Road to Emancipation - Jonathan J. Sajiwandani 2005

Set against the sun-drenched backdrop of Eastern Africa, this moving and sometimes harrowing fictional account portrays the efforts of the Christian missionaries and enlightened African chiefs to stamp out the remnants of the trade of helpless young African children, giving a fascinating insight into the early 20th-

century slave trade.

Rationale of the Dirty Joke - G. Legman 2007-11-01

Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his

Rationale of the Dirty Joke remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as The Female Fool, The Fortunate Fart, Mutual Mismatching, and The Sex Machine. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. Rationale of the Dirty Joke will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.

Relationships Today Are a Joke - D. J. B 2006-08-28

The book opens up with my thoughts on why relationships today are a joke. I talk about how they have broken down over the years. How there is no affection, no love towards each other. It is all about lust and sex nowadays. All we do is get it done, in and out so to speak. This is how it is with these relationships today. There are points that are made that could enable you to have a better relationship if you choose to accept them. Trust me, when you are in a good relationship you tend to think, feel, love, hug, kiss, rest, relax, trust, communicate, and be happier with life. Thank you for purchasing this book!

Life's a Joke - Dr. J. T. Dock Houk 2015-12-17

Sometimes life hands you lemons. In this collection of jokes, autobiography, and personal philosophy, author and businessman Dr. J. T. Dock Houk makes an ocean of lemonade. Life's a Joke compiles four books - "It's All About Me," "My Life with a Girl," "Kids and Pets," and "Life Around Us" - recounting 1,162 jokes, funny anecdotes, and descriptions of Sunday morning comics, clippings of which Dock has been collecting for an incredible amount of decades. As the author writes, "What I mean to convey by saying 'life is a joke' is that humor has helped me over some of the rough spots by showing me a side of life that either explains what I am feeling, or gives me a glimpse of something I also see. Humor, whose visual expression is often a joke, makes me smile or even laugh out loud. And sometimes, if you don't laugh, you might cry." So crack open Life's a Joke and crack a smile. You might learn a little wisdom - but if not, at least you'll get a laugh

What Christ Did for Women - Robyn Power Georges 2011-01-10

In spite of women tele-evangelists now on satellite TV, the average woman in the average Christian Church is still unsure of her identity in Christ. She hears statements like, God will use a woman in leadership if there is no man to do the job and feels like a second class citizen. Is Gods preference in leadership really based on sexual gender? Is a woman really inferior in Gods eyes? Is she really forbidden to teach and preach before men just because she is a woman? What Christ Did For Women (This Includes You, Gentlemen) takes a provocative, but soundly scriptural look at the extent of Christs deliverance of women. This book examines the full personhood of woman that Christ and His Apostles fought for, but which is still largely unseen even in the Church that claims His leadership.

The Unofficial Joke Book of Smart Couples - Billoo Badshah

Marjorie Main - Michelle Vogel 2015-06-08

She was a slum mother, witty housekeeper, nosy neighbor, meddling maid, town gossip, and most memorably, Ma Kettle. Marjorie Main is best remembered for her portrayal of the farm mother of 15 children and wife of shiftless Pa Kettle. The characters were introduced in the 1945 film The Egg and I, and were such a hit that eight films followed. At an age when most actresses' careers are waning, Main's star was just beginning to rise. In real life, Main was as down to earth as characters she played. Her attire on the set and around her house were the same: a simple cotton house dress or jeans. She preferred riding the bus because she enjoyed interacting with regular people--the inspiration for her characters. This book chronicles Main's childhood on an Indiana farm and the inspirations that led her to the stage. After a distinguished theater career and minor film roles, at age 50 she was offered a long-term contract with premier studio MGM. Details of her acting career and personal life covered here include her marriage to a scholarly widower 26 years her senior, and her work with actor Percy Kilbride, who was the antithesis of his character, the slothful Pa Kettle. A detailed filmography includes cast and credit lists and trivia about each of Main's 85 films.

The Prince Loves To Joke - Angela G VanDenbark

Trung Nguyen is a large land of many things, everything is strange. The most ostentatious thing is, there is a person in front of everyone who calls himself "A filthy fart"! Tsk tsk, I can't imagine being the Second Prince, but he doesn't like women but loves men It's a waste that he has such a handsome face, it really breaks a bunch of girls' hearts. Fuck guy! "The one who comes is the guest" has he never heard of this? Even though she is not a beautiful fairy, she is not so scary as to be "bizarre". This damned "rabbit" not only

rudely suspected she was male or female And compare her with a sweet potato, the results say that she is far behind a sweet potato! It really couldn't be tolerated anymore, a blow of the Big Dipper divine fist hit him and made his nose bleed madly. Then kick him into the river so that his whole body is wet like a rat Whew, he just wanted to be as far away from this ridiculous princess as possible, but she also wanted to be as far away from him as this nervous prince. Later, he went to his Duong Quan street, she crossed her dugout bridge, two people from the well did not violate the river water, everyone should not meet anyone again, it's good...

The Machiavellian's Guide to Flirting - Nick Casanova 2008-11-18

The key to being successful at love is to be playful: playfully suggestive, playfully romantic, and playfully bantering. Flirting is how you send the message that you're interested without saying so directly. If you do it well, you can keep your prospect amused, giddy, titillated, flattered, and insulted all at the same time. Flirting is also how you establish that you have a sense of humor, that you're smart, and that you're sane. And it's how you tell whether your prospect has those same qualities. If both of you are in the right mood, these routines can be great fun. The book is divided into two sections, one for women and the other for men. Since it is usually the man who does the chasing and the woman who does the choosing; these different roles lend themselves to different styles of flirting. Despite gender differences, however, most (but not all) of the chapters can be adapted for use by the opposite sex.

Love's No Joke - Cheri Ritz 2021-05-01

The only commitment Mara Antonini ever made was to her career on the Vegas stand-up scene. Putting romance on the back burner, she's long accepted the role of 'the player' among her friends. Landing a gig as the emcee of a fund-raiser seemed like the perfect way to get some positive career exposure. If she happened to make a new friend with benefits along the way, so be it. She didn't count on the stunning redhead representing a rival casino throwing her off her game. All Victoria McHenry needed was a date to her grandmother's birthday gala to keep her high-society mother off her back. But she wasn't exactly ready to dip back into the dating pool after her last disaster of a relationship. So when she's coerced into representing her family's casino at a local fund-raiser, she takes it as an opportunity to find that date. Naturally she's drawn to the charismatic comedian headlining the event. When the women are paired up on a planning committee, Victoria proposes the Fake Date Deal: she gets her date for the soirée, and Mara gets the chance to finally shake her playgirl reputation. It's not long before hearts and emotions tangle, and soon the women find themselves wondering if the only people they are fooling are themselves.
