Glenn Ligon Gregg Bordowitz 2019-07-09 An illustrated examination of Glenn Ligon's iconic *Untitled (I Am a Man)* (1988)—a quotation, an appropriated text turned into an artifact. The iconic work *Untitled (I Am a Man)* (1988) by the important contemporary American artist Glenn Ligon is a quotation, an appropriated text turned into an artifact. The National Gallery of Art in Washington presents the work as a "representation—a signifier—of the actual signs carried by 1,300 striking African American sanitation workers in Memphis, made famous by Ernest Withers' 1968 photographs." In this illustrated study of the work, Gregg Bordowitz takes the National Gallery's presentation as his starting point, considering the museum's juxtaposition of *Untitled (I Am a Man)* and the ca. 1935 sculpture, *Schoolteacher*, by William Edmondson, and the relation of the two terms, "markers" and "signs." After closely examining the canvas itself, its textures, brushwork, and structure, Bordowitz presents a theoretical framework that draws on the work of American philosopher Charles Sanders Peirce and his theory of Firstness, Secondness, and Thirdness. He makes a case for Thirdness as a function, operation, or law of meaning-making, not limited by the gender, age, ethnicity, race, class, or personal history of the viewer. Bordowitz goes on to examine Ligon's work in terms of the representation of self, race, and gender, focusing on three series: *Profile Series* (1990–91), *Narratives*, and *Runaways* (both 1993). He cites such historical figures as Sojourner Truth and her famous 1851 speech, "Ain't I a Woman?" as well as influences ranging from Bo Diddley's 1955 song, "I'm a Man" to the cultural theories of Stuart Hall.

Diccionario Jurídico Inglés-español Y Español-inglés Wiley Steven M. Kaplan 1993 In today's "global village", nearly 450 million people speak English while another 350 million speak Spanish. The United States alone, with its more than 22 million Hispanic Americans, is now considered by many to be a bilingual society. As the practice of law and the resolution of legal issues, to a great extent, is all about precise communication, the impact of this on legal and business professionals is obvious - Spanish/English, English/Spanish translations are fast becoming an indispensable component of any thriving law practice or business, be it a small company or a multinational corporation. Translations are now routinely required for trials, contracts, real estate and financial transactions, and in many other situations. Clearly then, the need for a comprehensive bilingual reference such as this one has never been greater. Wiley's English/Spanish and Spanish/English Legal Dictionary offers comprehensive, up-to-date coverage of more than 40,000 essential words and phrases spanning all legal disciplines and subdisciplines including construction, real estate, insurance, business, trial, environmental law, intellectual property, family law, and more. It was written by a professional translator in collaboration with an advisory committee comprising attorneys from some of the most prominent firms in the international legal community. Featuring an extremely user-friendly format, the Dictionary was designed for quick reference. It directs you instantly to the precise equivalent you need without first "rerouting" you through a maze of other irrelevant terms and phrases. Gender neutral equivalents are provided, and in cases where the nongender neutral term is the norm, both are given. Wiley's English/Spanish and Spanish/English Legal Dictionary puts all important English and Spanish legal terms at the fingertips of attorneys, businesspeople, paralegals, and law students. It belongs on the shelves of law firms, libraries, businesses, and international agencies. It is also an essential communications tool for translators, interpreters, and civil servants.

Black Performance Theory Thomas F. DeFrantz 2014-04-14 Black performance theory is a rich interdisciplinary area of study and critical method. This collection of new essays by some of its pioneering thinkers—many of whom are performers—demonstrates the breadth, depth, innovation, and critical value of black performance theory. Considering how blackness is imagined in and through performance, the contributors address topics including flight as a persistent theme in African American aesthetics, the circulation of minstrel tropes in Liverpool and in Afro-Mexican settlements in Oaxaca, and the reach of hip-hop politics as people around the world embrace the music and dance. They examine the work of contemporary choreographers Ronald K. Brown and Reggie Wilson, the ways that African American playwrights translated the theatricality of lynching to the stage,

the ecstatic music of Little Richard, and Michael Jackson's performance in the documentary *This Is It*. The collection includes several essays that exemplify the performative capacity of writing, as well as discussion of a project that re-creates seminal hip-hop album covers through tableaux vivants. Whether deliberating on the tragic mulatta, the trickster figure Anansi, or the sonic futurism of Nina Simone and Adrienne Kennedy, the essays in this collection signal the vast untapped critical and creative resources of black performance theory. Contributors: Melissa Blanco Borelli, Daphne A. Brooks, Soyica Diggs Colbert, Thomas F. DeFrantz, Nadine George-Graves, Anita Gonzalez, Rickerby Hinds, Jason King, D. *Just Do it* Donald R. Katz 1994 An award-winning author penetrates Nike--a company of the future, a dream machine that seeks to redefine culture through the power of sports--to provide this portrait of Phil Knight, who pioneered the company from a two-man operation into a four billion-dollar corporation.

**The Sponsored Life** Leslie Savan 2018-11-26 How do Nike or Pepsi ads convince you that you're a rebellious individual-even while they sell you the same sneakers or sugar water bought by millions? How does a company associated with a disaster, Exxon or DuPont, for example, restore its reputation? What gender and racial stereotypes lurk in TV commercials for beer, cars, cologne, and diamond rings? And what is the deeper meaning of living in an ad, ad, ad world? For more than a decade, journalist Leslie Savan exposed the techniques advertisers use to push products and pump up corporate images. In the lively essays in this collection, Savan penetrates beneath the slick surfaces of specific ads and marketing campaigns to show how they both reflect and shape our lives. Savan's pioneering use of advertising as a lens to examine society and politics made her a three-time Pulitzer Prize finalist. "With unerring perception," the 1992 Pulitzer jury in criticism wrote, Savan "has seen advertising, PR and political chicanery as a new field of socio-aesthetic criticism. Her merciless prose impales both the electronic and print media." Though technology and tastes have changed since Savan's essays first appeared in *The Village Voice*, her analysis is timeless. The fundamentals of exploiting desire remain the same: sex and fear, flattery and patriotism, humor and cool still sell.

Gender and Newsroom Cultures Marjan de Bruin 2004 This book offers chapters on the dialectics of gender and newsroom culture, bringing a feminist analysis to that relation. The text aims to bring coherence and insight to a still relatively under-researched topic. The contributors come from a diverse range of geographies, approaches and contexts. Together, the chapters provide a timely intervention in the debates around gender and journalism, extending the analysis to produce a genuinely East-West, North-South set of analyses on this important topic.

The Autobiographical Documentary in America Jim Lane 2002-04-29 Since the late 1960s, American film and video makers of all genres have been fascinated with themes of self and identity. Though the documentary form is most often used to capture the lives of others, Jim Lane turns his lens on those media makers who document their own lives and identities. He looks at the ways in which autobiographical documentaries—including Roger

and Me, Sherman's March, and Silverlake Life—raise weighty questions about American cultural life. What is the role of women in society? What does it mean to die from AIDS? How do race and class play out in our personal lives? What does it mean to be a member of a family? Examining the history, diversity, and theoretical underpinnings of this increasingly popular documentary form, Lane tracks a fundamental transformation of notions of both autobiography and documentary.

Translating Official Documents Roberto Mayoral Asensio 2014-07-16 Official translations are generally documents that serve as legally valid instruments. They include anything from certificates of birth, death or marriage through to academic transcripts or legal contracts. This field of translation is now as important as it is fraught with difficulties, for it is only in a few areas that the cultural differences are so acute and the consequences of failure so palpable. In a globalizing world, our official institutions increasingly depend on translations of official documents, but little has been done to elaborate the skills and dilemmas involved. Roberto Mayoral deals with the very practical problems of official translating. He points out the failings of traditional theories in this field and the need for revised concepts such as the virtual document, pragmatic constraints, and risk analysis. He details aspects of the social contexts, ethical norms, translation strategies, different formats, fees, legal formulas, and ways of solving the most frequent problems. Care is taken to address as wide a range of cultural contexts as possible and to stress the active role of the translator. This book is intended as a teaching text for the classroom, for self-learning, or for professionals who want to reflect on their practice. Activities and exercises are suggested for each chapter, and information is included on professional associations and societies across the globe.

**The Life and Death of Sophie Stark** Anna North 2015-05-19 Winner of the 2016 Lambda Literary Award for Bisexual Fiction "I read *The Life and Death of Sophie Stark* with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story."—Emma Donoghue, *New York Times* bestselling author of *Room* "This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy."—Lena Dunham Gripping and provocative, *The Life and Death of Sophie Stark* is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn't stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is "not only a dissection of genius and the havoc it can wreak, but also a thunderously good story" (Emma Donoghue).

*The Optimist's Telescope* Bina Venkataraman 2019-08-27 Named a Best Book of 2019 by NPR "How might we mitigate losses caused by shortsightedness? Bina Venkataraman, a former climate adviser to the Obama administration, brings a storyteller's eye to this question. . . . She is also deeply informed about the relevant science." —The *New York Times* Book Review A trailblazing exploration of how we can plan better for the future: our own, our families', and our society's. Instant gratification is the norm today—in our lives, our culture, our economy, and our politics. Many of us have forgotten (if we ever learned) how to make smart decisions for the long run. Whether it comes to our finances, our health, our communities, or our planet, it's easy to avoid thinking ahead. The consequences of this immediacy are stark: Deadly outbreaks spread because leaders failed to act on early warning signs. Companies that fail to invest stagnate and fall behind. Hurricanes and wildfires turn deadly for communities that could have taken more precaution. Today more than ever, all of us need to know how we can make better long-term decisions in our lives, businesses, and society. Bina Venkataraman sees the way forward. A journalist and former adviser in the Obama White House, she helped communities and businesses prepare for climate change, and she learned firsthand why people don't think ahead—and what can be done to change that. In *The Optimist's Telescope*, she draws from stories she has reported around the world and new research in biology, psychology, and economics to explain how we can make decisions that benefit us over time. With examples from ancient Pompeii to modern-day Fukushima, she dispels the myth that human nature is impossibly reckless and highlights the surprising practices each of us can adopt in our own lives—and the ones we must fight for as a society. The result is a book brimming with the ideas and insights all of us need in order to forge a better future.

*U2 at the End of the World* Bill Flanagan 1996-10

**Metalepsis in Popular Culture** Karin Kukkonen 2011 When readers become victims of the murder mysteries they are immersed in, when superheroes embark on a quest to challenge their authors or when the fictional rock band Gorillaz flirt with Madonna during their performance, then metalepsis in popular culture occurs. Metalepsis describes the transgression of the boundary between the fictional world and (a representation of) the real world. This volume establishes a transmedial definition of metalepsis and explores the phenomenon in twelve case studies across media and genres of popular culture: from film, TV series, animated cartoons, graphic novels and popular fiction to pop music, music videos, holographic projections and fan cultures. Narrative studies have considered metalepsis so far largely as a phenomenon of postmodern or avant-garde literature. *Metalepsis in Popular Culture* investigates metalepsis' ties to the popular and traces its transmedial importance through a wealth of examples from the turn of the 20th century to this day. The articles also address larger issues such as readerly immersion, the appeal of complexity in popular culture, or the negotiation of fiction and reality in media, and invite readers to rethink these issues through the prism of metalepsis.

**The Dare** Harley Laroux 2021-01-26 Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Focusing upon the sources of anarchist power in the city and the role of the organised anarchist movement during the Second Republic the volume concludes with an analysis of the decline of the power of the anarchist movement during the civil war in its identification of the local conditions that made Barcelona into the capital of European anarchism.

*Blacktino Queer Performance* E. Patrick Johnson 2016-06-10 Staging an important new conversation between performers and critics, *Blacktino Queer Performance* approaches the interrelations of blackness and Latinidad through a stimulating mix of theory and art. The collection contains nine performance scripts by established and emerging black and Latina/o queer playwrights and performance artists, each accompanied by an interview and critical essay conducted or written by leading scholars of black, Latina/o, and queer expressive practices. As the volume's framing device, "blacktino" grounds the specificities of black and brown social and political relations while allowing the contributors to maintain the goals of queer-

of-color critique. Whether interrogating constructions of Latino masculinity, theorizing the black queer male experience, or examining black lesbian relationships, the contributors present blacktino queer performance as an artistic, critical, political, and collaborative practice. These scripts, interviews, and essays not only accentuate the value of blacktino as a reading device; they radiate the possibilities for thinking through the concepts of blacktino, queer, and performance across several disciplines. Blacktino Queer Performance reveals the inevitable flirtations, frictions, and seductions that mark the contours of any ethnoracial love affair. Contributors. Jossiana Arroyo, Marlon M. Bailey, Pamela Booker, Sharon Bridgforth, Jennifer Devere Brody, Cedric Brown, Bernadette Marie Calafell, Javier Cardona, E. Patrick Johnson, Omi Osun Joni L. **Ain't I a Beauty Queen?** Maxine Leeds Craig 2002-06-20 "Black is Beautiful!" The words were the exuberant rallying cry of a generation of black women who threw away their straightening combs and adopted a proud new style they called the Afro. The Afro, as worn most famously by Angela Davis, became a veritable icon of the Sixties. Although the new beauty standards seemed to arise overnight, they actually had deep roots within black communities. Tracing her story to 1891, when a black newspaper launched a contest to find the most beautiful woman of the race, Maxine Leeds Craig documents how black women have negotiated the intersection of race, class, politics, and personal appearance in their lives. Craig takes the reader from beauty parlors in the 1940s to late night political meetings in the 1960s to demonstrate the powerful influence of social movements on the experience of daily life. With sources ranging from oral histories of Civil Rights and Black Power Movement activists and men and women who stood on the sidelines to black popular magazines and the black movement press, *Ain't I a Beauty Queen?* will fascinate those interested in beauty culture, gender, class, and the dynamics of race and social movements.

In this short book, Richard Barbrook presents a collection of quotations from authors who in different ways attempt to identify an innovative element within society - 'the class of the new'. Announcing a new economic and social paradigm, this class constitutes a 'social prophecy' of the shape of work to come. From Adam Smith's 'Philosophers' of the late 18th century, down to the 'Creative Class' celebrated by sociologist Richard Florida today, the class of the new represents the future of production within and beyond capitalism.
