*The Diver and The Lover* - Jeremy Vine 2020-09-03

'The lives of the characters get entangled in this powerful read' WOMAN'S OWN 'A pacy, gripping tale... written with skill and colour. It gave me enormous pleasure to read such a satisfying novel.' SANTA MONTEFIORE 'If you're in desperate need of a far-flung getaway, indulge in this slice of escapist fiction' HEAT 'Being transported to a Spanish summer in 1951... I feel the cool of the shadows under the trees and hear the sea as it glistens in the rippling heat.' FERN BRITTON 'This absorbing, poignant rollercoaster of a read is utterly satisfying and will stay with you long after you've put it down.' PATRICIA SCANLAN 'Keeps up the pace and excitement to the very end.' JOAN BAKEWELL Soaked in sunlight, love and the mysteries surrounding a famous artist *The Diver and the Lover* is a novel inspired by true events. It is 1951 and sisters Ginny and Meredith have travelled from England to Spain in search of distraction and respite. The two wars have wreaked loss and deprivation upon the family and the spectre of Meredith's troubled childhood continues to haunt them. Their journey to the rugged peninsula of Catalonia promises hope and renewal. While there they discover the artist Salvador Dali is staying in nearby Port Lligat. Meredith is fascinated by modern art and longs to meet the famous surrealist. Dali is embarking on an ambitious new work, but his headstrong male model has refused to pose. A replacement is found, a young American waiter with whom Ginny has struck up a tentative acquaintance. The lives of the characters become entangled as family secrets, ego and the dangerous politics of Franco's Spain threaten to undo the fragile bonds that have been forged. A powerful story of love, sacrifice and the lengths we will go to for who - or what - we love.

**Every Good Boy Does Fine** - Jeremy Denk 2022-03-03

THE NEW YORK TIMES BESTSELLER 'A virtuosic memoir . . . elegant, frank and well-structured, that entirely resists cliché . . . readable for both diehard classical music fans and complete newcomers alike . . . A rare feat.' - The Guardian A uniquely illuminating memoir of the making of a musician, in which renowned

pianist Jeremy Denk explores what he learned from his teachers about classical music: its forms, its power, its meaning - and what it can teach us about ourselves. In this searching and funny memoir, based on his popular New Yorker article, renowned pianist Jeremy Denk traces an implausible journey. Life is difficult enough as a precocious, temperamental, and insufferable six-year-old piano prodigy in New Jersey. But then a family meltdown forces a move to New Mexico, far from classical music's nerve centers, and he has to please a new taskmaster while navigating cacti, and the perils of junior high school. Escaping from New Mexico at last, he meets a bewildering cast of college music teachers, ranging from boring to profound, and experiences a series of humiliations and triumphs, to find his way as one of the world's greatest living pianists, a MacArthur 'Genius,' and a frequent performer at Carnegie Hall. There are few writers working today who are willing to eloquently explore both the joys and miseries of artistic practice. Hours of daily repetition, mystifying early advice, pressure from parents and teachers who drove him on - an ongoing battle of talent against two enemies: boredom and insecurity. As we meet various teachers, with cruel and kind streaks, Denk composes a fraught love letter to the act of teaching. He brings you behind the scenes, to look at what motivates both student and teacher, locked in a complicated and psychologically perilous relationship. In *Every Good Boy Does Fine*, Denk explores how classical music is relevant to 'real life,' despite its distance in time. He dives into pieces and composers that have shaped him - Bach, Mozart, Schubert, and Brahms, among others - and gives unusual lessons on melody, harmony, and rhythm. Why and how do these fundamental elements have such a visceral effect on us? He tries to sum up many of the lessons he has received, to repay the debt of all his amazing teachers; to remind us that music is our creation, and that we need to keep asking questions about its purpose. 'Denk . . . has written a book that shows what it's like to be a pianist, but also what it's like to be Jeremy Denk. As if that were not enough, it is also about the elements of music, and beyond that an account of the ways in which music and life mirror each other. It is a book like none other' - Simon Callow, *The New York Review of Books*

[A Self-Help Guide to Being In Love with Jeremy Corbyn](#) - Jess Green 2018-07-02

When Jess Green joined the Labour Party at university she doubled the number of members who met weekly in the Liverpool Philharmonic pub. Since then she's stuck by them through the downfall of Tony Blair, the disappointment of Gordon Brown and the monolith of Ed Miliband. After a decade of keeping her membership card firmly at the back of her wallet she's suddenly, like most frustrated lefty activists, fallen head over heels in love with Jeremy Corbyn and is raw Communist sex appeal. Jess Green's second collection is full of fast paced, dry witted poems from the point of view of a late twenties poet who's beginning to regret her teenage ambition of becoming a full time impoverished artist.

He suggests that they embark on a brief affair while at the house party—Jeremy can receive an honest critique of his bedroom skills and widowed Diana can use the gossip to signal to other gentlemen that she is interested in taking a lover. Diana thinks taking him up on his counter-proposal can only help her win her wager.
