Sharing a Father's Love and Edward R. Rhodes 2012-05-17 The one thing that will always remain the same is that many young men will father children and brag that they are men, when in reality they are still boys who have yet to grow up. Then there are the few who will acknowledge that they are the father and go no further with the financial responsibilities and leave it at that. But then you find the rarest few as in my stepson, who is still a young man of 20, yet has taken on the responsibilities of not only being a good husband but a great dad. His love for his little girl is a wonderful thing to see. The smile on her face when she sees her dad and the laughter they both share. With her father's love of sports, she will know more than most boys, she will be tall, like her dad, and beautiful like her mom. My stepson is wonderful to his family and he will carry on and share his love even more when his new daughter enters the world. The love that he will share will have plenty of laughter with it.

Devoted Dick Hoyt 2010-04-13 The remarkable story of a father's devotion to his wheelchair-bound son and how their bond inspired millions of people worldwide. Born a spastic quadraplegic, Rick Hoyt was written off by numerous doctors. They advised his parents, Dick and Judy, to put their firstborn son in an institution. But Rick's parents refused. Determined to give their son every opportunity that "normal" kids had, they made sure to include Rick in everything they did, especially with their other two sons, Rob and Russ. But home was one thing, the world at large, another. Repeatedly rebuffed by school administrators who resisted their attempts to enroll Rick in school, Rick's mother worked tirelessly to help pass a landmark bill, Chapter 766, the first special-education reform law in the country. As a result, Rick and other physically disabled kids were able to attend public school in Massachusetts. But how would Rick communicate when he couldn't talk? To overcome this daunting obstacle, Dick and Judy worked with Dr. William Crochetiere, then chairman of the engineering department at Tufts University, and several enterprising graduate students, including Rick Foulds, to create the Tufts Interactive Communication device (TCI). In the Hoyt household, it became known as the "Hope machine" as it enabled Rick to create sentences by pressing his head against a metal bar. For the first time ever, Rick was able to communicate. Then one day Rick asked his dad to enter a charity race, but there was a twist. Rick wanted to run too. Dick had never run a race before, but more challenging still, he would have to push his son's wheelchair at the same time. But once again, the Hoyts were determined to overcome whatever obstacle was put in their way. Now, over one thousand races later, including numerous marathons and triathlons, Dick Hoyt continues to push Rick's wheelchair. Affectionately known worldwide as Team Hoyt, they are as devoted as ever, continuing to inspire millions and embodying their trademark motto of "Yes, you can."

Why a Son Needs a Dad

Experiencing God's Love as Your Father Mark DeJesus 2018 God is a Loving Father. But is that what you have experienced? What comes to mind when you hear the word "father" or "dad"? Does it stir up references of love, hope and empowerment? To experience the love of God in it's greatest measure, we need to encounter God in His identity, as a Father. Everything that Jesus lived out was designed to show us what the heart of the Father is like. Even so, masses of Christians are going to Jesus, yet avoiding the Father. To them, their reference of father has been wounded or left empty. As a result, the enemy works relentlessly to keep us from experiencing the great love that our Heavenly Father extends to us. This book will help heal your lens of what father means and usher you into a renewed and powerful relationship with Abba; your Dad. In this book, you will be encouraged to discover: - The two greatest needs that you have in your heart. - What keeps us from knowing who God is as Father? - How to overcome flawed earthly father experiences. Allow yourself to break through the hinderances that make you feel far from God and experience His love like never before!

Spiritual Direction: A Guide for Sharing the Father's Love Fr. Boniface Hicks 2017 The need for spiritual direction—or the accompaniment of a spiritual guide—is becoming more prominent in a world where so many are suffering from so many wounds. With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction, and the insight of the psychological sciences, Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction. Spiritual Direction: A Guide for Sharing the Father's Love fortifies priests, religious, and lay faithful who embrace the ministry of spiritual direction and accompany the wounded, assist men and women in hearing the voice of God, and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him. This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one-on-one relationship with a spiritual director. Together with concrete guidelines and numerous examples from personal experience, this book refers extensively to Sacred Scripture as the foundation for spiritual direction. Furthermore, since the practice of spiritual direction goes back to the first centuries of the Church, the authors turn for guidance to the Doctors of the Church, the writings of the saints, and the papal magisterium in developing and supporting their insights. Spiritual Direction will call

spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy.

The Love Of The Father Alix Naff 2021-07-17 There's no one in the world quite like a daddy. Fathers are a daughter's first love and a son's first hero. Your father can be your role model, best friend, and your biggest fan -- no matter where life takes you. As a father, I've learned how difficult it can be to express myself to my kids in honest, vulnerable, and affectionate ways. This book is just my way of expressing love from my heart to my children, with the means I have available. You are welcome to look over my shoulder as I do so. The words in this book are just a small sampling of what this dad (and possibly many others) feel. Maybe those letters can give you a starting point for a conversation with your own kids.

The Love of a Father Marcus Clapper 2021-05-05 "Everybody has a story. Some may seem uneventful, others dramatic, while others are life changing. This story, Marcus' story, is a life changer." - Dale Clapper Fifteen years in the making, *The Love of a Father and the Journey of His Prodigal Son* is more than a linear recount of life's highs and lows. In his debut memoir, author Marcus Clapper captivates readers with his salvation story, which eventually leads to his spiritual rebirth. Raised by devout Christian parents, Clapper always knew God was present, but never fully understood His presence for himself; only through the experience of his parents. With limited knowledge of God and seeking a life gratifying to himself, Clapper embarked on his own life's path only to become enthralled in addiction, crime, and advertent malfeasances. Blind to the light and hope within himself, Clapper was broken and ashamed believing his mistakes were unforgivable. Fearful, insecure, and depressed, he never believed love, joy, and peace were possible in his life. He was facing a dismal future rife with monotony, addiction, and solitary confinement. Miraculously, he survived this calamitous and murky time in his life where he slit relationships, risked his health and freedom, hurt loved ones, dented lives and livelihoods, and suffered from addiction. For years, he wrestled with, and was tormented by, the belief that he will never be forgiven or given the opportunity to make amends-until he obliged an unlikely request from an unlikely requestor. In *The Love of a Father and the Journey of His Prodigal Son*, Clapper's life's story is a testament of God's mercy, grace, forgiveness, and freedom-all of which are also extended to you.

Regardless of your mistakes, you can begin anew-today.

Father Love Eli Williams 2016-04-27 The fatherhood football is being fumbled. In the U.S., 24-million children are being raised apart from their fathers. 40 percent of the kids of divorced parents haven't seen their fathers in the past year. Tragically, in too many cases, even when dad lives with his children, he is emotionally absent. The negative consequences of all of this for children, families, communities and the nation are many. Yes, there are many mothers doing a fine job of raising their children without much help. But that is not the Creator's plan for the family. God's perfect plan is for mothers and fathers to work in partnership to provide their children every needed resource to grow up happy, safe and healthy. Children do better on just about every measure when they have a loving, committed, engaged, skilled father in their lives, even when the parents aren't romantically involved. It's time to recover the fatherhood football. The Church can and should lead the way. We can start by raising-up an army of Christian fathers who model God's deep and powerfully nurturing love. His desire is to work within our hearts to produce fully-developed agape love by the power of the Holy Spirit. Eli Williams is a husband, father and minister. He is the president and cofounder of Urban Light Ministries in Springfield, Ohio. ULM provides a weekly after school program that serves 800 children. ULM operates a growing fatherhood program that annually impacts over 500 dads and their kids in the Dayton region. He is the CEO of Fatherhood Ohio, a foundation that raises awareness and funding for fatherhood programs and community mobilization initiatives. A veteran broadcaster, Williams writes and hosts the radio ministry *Hot Gospel 20*, a weekly gospel countdown show heard on traditional and Internet radio stations, and via mobile app."
