**The Impassioned Escapades of Caroline W.** Linda Leven 2008-09-30 The Impassioned Escapades of Caroline W. follows the exploits of Caroline Windsor, the novel's heroine, an educated, cultured, professional fifty-three year old woman who cannot accept the fact that she is an insignificant "nobody." She has only one ambition and destination in life: to be famous and acclaimed by the world for some exceptional, inimitable achievement. In a race with time, she is a driven, obsessed woman, still striving for her life of FAME, GLAMOUR, GLORY, AND CELEBRITY. She wants desperately to leave this earth with her name on websites and in books, dictionaries and encyclopedias. The dream—that of a young person—relentlessly torments her, but losing it means losing her justification for existing. Believing herself only temporarily thwarted in her quest for fame, and bored with her dull existence, Caroline devises an imaginative plan to seek a TEMPORARY QUICK-FIX and SUBSTITUTE GOAL: to INDULGE IN A PASSIONATE LOVE AFFAIR WITH A YOUNG MAN who will worship her, thrill her and breathe life and fire into her sterile, conventional existence until she can finally achieve her world fame. With this plan in hand, Caroline embarks on what becomes an ELEVEN YEAR ODYSSEY OF ENCOUNTERS WITH YOUNG MEN ONLY HALF HER AGE—MEETING HUNDREDS OF YOUNG FELLOWS ON FIRST BLIND-DATES, ALONE, AT HER RITZY FIFTH AVENUE APARTMENT. What happens when an expectant, eager, young fellow enters Caroline's apartment ... she, the older sexy woman seeking the fiery, no-strings love affair, and he, hoping to get the part? Unwittingly, Caroline begins to lose her way as she becomes entangled with and endures the most bewildering, extraordinary, offbeat cast of characters in a series of dark, enigmatic events. In a succession of powerful vignettes, Caroline becomes involved with a B & D talent agent, a gorgeous, young confirmed alcoholic, an elegant and smooth-talking American Airlines pilot, a sneaky house-painter, a Dr Jekyll and Mr. Hyde nephrologists, an apprehensive, married old geezer, a "prosecuting-Caroline" attorney, a famous smut peddler, a strangler-marine, a myriad of physically ill and diseased men, the FBI, an obsessed stalker, a fanatical graduate student, her threatening landlord and his evicting lawyers, her snooty neighbors, and a circus of other center-ring, bizarre characters. But the questions remains. Does Caroline ever find her fame or is she waylaid, tangled in the ecstasy, turmoil, thrills, and sheer recklessness of all her young, impetuous lovers? The book is a light-hearted, delicious romp of SUPER-DRAMATIC TALES with unique, philosophical and psychological insights into love, sex, life, and the continual turbulence between the sexes.

**Mating for Life** Marissa Stapley 2016-06-07 Maine meets Girls in White Dresses in this Globe and Mail bestseller about three very different sisters, their feminist mother, and what it takes to love someone—whether it be family, friends, or spouses—for life. Former folk singer Helen Sear was a feminist wild child, raising three daughters, Liane, Ilsa and Fiona (each by different fathers) largely on her own. Now in her sixties, Helen has fallen in love with a traditional man who desperately wants to marry her—and while she's fearful of losing him, she's equally afraid she'll betray everything she's ever stood for if she goes through with it. Her youngest daughter, Liane, is in the heady early days of a relationship with the love of her life. But he has an ex-wife and two daughters—and her new role as "step-something" doesn't come with an instruction manual. Ilsa, an artist, is fervently hoping her second marriage will stick. Yet her world feels like it is slowly shrinking, and she realizes she may need to break free again, even if it means disrupting the lives of her two young children. And then there's Fiona, the eldest sister, who discovers her husband has been harboring a huge secret, which makes her own past harder to ignore. To regain stability, she must face some hard truths, and alter her impossibly high expectations. Through these alternating perspectives, and with pitch-perfect honesty and heartwarming humor, Stapley explores sex, marriage, and how the many roles that women play are often at odds with each other. Ultimately a celebration of the redemptive power of love in all its forms, Mating for Life is a stunning, memorable debut.

**Pee Wee Serial Killer or Homicidal Maniac** O. Grady Query 2014-03-05 Pee Wee Gaskins killed without hesitation and apparently without remorse over and over again. He did so as he meandered in and out of maximum security prisons where he spent more than half of his life. Sentenced to

reform school at age thirteen he honed his skills in the use of extreme violence. The horror of his crimes is played out against the backdrop of one of the most rural areas of South Carolina during the tumultuous change from absolute segregation to forced integration. In a lifestyle of absolute lawlessness Gaskins exercised a bizarre charismatic control over the women who surrounded him and ruled his little gang of miscreants with violence and murder. Sometimes driving a hearse and bragging of a private graveyard he maintained a macabre and confusing presence to those he encountered. Diminutive at five feet three inches and one hundred thirty pounds he feared no man and struck fear in most. Undaunted by arrests and imprisonment he conducted a crusade of murder and mayhem over nearly three decades and killed more than fifty people. His motives were as varied as his methods.

**The Bennetts** Brian Kellow 2004-11-26 The Bennetts: An Acting Family is a chronicle of one of the royal families of stage and screen. The saga begins with Richard Bennett, a small-town Indiana roughneck who grew up to be one of the bright lights of the New York stage during the early twentieth century. In time, however, Richard's fame was eclipsed by that of his daughters, Constance and Joan, who went to Hollywood in the 1920s and found major success there. Constance became the highest-paid actress of the early 1930s, earning as much as \$30,000 a week in melodramas. Later she reinvented herself as a comedienne in the classic comedy *Topper*, with Cary Grant. After a slow start as a blonde ingenue, Joan dyed her hair black and became one of the screen's great temptresses in films such as *Scarlet Street*. She also starred in such lighter fare as *Father of the Bride*. In the 1960s, Joan gained a new generation of fans when she appeared in the gothic daytime television serial *Dark Shadows*. The Bennetts is also the story of another Bennett sister, Barbara, whose promising beginnings as a dancer gave way to a turbulent marriage to singer Morton Downey and a steady decline into alcoholism. Constance and Joan were among Hollywood's biggest stars, but their personal lives were anything but serene. In 1943, Constance became entangled in a highly publicized court battle with the family of her millionaire ex-husband, and in 1951, Joan's husband, producer Walter Wanger, shot her lover in broad daylight, sparking one of the biggest Hollywood scandals of the 1950s. Brian Kellow, features editor of *Opera News* magazine, is the coauthor of *Can't Help Singing: The Life of Eileen Farrell*. He lives in New York and Connecticut.

*Dreaming on a Sunday in the Alameda and Other Plays* Carlos Morton 2004 This innovative collection, featuring three plays by Carlos Morton, spans five centuries of Mexican and Mexican American history. In the tradition of teatro campesino, these plays present provocative revisions of historical events. The first play, *La Malinche*, challenges the historical record of the tragic clash between Indians and Spaniards. The near-mythical La Malinche, who betrayed her country for love of Hernan Cortez but was then betrayed by him, is freed from the bonds of history to have her vengeance. She saves her legacy and destroys the legacy of the conquistador. In the second play, *Dreaming on a Sunday in the Alameda*, characters from a mural by painter Diego Rivera come to life to depict four centuries of Mexican history. Among these, Frida Kahlo, Rivera's wife, finally steps out of his shadow as a woman and artist in her own right. *Esperanza*, a libretto for an opera, tells the story of Mexican miners who labored in twentieth-century Silver City, New Mexico. Based on the classic movie *Salt of the Earth*, this play deftly portrays the crisis that foretold the rise of the Chicano movement.

Now he has found the white woman and married her. The first part of his plan works: He is in Europe. But how can he bring his alleged sister there too? The resourceful Johnny finds the solution in the brother of his new, white wife. Volume 3 tells of the perfidious execution of his plan and how he raves about his "sister" to his brother-in-law for so long that said brother-in-law travels to Cameroon, falls in love with her, marries her and brings her to Europe. The four live together with the children in a family house - a M $\acute{e}$ nage  $\grave{a}$  quatre, that the two white siblings know nothing off until the third part of his plan works. Volume 3 tells of the difficulties of Afro-European relationships in Europe in a way that they also happen in reality. Difficulties that cause Afro-European relationships to fail and break people. The reader experiences an Afro-European relationship within their European culture with all its cliches and misunderstandings. You will also learn of the everyday fight of Africans in a society, in which racism is not always called racism, even within relationships. A world, where clocks run into a different direction and then everything goes forwards.
