Talks of Napoleon at St. Helena with General Baron Gourgaud Baron Gaspard Gourgaud 2017-01-23 First published in its English translation in 1903, this memoir is composed from private journal entries of Gaspard Gourgaud as a result of his conversations with Napoleon I of France between June 1815 and March 1818, during the latter's exile on St. Helena. Additionally, journal entries made by Gourgaud on his voyage to St. Helena with Napoleon are included. "It is hoped that this record of what Napoleon said, taken down by one whose truthfulness Napoleon himself vouched for, may be found interesting by many who might have been wearied by reading the larger part of this record, although it was kept by a man who loved his master devotedly, and who had been attached to his personal service since 1812." "The one capital and superior record of life at St. Helena is the private journal of General Gourgaud. It was written, in the main at least, for his own eye, without flattery or even prejudice. It is sometimes almost brutal in its realism. He alone of all the chroniclers strove to be accurate, and on the whole succeeded."—Lord Roseberry, *Napoleon: The Last Phase*
Candy Boys Jo Raven 2018-11-30 Joel and Jethro. Roommates. Total hunks. Inseparable friends. Hot. Meet my fantasy boyfriends. Aren't they just the cutest thing? I know, right? They totally are. They are hot, too hot for a quiet—and obsessed with them—girl working in a bookshop. That'd be me, by the way. There's also the tiny problem of Joel wanting another girl. And as for Jethro, well... he doesn't do relationships. So it's fine to crush on them. And write a serial story on my blog in which we do crazy things. All three of us. Together. Whew. I mean, it's okay. It's perfectly safe. They'll never even know I exist, much less find out about my blog and my secret fantasy about them. Right? Yeah, that's what I thought, too.

Their Famous Dominant Nicole Edwards 2018-07-31 My name is Trent Ramsey. It's possible you've heard of me. I'm one of the highest paid actors in Hollywood. Not only that, but I've built a vast empire of businesses, including two of the hottest BDSM clubs on the map. My face has been plastered on big screens and magazines for over a decade. Plus, I've got more money than I know what to do with. At one point in my life, I thought that was enough to make me happy. So, why am I not? Why have I found myself at a crossroad? It's not like I don't know what I want. I know exactly what I want. Or rather who. But it isn't what you think. I'm not after a submissive who will fill the void. No, it's never that easy for me. I'm after two and they aren't both submissives. Or rather, they aren't both in the lifestyle because they are both definitely submissive. In fact, one happens to be my personal assistant, a man who has spent the past three years working alongside me, helping to manage my entire world. Although my mind has been set on one particular woman for so long, I can't deny I have an overwhelming urge to dominate him, too. Better yet, both of them together. At the same time.

Dark Soul Aleksandr Voinov 2016-11-07 Love lights even the darkest soul. Stefano Marino is a made man, a happily married West Coast Mafia boss who travels east to await the death of a family patriarch. All the old hands have gathered—of course sharks will circle when there's blood in the water—but it's a new hand that draws Stefano's eye. Silvio "the Barracuda" Spadaro is protetto and heir to retired consigliere Gianbattista Falchi, and a made man in his own right. Among his underworld family, being gay is a capital crime, but the young killer has never much cared for rules. The only orders he follows are Battista's, whether on the killing field or in his bed. But Silvio has needs Battista can't fill, and he's cast his black-eyed gaze on Stefano, as he drives the older mafioso toward urges he's spent his whole life repressing. As much as Stefano resists, when the Russian mob invades his territory and forces him to seek aid, Gianbattista's price brings Stefano face to face once more with Silvio—and his darkest desires.

No Fire Next Time Patrick D. Joyce 2018-08-06 Why did Black-Korean tensions result in violent clashes in Los Angeles but not in New York City? In a book based on fieldwork and on a nationwide database he constructed to track such conflicts, Patrick D. Joyce goes beyond sociological and cultural explanations. *No Fire Next Time* shows how political practices and urban institutions can channel racial and ethnic tensions into protest or, alternately, leave them free to erupt violently. Few encounters demonstrate this connection better than those between African Americans and Korean Americans. Cities like New York, where politics is noisy, contentious, and involves people at the grassroots, have seen extensive Black boycotts of Korean-owned businesses (usually small grocery stores). African Americans in Los Angeles have sustained few long-term boycotts of Korean American businesses—but the absence of "routine" contention there goes hand in hand with the large-scale riots of 1992 and continuous acts of individual violence. In demonstrating how conflicts between these groups were intimately tied to their political surroundings, this book yields practical lessons for the future. City governments can do little to fight widening economic inequality in an increasingly diverse nation, Joyce writes. But officials and activists can restructure political institutions to provide the foundations for new multiracial coalitions.

Office Intrigue Nicole Edwards 2017-11-15 Do you get up every morning, spend close to an hour or more getting ready, pick out the perfect outfit, make sure your makeup is suitable, then style your hair just so? Do you slip your feet into your favorite heels, lock your modest one-bedroom apartment, climb into your practical car? Do you drive twenty minutes to downtown, find a spot in the company parking garage? If you do, then you're very much like me. However, I think our stories will differ significantly once you get to your office and I get to mine. Sure, it's possible you work in a high-rise office building in the heart of downtown. It could be any downtown office in any big city, in fact. New York, Chicago, Dallas. The location doesn't matter. It's even feasible to think that you're a secretary for a multibillion-dollar PR firm. You could even have four bosses like I do. Four mouthwatering male bosses, even. But, like I said, at that point, our stories will likely be drastically different. In order for you to understand why, I'll have to start at the beginning...

Montessori Madness Trevor Eissler 2009 "We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. *Montessori Madness!* explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book asks parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what education should look like will never be the same"--Back cover.
