The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • BY QUEERS, FOR QUEERS: This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • EXCITING DEBUT AUTHOR: In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • GORGEOUS ILLUSTRATION: Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • AMAZING GUEST EXPERTS: Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the *Ex-Girlfriend* zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic novels and art

How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.
