**Crazy for Your Love** - Lexi Ryan 2019-04-09

From New York Times bestseller Lexi Ryan comes a sexy friends-to-lovers romance. A family wedding with a fake boyfriend, meddling parents, and an obsessive ex . . . What could go wrong? The only thing worse than being single at my sister's wedding is finding out that my ex will be there too. Not just any ex—the guy everyone expected me to marry, the man I came to Jackson Harbor to escape. Now I need a date, and fast. Enter Carter Jackson—the firefighter who's dealing with an unwanted five minutes of fame ever since a shirtless photo of him saving a puppy went viral. He's warding off propositions left and right, and he needs a fake relationship as much as I do. Sweet and sexy, Carter is completely off-limits. See, I have a rule. A no-heartache rule. Not only is Carter my friend and a known heartbreaker, but his job as a firefighter puts him in danger daily, and that's something I just can't handle. The commitment between us might be pretend, but the passion all too real. As crazy as it makes me, I have to keep Carter at an arm's length. Even that might not be enough to spare my heart. Crazy for Your Love is the fifth book in The Boys of Jackson Harbor series. All books in this series can be read as standalones! The Wrong Kind of Love (Ethan's story) Straight Up Love (Jake's story) Dirty, Reckless Love (Levi's story) Wrapped in Love (Brayden's story) Crazy for Your Love (Carter's story) If It's Only Love (Shay's story) - coming September 2019

**A Crazy Kind of Love** - Maureen Child 2004-12-28

Lucas Gallagher is the geek who bought the land Michaela "Mike" Marconi wanted for her dream house. She thinks he's infuriating, annoying and totally rude. Yet, he gets to her more than any other man ever has. But though Lucas may be a scientist, he's the rock star of scientists. His inventions have made him millions, his research is reshaping the study of medicine and he holds patents for numerous technological marvels. But now, when it means everything, he's failed. His younger brother, the family's 'golden child' is dying of cancer and Lucas, despite his brilliance, can't help him. In Chandler, he tries to hide from the world he knows. Mike tried running away from her problems when she was a kid. When her mother lay dying, Mike ran. When her world crumbled, Mike hid. And she's learned that the only way to win is to stand your ground and keep trying. She doesn't understand what Lucas is talking about half the time, but she knows exactly what he's feeling. And while criticizing his complete lack of architectural ability, and remaking the house he's trying to build, Mike finds herself slipping into Lucas Gallagher's life. She wakes him up and he shakes her up: the two of them are complete opposites, and nothing can keep them apart. Until Lucas's brother Justin comes home to die.

**That Crazy Kind** - Jenika Snow 2020-04-14

I wasn't a jock, wasn't the pretty boy next door. My family didn't have any wealth, so I was "that guy from the wrong side of the tracks." I got into too much trouble, too many fights. I would have been classified as the bad boy, the guy your mother warned you about. And when I transferred to Silver Creek High to finish my senior year, I had one goal—keep my head down, don't let anyone piss me off enough to get into a fight, and graduate. And then she came into my life. Harlow. She was the prettiest girl I'd ever seen, with her shy glances at me, her questions that delved deep. She was the one person, aside from my own mother, who cared about what I thought and how I felt. I knew keeping her as mine probably wasn't smart, because she was far too good for the likes of me. But no one would have her but me. I felt that too strongly to ignore. I probably shouldn't have embraced my feelings for Harlow. She was better off without me. But I was too selfish. I wanted her too much. So screw it. What I felt for her was that crazy kind of love.

Only later does Jo learn that he's also Micah Sinclair—one of rock n' roll's most notorious bad boys... Soon Jo is on the verge of getting fired for missing a Micah Sinclair exclusive. Until she's suddenly being pursued by the heartthrob himself. But how can she be sure the musician's mind-blowing kisses are the real deal? Her colleagues claim he's a media whore, gambling on some free PR. But Jo can't help hoping Micah's feeling the same powerful pull she's feeling—a pull so strong, she might get sucked into the media circus herself.

Crazy Love - Francis Chan 2013-04-01

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Bookstore owner Aubrey Barnes likes his quiet, orderly London life, thank you very much. His shop may be struggling, his only employee is a menace, and his plumbing is one creaky pipe away from disaster, but he can handle it. Maybe. He cannot, however, handle the film company that's thrown his Soho street into chaos. And he definitely can't handle the charismatic American actor Blake Sinclair. Which is why he's extremely reluctant to lease out his shop as a set for Blake's film, but it's his one opportunity to save his business. Now he can't get away from the distractingly hot actor. Then Aubrey finds himself alone with Blake in a trailer...and what happens next turns London's heat wave into an inferno that leaves him breathless. Aubrey is not cut out for the high-profile life of celebrity dating—especially an American actor who's not even out yet. Good thing their tryst is absolutely not going anywhere. But expecting nothing can be complicated...especially when it starts to mean everything. Each book in the When Snow Falls series is STANDALONE: \* An Unexpected Kind of Love \* When London Snow Falls
