The Family Business 2 - Carl Weber 2013-09-01

In his typical jaw-dropping fashion, Carl Weber returns with part two of his New York Times bestselling Family Business series. He's brought along a friend in bestselling author Treasure Hernandez, and together they've added more drama and new family members to the mix. Welcome to the world of Duncans. By day they are upstanding citizens running one of New York's most respected car dealerships; but by night, they're criminals who control most of the East Coast drug traffic. No matter whether they're on their day or night jobs, one thing is true about the Duncans: there is never a dull moment to be found. Baby momma drama takes over the Duncan clan, as there is still uncertainty about who has fathered the Duncan sisters' new babies. Meanwhile, Orlando Duncan, the family's new CEO and a man with his own baby momma problems,

has just developed a new product that may make the millionaire Duncans into billionaires. Orlando only has one obstacle in front of him, and it's not law enforcement or one of his family's many rivals. It's his mother, and she may be his most formidable opponent to date, because she's making the family take sides. Can a civil war within the Duncan family be averted before it tears them apart?

New York Times bestselling author Carl Weber and Essence bestseller La Jill Hunt return with a story of love, betrayal and racism in the next addition to the wildly popular Family Business series. From the time he was a boy in Georgia, LC Duncan, patriarch and leader of the Duncan clan, has battled racism. Even now that he and his family are truly successful, the racism can still be in-your-face. Maybe it's the political climate or perhaps it's just bad timing, but LC and the rest of the Duncans are being challenged by the ultimate power-hungry racist, Sheriff KD Shrugs. Nevada Duncan is at that age when girls and sex are always on his mind. His handsome face and superior intellect attract Kia, the beautiful "Blasian" call girl who tempts him into running away to a place where the Duncans are definitely not wanted—El Paso, Texas, the home of KD Shrugs. What is the worst thing that can happen to a handsome, rich millennial? Rio Duncan would

say it's mistaken identity after being beat down in a nightclub by someone who thinks he's Roman Johnson, a stickup kid who happens to be Rio's doppelganger. What happens next will open up the biggest can of worms the Duncans have ever had to deal with. Get ready for another roller coaster ride with the Duncan family.
