*The Day of the Triffids* - John Wyndham 2010-07-01

The classic postapocalyptic thriller with “all the reality of a vividly realized nightmare” (The Times, London). Triffids are odd, interesting little plants that grow in everyone’s garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, *The Day of the Triffids* is a landmark of speculative fiction, and “an outstanding and entertaining novel” (Library Journal). “A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham so much.” —Ramsey Campbell, author of *The Overnight* “One of my all-time favorite novels. It’s absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery.” —Joe R. Lansdale, author of *Edge of Dark Water*

**Treasure Island** - Robert Louis Stevenson 1883

*Treasure Island*, published in 1883, popularized the now familiar characters of pirates and brought them to rum-swilling life. When an old sailor named Billy Bones dies in the inn belonging to young Jim Hawkins’s parents, he leaves a greasy old map on which an “X” marks the spot where treasure is buried. Jim joins the crew of a ship in pursuit of Bones’s treasure, and on the seas meets up with Long John Silver, a peg-legged pirate who has infiltrated their ranks. Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.

*The End and the Beginning* - Hermynia Zur Mühlen 2010

First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Mühlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Mühlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

*Baal's Heart - Box Set Vol. 1* - Bey Deckard 2023-05-25

Contains the first three novels in the Baal's Heart Series, plus the holiday novelette. Book 1 - Caged: Love and Treachery on the High Seas Book 2 - Sacrificed: Heart Beyond the Spires Book 3 - Fated: Blood and Redemption Book 3.5 - Careened: Winter Solstice in Madierus From Caged: Love and Treachery on the High Seas Sheltered and lonely, Jon's life changes drastically when a strange ship sails into the harbour of his small port town one day. Trapped between the possessive pirate captain and his murderous first mate, he must learn to adapt or he will lose himself completely. An epic tale of love, treachery and revelation, this first installment of the Baal's Heart series brings you into the lives of three men so bound together by jealousy and lies that they must sail to the very ends of the earth to find forgiveness.

**Caged** - Bey Deckard 2014-04

Sheltered and lonely, Jon's life changes drastically when a strange ship sails into the harbour of his small port town one day. Trapped between the possessive pirate captain and his murderous first mate, he must learn to adapt or he will lose himself completely. An epic tale of love, treachery and revelation, this first installment of the Baal's Heart trilogy brings you into the lives of three men so bound together by jealousy and lies that they must sail to the very ends of the earth to find forgiveness. Deckard's first novel is a masterful portrayal of sorrow, hope, and passion, with a narrative that twists the reader through a world set in the Golden Age of Piracy. A thrilling look into the darker side of human nature, *Caged* effortlessly melds serious historical fantasy with five star erotica.

**The Book of the Damned** - Charles Fort 2020-09-28

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's *Book of the Damned* was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

*Max* - Bey Deckard 2016-09-29

Fresh out of school, Dr. Crane takes on a new patient who both intrigues and unnerves him. Charming, manipulative, and amoral, Max has exactly the sort of mind Crane finds himself drawn to with fictional characters. As Max weaves himself into Crane's life, Crane realizes that while fiction might be safe, Max certainly is not. When the professional line between them thins, who gets to define where one man ends and the other begins?

*Toilers of the Sea* - Victor Hugo 1866

The Black Jacobins - C. L. R. James 2001-05-31

In 1789 the West Indian colony of San Domingo supplied two-thirds of the overseas trade of France. The entire structure of what was arguably the most profitable colony in the world rested on the labour of half a million slaves. In 1791 the waves of unrest inspired by the French Revolution reached across the Atlantic dividing the loyalties of the white population of the island. The brutally treated slaves of Saint Domingo seized at this confusion and rose up in rebellion against masters. In this classic work, CLR James chronicles the only successful slave revolt in history and provides a critical portrait of their leader, Toussaint L'Ouverture, 'one of the most remarkable men of a period rich in remarkable men'.

*Nineteen Eighty-Four* - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Baal's Heart Boxset Vol. 1 - Bey Deckard 2022-04-12

Contains the first three books in the Baal's Heart Saga, plus the holiday novelette. Book 1 - Caged: Love and Treachery on the High Seas Book 2 - Sacrificed: Heart Beyond the Spires Book 3 - Fated: Blood and Redemption Book 3.5 - Careened: Winter Solstice in Madierus Themes: Pirates, Historical Fantasy, Erotic Action/Adventure, Polyamory, Triad, LGBT+/GSM

Kidnapped by the Pirate - Keira Andrews 2017

Will a virgin captive surrender to this pirate's sinful touch? Nathaniel Bainbridge is used to hiding, whether it's concealing his struggles with reading or his forbidden desire for men. Under the thumb of his controlling father, the governor of Primrose Isle, he's sailing to the fledging colony, where he'll surrender to a respectable marriage for his family's financial gain. Then pirates strike and he's kidnapped for ransom by the Sea Hawk, a legendary villain of the New World. Bitter and jaded, Hawk harbors futile dreams of leaving the sea for a quiet life, but men like him don't deserve peace. He has a score to settle with Nathaniel's father—the very man whose treachery forced him into piracy—and he's sure Nathaniel is just as contemptible. Yet as days pass in close quarters, Nathaniel's feisty spirit and alluring innocence beguile and bewitch. Although Hawk knows he must keep his distance, the desire to teach Nathaniel the pleasure men can share grows uncontrollable. It's not as though Hawk would ever feel anything for him besides lust... Nathaniel realizes the fearsome Sea Hawk's reputation is largely invented, and he sees the lonely man beneath the myth, willingly surrendering to his captor body and soul. As a pirate's prisoner, he is finally free to be his true self. The crew has been promised the ransom Nathaniel will bring, yet as danger mounts and the time nears to give him up, Hawk's biggest battle could be with his own heart. This May-December gay romance from Keira Andrews features classic tropes including: a tough alpha pirate too afraid to love, a plucky virgin captive half his age, enemies to lovers, first-time sexual discovery, and of course a happy ending.

Invisible Man - Ralph Ellison 2014-08-14

'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white

society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' The Times

**Diamonds in the Dust** - Charmaine Pauls 2020-05-19

"She's a pretty wildflower destined for my brother's vase. I'll make her mine, even if how I do it will make flowers wilt." A DARK FRENCH MAFIA ROMANCE Men like us, we see things. We do things, things that make us unfeeling. That's the price of power and money, of living la belle vie and running the French mafia. Then she came along like a pretty wildflower pushing through the cracks on a dirty pavement - fragile yet resilient, a breath of beauty among the filth. She was supposed to be just another job, a nameless person I was to pluck from her life and hand to my brother, nothing but a pawn in the gamble of our diamond business. There's a psychological label for men like us. We lack empathy and guilt. We do things to have what we want, things that make flowers wilt. Note: Diamonds in the Dust is Book 1 of the Diamonds are Forever trilogy and ends on a cliffhanger. Zoe and Maxime's story continues in Diamonds in the Rough (Book 2) and concludes in Diamonds are Forever (Book 3).

This dark mafia romance trilogy is part of the Diamond Magnate collection. You don't have to read the other books to follow the story. The Diamond Magnate collection in order: Standalone Novels (Dark Arranged Marriage & Mistaken Identity Romance) Beauty in Deception Beauty in the Broken Diamonds are Forever Trilogy (Dark Mafia / Kidnapping Romance) Diamonds in the Dust (Book 1) Diamonds in the Rough (Book 2) Diamonds are Forever (Book 3) Beauty in the Stolen Trilogy (Dark Heist Romance) Stolen Lust (Book 1) Stolen Life (Book 2) Stolen Love (Book 3) Beauty in Imperfection Duology (Dark Arranged Marriage Romance) Imperfect Intentions (Book 1) Imperfect Affections (Book 2)

**Jane Eyre** - Charlotte Bronte 2016-07-27

Jane Eyre, the story of a young girl and her passage into adulthood, was an immediate commercial success at the time of its original publication in 1847. Its representation of the underside of domestic life and the hypocrisy behind religious enthusiasm drew both praise and bitter criticism, while Charlotte Brontë's striking expose of poor living conditions for children in charity schools as well as her poignant portrayal of the limitations faced by women who worked as governesses sparked great controversy and social debate. Jane Eyre, Brontë's best-known novel, remains an extraordinary coming-of-age narrative, and one of the great classics of literature. Charlotte Brontë (April 21, 1816 - March 31, 1855) was an English novelist and the eldest of the three Brontë sisters whose novels have become enduring classics of English literature. Source: Wikipedia

**The Desert Sheikh's Captive Wife** - Lynne Graham 2008-01-01

Captive in the sheikh's harem! Tilda was regretting her short-lived romance with Rashad, the crown prince of Bakhar. Now, with her impoverished family indebted to him, Rashad was blackmailing Tilda by insisting she pay up...as his concubine! Soon Tilda was the arrogant sheikh's captive in his faraway desert kingdom. Then Rashad publicly acknowledged her as his woman... and under the law of Bakhar they were now bound together forever...as husband and wife!

**Candide** (□□□) - Voltaire 2011-04-15

**Docile** - K.M. Szpara 2020-03-03

K. M. Szpara's Docile is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a Docile is to be kept, body and soul, for the uses of the owner of your contract. To be a Docile is to forget, to disappear, to hide inside your body from the horrors of your service. To be a Docile is to sell yourself to pay your parents' debts and buy your children's future. Elisha Wilder's family has been ruined by debt, handed down to them from previous generations. His mother never recovered from the Dociline she took during her term as a Docile, so when Elisha decides to try and erase the family's debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind Dociline and the entire Office of Debt Resolution. When Elisha refuses Dociline, Alex refuses to believe that his family's crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect Docile without it. Content warning: Docile contains forthright depictions and discussions of rape and sexual abuse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
