Single, Gay, Christian Gregory Coles 2017-08-22 Foreword INDIES Award Finalist IVP Readers' Choice Award In an age where neither society nor the church knows what to do with gay Christians, Greg Coles tells his own story. Let's make a deal, you and me. Let's make promises to each other. I promise to tell you my story. The whole story. I'll tell you about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. I'll tell you how I lay on my bed in the middle of the night and whispered to myself the words I've whispered a thousand times since: "I'm gay." I'll show you the world through my eyes. I'll tell you what it's like to belong nowhere. To know that much of my Christian family will forever consider me unnatural, dangerous, because of something that feels as involuntary as my eye color. And to know that much of the LGBTQ community that shares my experience as a sexual minority will disagree with the way I've chosen to interpret the call of Jesus, believing I've bought into a tragic, archaic ritual of self-hatred. But I promise my story won't all be sadness and loneliness and struggle. I'll tell you good things too, hopeful things, funny things, like the time I accidentally came out to my best friend during his bachelor party. I'll tell you what it felt like the first time someone looked me in the eyes and said, "You are not a mistake." I'll tell you that joy and sorrow are not opposites, that my life has never been more beautiful than when it was most brokenhearted. If you'll listen, I promise I'll tell you everything, and you can decide for yourself what you want to believe about me.

Submitting To His Will Dixon Cox WARNING: HARDCORE 4400+ WORD STORY - ADULTS 18+ ONLY There's a first time for everything, as one young man finds out in this modern-day tale of self-discovery. An older man takes him under his wing -- but is he truly ready for some lessons in love he'll never forget? EXCERPT I looked at him and smiled. It was funny, this guy seemed to know exactly what he wanted and even what I wanted, and despite his gruffness, I liked his blunt, open honesty. We got to his home, and he drove straight into the garage, closing the doors behind him. I guessed he didn't want his neighbors to know that he had a young Asian boy fetish. He certainly didn't waste any time, leading me out of the garage and up the stairs into his bedroom. I noticed photos of him and a woman his age on the way up. Was he married? I decided now wasn't the time to be nosy. It could be his sister. I decided to believe it was his sister. This book features graphic scenes of an explicit nature.

The Stories of Spanking, Coming Out, Threesome, First Time, BDSM, Doctor Sex, Taboo Sex, Bisexual, and Much More That You Are About to Discover Will Astound You! I think there's still a part of you that yearns for talent despite the present pandemic of lifeless and drab sexual fiction. I'm hoping there's still some of you who are curious to hear a ribald tale, a fantastical tale of forbidden taboo tales, and a spirit jolting for an exhilarating adventure of expert fellatio, threesomes, and other beautiful scenes of hot, erotic gay, and bisexual experiences...and a great storyline to top it all off! Your presence here, however, indicates to me that you are picky and intelligent, and that you prefer your stories to be a little unique, a little queer, a little kinky, a little sexy, and a little seductive. Maybe that's why I'm sure you'll adore this book. You won't often see gay BDSM and erotic sex performed as flawlessly as it has been in this book, take it from me. It's unusual to enjoy a terrific narrative and become so inspired... Not because of wordplay, the order of things, or anything in particular, but because of everything! Ever had a good book trigger your natural inclination to fall into an amorous imagining hole? Well, I suppose finding a book like this is unusual. So, if you're curious... Do the stories cover everything and end there? Will they have entirely original notions and ideas that will keep you waiting for more surprises? Instead of rushing directly to the sex scenes, do they have a nice plot that is not interesting? The answer to these and other related questions is a loud YES, so continue reading if you do. Check out a few of the stories in this special edition: A captivating account of "Hard to seduce" A "dark secret" narrative spoken in secret An emotional account of the "lascivious fire" An intriguing tale centred on "the bounty and the night" An extremely seductive story of "tawdry secrets" The story of "ideal relations" is changeable. plus a lot more!

The guide also shows you where to shop for everything from antiques to clubwear to "toys" and sends you to the best venues for the performing arts. And, of course, it gives the lowdown on what to do after dark--bars and cafes, discos, saunas, and more. If all that weren't enough, there are also fun little features like "A Queen's English" (on British gay slang), "The Queer Quiz" (on British gays), and "A Toast for the Boys" (on where to find "toast"--not what you think it is--on your way home from the clubs in Athens).

The Triumph of Love Eric Reitan 2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same-sex marriage. Many Christians see these changes as a defeat for Christian values, often painting Christian opponents as sell-outs to secular culture. But can there be a genuinely Christian case for same-sex marriage? This book makes that case. While sensitive to scriptural issues, it focuses on a question that cannot be answered by Scripture alone: What does love for our gay and lesbian neighbors demand? This question calls us to pair theological, philosophical, and scriptural reflection with something else: attention to gay and lesbian lives. We must attend to the psychological research and, more importantly, to the stories our gay and lesbian neighbors tell us about themselves and their experience. Love does not permit us to plug our ears with Bible verses. While this book argues that Christian love calls us to make same-sex marriage available, the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love: love for those with whom we disagree, and love for those most affected by the decisions we reach.

The Sexual Politics of Asylum Calogero Giametta 2017-03-27 Today within neoliberal democracies, gender and sexuality provisions give people the opportunity of being granted social and legal protection. But how does the asylum system intervene within claimants' understandings of themselves and in what ways does this affect their livelihoods in the country of arrival? The Sexual Politics of Asylum emerges from a 2 year long ethnography, which explores the experiences of 60 gender and sexual minority refugees in the UK. Bringing previously unheard stories to the forefront, this enlightening volume challenges dominant notions about the construction of sexuality and

gender as an instrument for claiming rights in a world shaped by postcolonial relations. Giametta first examines why the migratory experience of the studied migrants is located within a set of humanitarian-inflected discourses that privilege suffering and trauma. This is then followed by an assessment of the respondents' biographical accounts, which consequently uncovers how being situated in liminal socio-political and legal interstices produces precarious forms of life. Whilst the topic of asylum for gender and sexual minorities has attracted wide media coverage over the past decade, there persists a lack of academic attention to the complex experiences of these refugees. As such, this timely book will be of interest to undergraduate and postgraduate students interested in human rights, sociology, anthropology, migration, sexuality, gender and cultural studies, as well as people working within the refugee granting process.

The Ultimate Guide for Gay Dads Eric Rosswood 2017-10-24 If you are thinking of becoming a gay dad – or if you are already a gay dad – this book is for you! Are you ready to have kids? More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LGBTQ people would like to adopt and an estimated 65,000 adopted children are living with a gay parent. In 2016, The Chicago Tribune reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up 50 percent from the previous five years. Gay parenting: Having a kid is like coming out all over again, on a daily basis, especial if you have an infant. Was coming out stressful for you? It's about to get more intense and you will have a child watching your every move and listening to your every word. If you stutter or pause, they may pick up on your discomfort and could start to feel like something is wrong about their family unit. The Ultimate Guide For Gay Dads is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be! How Is This Parenting Guide Different From Others? Unlike other parenting books that have whole chapters focusing on things specifically related to mothers (such as how to get the perfect latch when breastfeeding), this parenting book replaces those sections with things relevant to gay dads. It covers topics like how to find LGBT friendly pediatricians, how to find LGBT friendly schools, how to childproof your home with style, how to answer awkward and prying questions about your family from strangers, examples for what two-dad families can do on Mother's Day, and much more. The book also includes parenting tips and advice from pediatricians, school educators, lawyers, and other same-sex parents. Top LGBT parenting expert: Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post-DOMA era. He is a major influencer on social media with over 100,000 followers on Twitter alone, as well as thousands on other platforms. Exploring LGBTQ issues: Rosswood is an in-demand authority and commentator on LGBTQ issues, including civil rights, parenting, marriage and politics. The author has been featured in major media including The Washington Post, Cosmopolitan, CBS News, The Huffington Post, Elite Daily, Yahoo! News, AOL News, NY Daily News, IB Times, and regional LGBTQ press.

When Rush meets his new boss, handsome lawyer Lance Sharp, it's love at first sight and the beginning of a turbulent affair. As fame and fortune knock on each of their doors, Rush and his friends each learn, in their own different ways, that nothing ever goes according to plan. They each find themselves seeking the comforts of drugs (nicknamed 'dudes' to those in the know) to deal with the stress of success, which leads to its own spiral down the proverbial rabbit hole of broken hearts and dreams. But sometimes, we learn from our mistakes, and Rush and Lance find themselves when they let go and follow their hearts.

The City Aroused Damon Scott 2024 "The City Aroused is a lively history of urban development and its influence on queer political identity in postwar San Francisco. By reconstructing the planning and queer history of waterfront drinking establishments, Damon Scott shows that urban renewal was a catalyst for community organizing among racially diverse operators and patrons with far-reaching implications for the national gay rights movement. Following the exclusion of suspected homosexuals from the maritime trades in West Coast ports in the early 1950s, seamen's hangouts in the city came to resemble gay bars. Local officials responded by containing the influx of gay men to a strip of bars on the central waterfront while also making plans to raze and rebuild the area. This practice ended when city redevelopment officials began acquiring land in the early 1960s. Aided by law enforcement, they put these queer social clubs out of business, replacing them with heteronormative, desexualized land uses that served larger postwar urban development goals. Scott argues that this shift from queer containment to displacement aroused a collective response among gay and transgender drinking publics who united in solidarity to secure a place in the rapidly changing urban landscape"--

Male sexuality comes of age in this provocative collection of personal essays and poetry. Male Lust's nearly 60 contributors explore emotional, social, and political aspects of sex and desire from a diversity of backgrounds, perspectives, and sexual orientations. Answering the long-standing challenge for men to finally theorize the complexity of their own sexual desires, Male Lust (a 2001 Lambda Gay Studies Literary Award Finalist) delves into topics such as commercial sex, sadomasochism, feminism, and white supremacy without lapsing into reactionary, knee-jerk or misogynist stances. This book offers a positive sexual vision that moves far beyond the narrow messages offered in mainstream media. Male Lust reveals thoughtful, detailed realities of gay, straight, bisexual, transgender, and same-gender-loving men's personal experiences with sex that lurk behind the stereotypes. Among the many topics that the essays, stories, and poems herein chronicle are: various facets of men's and women's experience with commercial sex, both as consumers and providers social and hormonal phenomena involved in transitioning from female to male handling the impact of white supremacy on male lust as a man of color the transformational possibilities of S/M women's responses to the lusts of the men in their lives coming of age with a "deviant" gender or sexual orientation healing from rape and other forms of sexual abuse coming to terms with loving and desiring women within a misogynist culture lust and desire within a disabled body Together, the contributors break the noisy silence surrounding male lust, challenge the dominant images of men as unemotional sexual predators, and expose the live, beating hearts, minds, and souls of real men loving, healing, and revealing themselves, each other, and the women in their lives. Male Lust heralds the next generation of thinking men--a must-read for anyone seeking cutting-edge ideas on sexuality and desire.

Gay Classroom Discipline (First Time Gay Student/Teacher Discipline and Humiliation Erotica) S M Partlowe 2015-06-12 Reader Advisory: These stories are for mature audiences only and feature intensely erotic situations, taboo teacher/student relations, bdsm play, discipline, spanking, humiliation, anal sex, submissiveness and dominance. All characters are 18 or older. Gay Classroom Discipline contains three hot stories of power play, first time gay experiences, and school discipline: Disciplining the Jock Peter Stanton has always found ways of using his good looks and athletic talents to get ahead, and when he arrives in college it doesn't look like that's going to have to change. But his easy ride runs out when his professor Alex Whitner notices him flirting with a female classmate only to copy her course work. The handsome professor decides it's time to teach Peter a little personal responsibility and maybe show the testosterone charged young man just what

someone who actually knows how to handle him looks like. Turning the Tables on the Teacher If he's being honest, Sam Rogers sometimes enjoys jerking around the college students in his classes ... but when he goes too far with his bad marks, he finds out there's someone in his class who won't get pushed too far. Jackson, an undergraduate after completing his military service, has discovered a dirty little secret that Sam will do anything to keep from getting out into the open. He's willing to keep this secret between them, but he wants to be sure that Sam still gets the punishment he so very much deserves. Disciplined in the Dean's Office Jackson doesn't know why he started the rumor about Professor Vicarro, his young and handsome politics professor. Maybe it was a plea for attention or maybe it was just a way of making a long-hidden fantasy become slightly real. But whatever the reason, the rumors have made their way to the Dean of Student Affairs Mr. Iverson himself, and when Jackson is called down to the office on a Friday afternoon, he finds out the dean's heard a lot more. Once past the initial mortification, he can admit he's probably earned the spanking he'll get, but did Mr. Iverson really have to tell Professor Vicarro about the whole thing, too? Surely he'll find his own ways to settle accounts, and all Jackson can do is wait and see which method will leave him more sore. Excerpt: He sits back and considers me for a long moment, taking me in - all of me. I find myself suddenly a little bit self-conscious but try to shake the momentary weakness out of my head. "What are you doing, Peter?" he asks. "Why do you think it's appropriate to act this way?" I try to meet his gaze, but I'm finding it increasingly difficult. "Like what, Professor?" "You - always trying to push people around to get what you want. Do you think I'm some kid who'll go weak-kneed if you flex your muscles?" "What are you talking about, Professor?" I ask as innocently as I can, mentally backpedaling as my heart begins to hammer. He seems angry. It's suddenly obvious to both of us that I don't have the courage to go through with my implied threat. "What am I talking about?" He asks incredulously. "No, enough. I've wasted too much time trying to teach you like an adult and give you the benefit of the doubt. I can see now that I was wrong from the beginning." He stands up, angry and strong and an inch or two taller than me as he looks down at me. He grabs me by my arm and pulls me to face him. I look up at him, unable to speak. There isn't anything to say. But there's something about the way he's looking at me, almost like he knows he's supposed to be angry but he's responding in a different way instead - almost like he's noticing me the way I noticed him along the pathway this morning. I draw in a faltering breath. Notice: These titles include themes and passages that have been adapted from several works by Jessica Whitethread with full consent of the original author.
