*Girls with Razor Hearts* - Suzanne Young 2020-03-17

It's time to fight back in this second novel in a thrilling, subversive near future series from New York Times bestselling author Suzanne Young about a girls-only private high school that is far more than it appears to be. Make me a girl with a razor heart... It's been weeks since Mena and the other girls of Innovations Academy escaped their elite boarding school. Although traumatized by the violence and experimentations that occurred there, Mena

quickly discovers that the outside world can be just as unwelcoming and cruel. With no one else to turn to, the girls only have each other—and the revenge-fueled desire to shut down the corporation that imprisoned them. The girls enroll in Ridgeview Prep, a private school with suspect connections to Innovations, to identify the son of an investor and take down the corporation from the inside. But with pressure from Leandra, who revealed herself to be a double-agent, and Winston Weeks, an academy investor gone rogue, Mena wonders if she and her friends are simply trading one form of control for another. Not to mention the woman who is quite literally invading Mena's thoughts—a woman with extreme ideas that both frighten and intrigue Mena. And as the girls fight for freedom from their past—and freedom for the girls still at Innovations—they must also face new questions about their existence...and what it means to be girls with razor hearts.

**The Girl With A Clock For A Heart** - Peter Swanson 2014-02-04

THE KIND WORTH SAVING, THE UN-PUT-DOWNABLE SEQUEL TO BESTSELLER THE KIND WORTH KILLING, AVAILABLE TO PRE-ORDER NOW George Foss never thought he'd see her again, but on a late-August night in Boston, there she is, in his local bar, Jack's Tavern. When George first met her, she was an eighteen-year-old college freshman from Sweetgum, Florida. She and George became inseparable in their first fall semester, so George was devastated when he got the news that she had committed suicide over Christmas break. But, as he stood in the living room of the girl's grieving parents, he realized the girl in the photo on their mantelpiece - the one who had committed suicide - was not his girlfriend. Later, he discovered the true identity of the girl he had loved - and of the things she may have done to escape her past. Now, twenty years later, she's back, and she's telling George that he's the only one who can help her... In his electrifying debut, Peter Swanson evokes the spirit of *Body Heat* and *Double Indemnity*, in a thriller about love, loss and those memories we hold closest to our hearts. '... it was like I had a secret disease, or there was this clock inside of me, ticking like a heart, and at any moment an alarm would go off ...'
