

# MONKEY BUSINESS

- *silly, mischievous or deceitful behaviour; stupid or time-wasting activity*

Our accountant has been fired as there was some monkey business with the books.

Are you still fiddling about with those old tools? Stop the monkey business and get some new ones.

<b>Monkey Business</b> Landon Crutcher,2016-04 Ron and Willy are stranded on a tropical island and they really want to get home Unfortunately they have no real resources no good plans and no idea what the hell they re doing What they do have is an army of foul mouthed monkeys who want them dead a beautiful woman who wants some answers a sex crazed tribal chief a caffeine addicted demigod who wants to be worshipped and a telepathic skull who just wants a little excitement Through nonstop comedy and good old fashioned adventure these guys are facing some long odds but do Ron and Willy give up No they don t They get down to business Monkey Business
<b>Music Business and Monkey Business</b> Doug McGuire,2010 This is how simple the complicated music business can be I was sitting shooting the bull with the A R man at Epic Records one day He said You know what I would really like to find is a white kid that sings the blues like a black guy I said I know a kid like that or words to that effect I then told him what I knew about Tim Williams Tim was starving to death trying to run a Coffee House in Santa Barbara He was only nineteen years old but very good The problem was that I had no idea what to do with a Blues singer Suddenly there was an answer to the question The A R man said Bring him down which meant to his office in Hollywood When the day came to go to Hollywood we went in my car I didn t think he had one that would make it down and back He showed up in a pair of dark brown corduroy pants and a dark polo type shirt both clean but covered with white lint I was embarrassed to showcase him that way but it could have been a sensitive subject so away we went I didn t have a clue what to expect when we arrived at the office In the now familiar get to the point fashion the man said Let s hear something after a few minutes of visiting Tim opened his guitar case took out his twelve string guitar and began playing as if the outcome didn t make a damn bit of difference to him Mr A R man asked him to do some old standard then something original that Tim had written Then suddenly he said Sounds good let s do a thing make a record Just like that

<i>Meaning, Expression and Thought</i> Wayne A. Davis,2002-11-11 This philosophical treatise on the foundations of semantics is a systematic effort to clarify deepen and defend the classical doctrine that words are conventional signs of mental states principally thoughts and ideas and that meaning consists in their expression This expression theory of meaning is developed by carrying out the Gricean programme explaining what it is for words to have meaning in terms of speaker meaning and what it is for a speaker to mean something in terms of intention But Grice s own formulations are rejected and alternatives developed The foundations of the expression theory are explored at length and the author develops the theory of thought as a fundamental cognitive phenomenon distinct from belief and desire argues for the thesis that thoughts have parts and identifies ideas or concepts with parts of thoughts This book will appeal to students and professionals interested in the philosophy of language
<i>An Asperger Dictionary of Everyday Expressions</i> Ian Stuart-Hamilton,2007 This revised and expanded edition has over 5000 explanations that help unlock the meaning of everyday idiomatic expressions and dispel the confusion that arises from the misinterpretation of language Both informative and entertaining the book addresses an important aspect of social communication for people with Asperger Syndrome who use direct precise language and take things literally Each entry is clearly explained with a guide to its politeness level and suggestions for when and how it might be used The book covers British and American English and includes some Australian expressions Although the dictionary is primarily for people with Asperger Syndrome it is useful and fun for anyone who struggles to understand idiomatic and colloquial English This is an essential accessible resource for everyday use
