Shanghai Escape - Kathy Kacer 13-10-01

Shanghai, China is a strange place for a young Jewish girl from Vienna. But that is where Lily Toufar finds herself in 1938. She and her family have left their home to find safety far away from Europe, where Adolf Hitler and his Nazi party are making life unbearable for Jews. They've had to travel fast. Lily even had to leave behind most of her toys and books. But here she feels free from danger. Despite their hopes, it quickly turns out that all is not safe in Shanghai. Now that the area is controlled by Japan, whose leaders support Hitler, the local government orders Jewish refugees, including Lily and her family, to move into a ghetto in an area of the city called Hongkew. Once again Lily wonders what will happen next. Life changes for Lily and her family when they are forced to the over-crowded ghetto. There is little food to eat, and many people become sick. Lily remains hopeful, but when rumors begin to circulate that Jews may be in as much danger here as they were in Europe, she wonders if she will ever feel truly safe and at home again. Based on a true story.

Lady Julia Grey Volume 1 - Deanna Raybourn 2016-07-01

Silent In The Grave Let the wicked be ashamed, and let them be silent in the grave. These ominous words are the last threat that the darling of London society, Sir Edward Grey, receives from his killer. Before he can show them to Nicholas Brisbane, Sir Edward collapses and dies at his London home. Determined to bring her husband's murderer to justice, Lady Julia engages the enigmatic Brisbane to help her investigate Edward's demise. Dismissing his warnings that the investigation will be difficult, Lady Julia presses forward, following a trail of clues that lead

her to even more unpleasant truths. Silent In The Sanctuary Fresh from a six-month sojourn in Italy, Lady Julia returns home to Sussex to find her father's estate crowded with family and friends— including Nicholas Brisbane. But the homecoming celebrations quickly take a ghastly turn when one of the guests is found brutally murdered in the chapel, and a member of Lady Julia's own family confesses to the crime. Certain of her cousin's innocence, Lady Julia resumes her partnership with Brisbane, setting out to unravel a tangle of deceit before the killer can strike again. Silent On The Moor In the face of protests from her conventional, stuffy brother, Lady Julia decides to pay a visit to the mysterious detective Nicholas Brisbane, to bring a woman's touch to his new estate. But Grimsgrave is haunted by the ghosts of its past, and its owner seems to be falling into ruin along with the house. Confronted with gypsy warnings and Brisbane's elusive behaviour, Lady Julia scents a mystery. It's not long before her desire for answers leads her into danger unlike any other that she has experienced— and from which, this time, there may be no escape.

Brenda Joyce The Masters of Time Series Books 4-5 - Brenda Joyce 2016-03-14

Go back in time to 15th century Scotland in New York Times bestselling author Brenda Joyce's Masters of Time paranormal romance series. *Dark Victory: Book 4* A dark, ruthless Highlander, the Black Macleod has refused his destiny. His life is revenge for the massacre of his family. But fate is impatient, and when a woman from another time dares to summon him, he cannot resist her powers—or her. A schoolteacher by day, Tabitha Rose uses her magic to protect others by night. When the vision of a dark Highlander, bloody and burned, appears to Tabby, she knows she has been called to help him. But what Tabby doesn't expect is to be

taken against her will to his dark, violent time. And when evil begins to stalk her, she realizes she must fight for far more than his destiny—she must fight for her love... *Dark Lover: Book 5* Ian Maclean's arrogance hides a terrible secret—for decades he was held prisoner by demons. Not a day goes by that he isn't tormented by his darkest fears. Now he is about to sell to the highest bidder a page he's stolen from the *Book of Power*—if one woman doesn't stop him. Slayer Samantha Rose's mission is to recover the stolen page—and get payback from the only man who's ever rejected her. What she hasn't counted on is the raging attraction between them. As the powers of evil from his past gather, Sam will do anything to help him—even following him into time and facing his worst nightmares with him... Highland warriors, sworn to protect innocence through the ages...

Marrying the Millionaire - Lynne Graham 2006-07

Don's Party - David Williamson 1997

Since its first burst on the Australian stage in 1971, *Don's Party* has become widely recognised as one of David Williamson's finest comedies. Set during an election night party, *Don's* guests pursue the rituals of courtship and sexual competitiveness as a means of coping with the insecurities of their own empty lives. Williamson's brilliant satire examines a society on the threshold of emerging from a generation of comfortable, conservative political and social values (2 acts, 6 men, 5 women).

Challenging Dante - Lynne Graham 2013-08-20

When trouble comes to stay... Unimpressed by his mother's new companion, shrewd Italian billionaire Dante Leonetti is determined to oust the cuckoo from his castle. After all, what could this beautiful, intelligent young woman want with his family other than a slice of their fortune? Topaz Marshall's search for her father brought her into Dante's world and now she's experiencing Leonetti's ferocious reputation firsthand. Knowing Dante thinks she's a gold digger, she is shocked when he turns on his legendary charm. Dante is determined to seduce the truth from her lips and Topaz must do everything in her power to resist.

The Bride Thief - Isabella Starling 2021-07-22

One taste gave me an addiction for life. We were promised to one another as children. Heath took my first kiss and stole my innocence. He wrote me letters filled with love, darkness and hope. I was supposed to be his wife, until everything I knew was ripped away from me. My life is over and there's no one who can help me now. Not even the boy with charcoal eyes... *The Bride Thief* is the short prequel to the *Dark Vows* duet. It is not a standalone book.

A month with Mikhail...

[The Dark Elements Complete Collection](#) - Jennifer L. Armentrout 2016-07-01

#1 New York Times bestselling author Jennifer L. Armentrout draws readers into the extraordinary, irresistible world of Wardens and demons in the New York Times bestselling series *The Dark Elements*. *White Hot Kiss: Book 1* Seventeen-year-old Layla just wants to be normal—fit in at school, and go out on a real date with the gorgeous Zayne. Trouble is, Zayne treats Layla like a sister—and Layla is anything but normal. She's half demon, half gargoyle, with abilities no one else possesses. And even though Zayne is a gargoyle, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a tattooed, sinfully hot demon who claims to know her secrets. Trusting Roth could ruin her chances with Zayne—and brand her a traitor. But as Layla discovers she's the sole reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. *Stone Cold Touch: Book 2* Layla Shaw is trying to pick up the pieces of her shattered life—no easy task for a seventeen-year-old. Her impossibly gorgeous best friend, Zayne, is forever off-limits thanks to the mysterious powers of her soul-stealing kiss. The Warden clan that has always protected her is suddenly keeping dangerous secrets. And she can barely think about Roth, the wickedly hot demon prince who understood her in ways no one else could. But sometimes rock bottom is only the beginning. Because suddenly Layla's powers begin to evolve, and she's offered a tantalising

taste of what has always been forbidden. *Every Last Breath: Book 3* Every choice has consequences—but Layla faces tougher choices than most. Light or darkness. Wickedly sexy demon prince Roth, or Zayne, the gorgeous, protective Warden she never thought could be hers. Layla has a new problem, too. A Lilin—the deadliest of demons—has been unleashed, wreaking havoc on those around her...including her best friend. To keep Sam from a fate worse than death, Layla must strike a deal with the enemy while saving her city from destruction. But sometimes, when secrets are everywhere and the truth seems unknowable, you have to listen to your heart, pick a side—and then fight like hell... Includes *Bitter Sweet Love* novella

Dark Rival - Brenda Joyce 2012-07-01

Highland warriors sworn to protect Innocence throughout the Ages A golden man, he is called Black Royce— a battle-hardened soldier of the gods. His vows are his life— until he is sent to New York City to protect a Healer from those who would use her powers for themselves. The moment Royce sees beautiful, feisty Allie Monroe, he knows she will be his only weakness— and he is right. Allie Monroe is more than an heiress. She is a Healer, willing to do anything to save victims of the evil that lurks in the city at night. But alone, she can do only so much— until destiny sends her the darkest Highlander of them all. Then evil strikes and Royce is destroyed before Allie's eyes. Now Allie will do anything to save Royce— even if it means going back in time to a dark, dangerous world. Confronting their enemies could cost not only their lives, but their love— for all eternity

Bitter Sweet Love - Jennifer L. Armentrout 2013-12-01

In a sizzling prequel novella to her new series *The Dark Elements*, #1 New York Times bestselling author Jennifer L. Armentrout draws readers into the extraordinary, irresistible world of Wardens and demons. Dez wasn't just Jasmine's crush. A gargoyle Warden like Jas, he helped her come to terms with her destiny—fending off demons and maintaining the balance between good and evil. He was her everything...right until the moment he disappeared without a trace. It didn't help that Jas's father had just announced that she and Dez would one day be mated. Hard not

to take that personally. And now he's back, three years older, ten times hotter, ready to pick up exactly where they left off. But Jas isn't taking that risk again. Dez has seven days to meet all her conditions and earn back her trust. Seven days filled with terrifying danger and sweet temptation. Seven days to win her heart—or shatter it all over again... "With her signature flare for combining humor, romance and action, Armentrout weaves a fast-paced read that will have readers' hearts racing in more ways than one. Like Armentrout's previous heroines, Jasmine is fun and full of attitude, while Dez is as snarky as he is sexy. This is a must read for new and old fans alike!" -RT Book Reviews Don't miss White Hot Kiss, book one in Jennifer L. Armentrout's The Dark Elements series from Harlequin TEEN!

Encyclopaedia of Medical Astrology - Howard Leslie Cornell 2010-10
 "In my years of practice as a physician, I have, by the use of Astrology, been able to very quickly locate the seat of the disease, the cause of the trouble, the time when the patient began to feel uncomfortable, as based on the birth data of the patient, and this without even touching or examining the patient, and my intense desire to get this knowledge and wisdom before students and Healers in a classified form, is the reason for this Encyclopaedia. . . . When once you have discovered the cause of the disease, and understand its philosophy and the relation of the patient to the great Scheme of Nature, the matter of treatment I leave to you, and according to the System and Methods you may be using." (pg. 502) This is not only the best book ever written on medical astrology, it is also the best medieval medical reference ever put in print. This book excels in diagnosis, in other words, if the symptom is X, then the astrological cause is Y. Which becomes the key to reading the patient's chart, or his decumbiture. Cornell writes in traditional language. The same language, in fact, as you will find in Culpeper, Saunders, Lilly, Blagrave and many others. This book is the key that will open these and many more. Howard Leslie Cornell, M.D., (1872-1938) was a naturopathic physician with a practice in the US and India. In 1918 he set about to compile the medical references in his many astrology books. As he himself wrote, it became a momentous task, eventually comprising two large ledgers. These were

then arranged, classified, disentangled and wrote into readable form. Only at that point did he consider making a proper book of it, and set about retyping and rearranging yet again. The result of 15 years work was published in 1933. It has been in print, off and on, ever since. It remains the one indispensable medical astrology book. The Encyclopaedia of Medical Astrology repays close study. A page-by-page reading is most rewarding.

3 Minute Spanish: Lessons 1-3 - Kieran Ball 2016-12-04

The best way to learn to speak a foreign language is to start using it straight away. This is exactly what you will be doing with 3 Minute Spanish. With this book, you will learn useful words and phrases that will get you speaking from the very first lesson. You will learn quickly how to form your own sentences without feeling like you're never going to use what you learn. I wrote the 3 Minute Spanish methodology after trying lots of different courses, books and CDs. I noticed that most Spanish courses start out with a long list of pronunciation rules using weird symbols that you won't understand unless you've studied phonetics. I also noticed that a lot of Spanish courses fill their first few lessons with pages and pages of rules for the language: how to pluralise nouns, how to recognise the gender of a noun, how to use the definite, indefinite or partitive articles! Whilst this information will become useful eventually, for the complete beginner it can be extremely confusing and very often overwhelming, especially when baffling grammatical terminology is used. This is what leads to most students giving up. With 3 Minute Spanish, what I have done is put the most useful things first. You will learn words and phrases that will allow you to speak straight away, and you will get an instant feeling of success from the very first lesson. Furthermore, I have made sure that I explain everything in a way that assumes you know nothing about language learning. I don't use any tricky terminology and I don't give you an endless list of rules; we learn as we go along, adding small bits of information here and there and practising until you can use it confidently. Each time you learn a new word, I show you exactly how to say it with a small pronunciation guide underneath it. And you don't need to worry about remembering the words, either; the way

the course is set out means that you will automatically internalise new vocabulary without even trying. The methodology behind this book is the same methodology I use in my classes and online courses, and the results my students have had are exciting and thrill me just as much as them! People who have spent years unsuccessfully studying Spanish have tried this book or one of my courses and have been amazed at how much they've learnt and understood in just the first lesson. Here are some of their reviews: "Excellent! He really understands teaching. This course breaks through a major barrier to learning foreign languages." NIAL COLLINS "This is fantastic. Everything you learn just stays in your head." YUVAJ VASWANI "The course was just as the instructor promised; it flowed so easily from beginning to end, and I was surprised by how much I absorbed. Thank you for making me feel that I can actually learn this beautiful language." LOU CHARON "The teacher is clear and concise. He structures the delivery of the material in a very effective way, which aids recall greatly, and he presents the material in an engaging way. My rate of learning is accelerating fast." SAM DOYLE "I love how short but utterly effective each chapter is. This method is great for building confidence quickly, learning the basics and gaining momentum. I'd definitely like to continue to learn with this teacher. Absolutely no boredom or strain whatsoever!" HAPPY DEE "Excellent course. The step-by-step instruction in small increments is very effective, as is the repetition throughout the

course, and the translation practice. Highly recommend!!!" MOLLIE DISHAL "This method of teaching is amazing. This person has a teaching gift and the lessons are very well structured with clear content. Everything is explained very well and this method of teaching is pure genius. Thank you for helping me learn another language!" SCOTT WREN "If you would like to see more reviews from over 9000 students, check out my website www.3minute.club
