Now published by SAGE! Cutting edge and student-friendly, Choices in Relationships takes readers through the lifespan of relationships, marriages, and families, and utilizes research to help them make deliberate, informed choices in their interpersonal relationships. Authors David Knox, Caroline Schacht, and new co-author I. Joyce Chang draw on extensive research to challenge students to think critically about the choice-making process, consider the consequences involved with choices, view situations in a positive light, and understand that not making a choice is a choice after all. The extensively revised Thirteenth Edition reflects the rapidly changing world with over 700 new research citations, a new feature on how

technology effects relationships, revised "Culture and Diversity" features that focus on how choices in relationships vary across different cultures, new and increased coverage of single and LGBTQIA individuals, and more. This title is accompanied by a complete teaching and learning package.
