We looked into the Five WWWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. *Dirty Talk Conversation Starters* - Jennifer Milan 2020-12-17

Do not wait until your sex life become dull and repetitive or even turns into a boring routine? Learn to spice it up with the addition of dirty talk! Did you know that men and women secretly use texting as a way to "pre-screen" their partner's romantic value? A partner's texting habits can reveal a lot about his/her self-worth, confidence, intelligence, and even level of class and emotional maturity. Both men and women love to hear what their partner wants to do for them, or what will be done to them before it's done. Hearing the words moaned, screamed, whispered, or growled heightens the sensations and can take the love making to a whole new level. However, dirty talking is not as "easy" as people make it seem. It's not just a matter of using every swear word the sailors taught you. There is an art and even a science to shocking the senses.

Effectively dirty talking is a careful balancing act of expressing desire, of smart communication between two different lovers, and letting yourself feel the emotion of the moment. Because men and women covertly appraise a relationship potential this way, many people often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. But with this insightful dating book, you'll learn the texting habits used by high-value men and women to gain access to a vast collection of irresistible, man-melting text messages that make men and women EAGER to text you back and desperate to see you again. And this focuses on both sexes. Get the partner and keep them.
