, a vision of quality. Today's church seems far from God's vision of perfection, but that does not change the goals God has for His flock. Using Psalm 23 as a blueprint, *Becoming a Grand Champion Church* explores how Christ is shepherding His church toward maturity. A gap exists between this age's knowledge of sheep and shepherding that makes it difficult to grasp the fullness of Christ's shepherding work in the church. The author seeks to fill that gap with homespun remembrances of raising sheep to be shown at the county fair. He then ties the shepherd's duties with practical suggestions of how the whole body can work alongside the Good Shepherd toward Christ's vision for His bride. The result of following God's plan is a Grand Champion Church that

reflects the qualities of Christ to the world.

**Finding Faith** Sharon Gallagher 2001 As the media portrays it, modern Americans live their lives as though God were not part of the picture. Yet according to polls, two out of five Americans attend church weekly and even more profess belief in God.

Sharon Gallagher turns her focus on those people who are moving in and out of church attendance, telling the stories of the people who in ways both expected and unexpected have come to faith and are willing to talk about their doubts and joys, and in doing so shows us how God continues to work in the lives of people today.

Living in Love and Faith The Church of England 2020-11-09  
Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England - and of the worldwide Anglican Communion - are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into

sharper focus because of society's changing perspectives and practices, especially in relation to LGBTBI+ people. Living in Love and Faith sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the Living in Love and Faith project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human

lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of *Living in Love and Faith*. The *Living in Love and Faith* book is accompanied by a range of free digital resources including films, podcasts and an online library, together with *Living in Love and Faith: The Course*, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.

*Out of the Darkness of Academics Into the Light of Jesus Christ-*  
Glenn W. Martin 2009-05 This book is about the nuances of college life as viewed from a Christian perspective. Dr. Martin came to the conclusion that the quest for human knowledge is endless in its own seductive way. Our educational bastions are an arms length from the church; yet it appears the church is being neglected by many who labor in the halls of academics by their lack of participation in church. It is durable and manageable for one to participate in both the educational process and the church, however, these individuals are becoming a rare breed and that is why Dr. Martin challenges the educator to return to his/her spiritual roots. Dr. Martin asserts spiritual values are a reality and to be negligent here is without excuse.

*The Lamb's Agenda* Samuel Rodriguez 2013-04-01 Is There a Divine Cure for Our Ailing Nation? In *The Lamb's Agenda* Samuel Rodriguez offers a blueprint for Christian rejuvenation, a prophetic call to orient our lives at the nexus of the cross. Joining the Christianity of Martin Luther King Jr. and Billy Graham, *The Lamb's Agenda* reveals the crucial connection between biblical social justice and spiritual righteousness. Getting back to the basics of Christianity means extending our efforts simultaneously in the vertical direction of God and the horizontal direction of our neighbors. In this critical moment, begrudging service and empty religiosity must be replaced by the vibrancy of the Lamb's agenda, Christ's plan of redemption in the world. A Third Great Awakening, says Rodriguez, awaits Christians who boldly and

joyfully embrace both planks of the Savior's cross: obedience to God and service to others.

**Thy Kingdom Come** Felix Halpern 2023-11-07 Unlock the Prophetic Destiny for the End-Time Church, Israel, and the Coming Kingdom What is God's end-time plan for Jews and Gentiles—and how are their destinies linked? What is the ultimate mission of the church? How does Jewish and Christian history influence our future? Drawing from historical research and fresh prophetic revelation, Rabbi Felix Halpern unveils God's longstanding plan for Jews and Christians alike so you can partner with His kingdom blueprint. These topics have been the center of debate for centuries. However, in this thought-provoking message, you will find fresh insight surrounding the end times. Full of life-changing biblical truths, inside you will find answers to: What is the source of this age-old anti-Semitism? Why has Satan made the Jews the target of expulsions from nations? Why have the Jewish people been mocked for their religious zeal and difference? Why have they often become scapegoats for the economic problems of nations? And more. Don't stumble through these last days! As Jesus's return draws closer, you need to know what your destiny is in God's final showdown against the forces of evil.

**DEVOTED TO GOD** Sinclair B. Ferguson 2016-10-05 Christians are transformed by the renewing of their minds. They understand that in large measure how they think about the gospel will determine how they will live for God's glory. They learn to allow the word of God to do its own work, informing and influencing the

way they think in order to shape the way they live. In a series of Scripture-enriched chapters Sinclair B. Ferguson's *Devoted to God* works out this principle in detail. It provides what he describes as 'blueprints for sanctification' an orderly exposition of central New Testament passages on holiness. *Devoted to God* thus builds a strong and reliable structural framework for practical Christian living. It stresses the foundational importance of fundamental issues such as union with Christ, the rhythms of spiritual growth, the reality of spiritual conflict, and the role of God's law.

Peace and Reconciliation Sebastian C. H. Kim 2008 Establishing a shared identity is an important part of any process of peace and reconciliation. This book discusses issues of and theories of identity formation that can be implemented for peace and reconciliation from the perspectives of theology and religious studies, whilst interacting with politics, socio-cultural studies and economics. By focusing on the theme of peace and reconciliation, and employing an interdisciplinary approach, this volume will make a significant contribution to the discussion of the situation of the Korean peninsula, and wider global contexts. The volume explores theoretical issues such as political and economic implications of reconciliation; interfaith and biblical perspectives; and the role of religion in peace making. Furthermore the contributors examine practical implications of the theme in the contexts of Germany, Northern Ireland, South Africa, India, East Asia, Bosnia-Herzegovina and the Korean peninsula. The book offers invaluable insights for policy-makers, academics, and lay leaders, besides being an important tool for researchers and students of theology, religion, sociology, politics and history.
