The Living Age 1877

Littell's Living Age 1877

A Point of Honor Annie Edwards 1863

Cold Day in the Sun Sara Biren 2019-03-12 From the author of *The Last Thing You Said*, a YA romance about a girl on a boys hockey team who happens to fall for the team captain. Holland Delviss wants to be known for her talent as a hockey player, not a hockey player who happens to be a girl. So, to keep her spot on the boys' varsity team, she has rules: Practice harder than anyone else, even if that means 5 A.M. training sessions. Keep a low profile, even if that means ignoring trolls calling her a distraction, a gimmick, or worse. But when her team is selected for HockeyFest, a televised statewide event, Holland becomes the lead story (Goodbye, rule #2!). Not everyone is thrilled with Holland's new fame, but there's one person who fiercely supports her, and it's the last person she expects: her bossy team co-captain, Wes. And Wes begins surprising her. He shares her passion for '80s glam metal, and his touch feels strangely electric. With the cameras set to roll, Holland is dangerously close to breaking yet another rule: No dating teammates, ever. A deeply romantic and empowering novel about shutting out the noise from the crowd, so you can listen to your heart. A Junior Library Guild Selection "A fun romp of a teen romance via an exciting hockey season, this book has all the right ingredients—a spunky, multifaceted main character, a love interest who turns out to be a decent individual, and plenty of internal and external conflict. . . . A teenage love story steamy enough to melt the ice in the rink." —Kirkus Reviews "A fun read that simultaneously puts the reader into the hockey world as an insider and an outsider. . . . It's a last-act gut punch that really puts a spotlight on what female athletes have to deal with. A must-read for anyone who has had to defy expectations." ?Booklist

Bad Husband Elise Faber 2019-01-25 He was her mortal enemy in the business world. But in the real world? He had a soft spot...and it was only for her. And when sexy, smart, and oftentimes cold Clay Steele showed that soft part to her, Heather forgot to be the smart, calculated businesswoman she was. In fact, Heather got stupid. And stupid had her waking up hungover and naked in Clay's bed. With a giant diamond ring. On her left hand. Oh hell— What had she done?

The Deeper the Water the Uglier the Fish Katya Apekina 2018 It's 16-year-old Edie who finds their mother Marianne dangling in the living room from an old jump rope, puddle of urine on the floor, barely alive. Upstairs, 14-year-old Mae had fallen into one of her trances, often a result of feeling too closely attuned to her mother's dark moods. After Marianne is unwillingly admitted to a mental hospital, Edie and Mae are forced to move from their childhood home in Louisiana to New York to live with their estranged father, Dennis, a former civil rights activist and literary figure on the

other side of success. The girls, grieving and homesick, are at first wary of their father's affection, but soon Mae and Edie's close relationship begins to fall apart--Edie remains fiercely loyal to Marianne, convinced that Dennis is responsible for her mother's downfall, while Mae, suffocated by her striking resemblances to her mother, feels pulled toward their father. The girls move in increasingly opposing and destructive directions as they struggle to cope with outsized pain, and as the history of Dennis and Marianne's romantic past clicks into focus, the family fractures further. Moving through a selection of first-person accounts and written with a sinister sense of humor, *THE DEEPER THE WATER THE UGLIER THE FISH* powerfully captures the quiet torment of two sisters craving the attention of a parent they can't, and shouldn't, have to themselves. In this captivating debut, Katya Apekina disquietingly crooks the lines between fact and fantasy, between escape and freedom, and between love and obsession. *Chambers's Edinburgh journal, conducted by W. Being the Other One Kate Strohm 2005-02-08 When there's a disabled child in the family, how are normally developing siblings affected? According to Kate Strohm, a counselor and health educator, siblings of the disabled face particular emotional challenges that are often overlooked. Able siblings commonly struggle with feelings of isolation, grief, anger, and anxiety—and these and other emotional issues can have lifelong effects.

Being the Other One is based on the author's own experience (as a sibling of a sister with cerebral palsy) and on extensive interviews she conducted with siblings of all ages. In clear and compassionate terms, Strohm explores the often secret feelings of siblings and offers valuable strategies for coping with the challenges they face. Being the Other One reveals the difficulties faced by siblings at all stages of life, from early childhood through adulthood, when siblings must often assume responsibility for the care of their disabled brothers and sisters. Though the book looks honestly at the many challenges that siblings face, it is full of encouragement and practical strategies. Strohm emphasizes that when siblings are able to clearly identify and openly express their feelings and concerns—and when parents and health professionals offer the needed support—siblings can thrive. This book includes writing exercises for personal exploration and a substantial resources section listing helpful books, organizations, and websites.

Bad Billionaires Elise Faber 2019-06-03 Bad Night Stand I'd brought him home thinking that for once in my life I would live a little. Then he'd walked out, and I'd chalked the experience up to a bad one-night stand. Now weeks later I was puking my guts up and had a pink stick with a plus sign on it declaring my future. And because my life was my life, I was pregnant, alone, and starting a new job. And whose company was I working for? Jordan. Jordan O'Keith. The man who'd I'd brought home that night. The man whose baby was currently residing in my belly. The man I hadn't recognized... And the man who was my father's arch enemy. Bad Breakup Twice he'd broken her. CeCe was supposed to be traveling the world, taking the vacation she had always dreamed of, living the life she'd always hoped for. Not pushing away an ex who was determined to have her again. Not finding it harder and harder to resist Colin at every turn. But she was. Finding it harder to turn him away, harder to steel her heart against him. Especially when she found out exactly why the past had torn them apart. Because just like before she was falling hard. Falling fast. Falling deep. Bad Husband He was her mortal enemy in the business world. But in the real world? He had a soft spot...and it was only for her. And when sexy, smart, and oftentimes cold Clay Steele showed that soft part to her, Heather forgot to be the smart, calculated businesswoman she was. In fact, Heather got stupid. And stupid had her waking up hungover and naked in Clay's bed. With a giant diamond ring. On her left hand. Oh hell— What had she done?

Bad Date: A Never Before Released Novella Blind dates were the absolute worst. Awkward, filled to the brim with small talk, and they never, ever worked out. Kay knew all that. Yet for some reason, she still had agreed to let Heather set her up. And when the date came, Kay found herself stood up. Yup, that was just perfect. Her night was shot, she was behind on her word count, but then...she quite literally ran into tall, dark, and handsome outside the restaurant. One look at him and Kay thought that perhaps her night might be salvaged after all. Until she discovered tall, dark, and handsome was a jerk. Until she discovered that jerk was her missing blind date—her rude and insufferable date who blew right by her as if she didn't exist. What. The. Hell?

The Gift Horse Leslie Silton 2022-03-23 Maggie Malone is a first-class painter who just graduated from art school. But every time she gets a foot in the door in the gallery scene in New York City something goes wrong. She can't figure out if this is normal or if she is actually being targeted by unseen forces. On a tip from a fellow artist, she goes to Fleetwater, a small, thriving artist colony on Long Island. Taken up by gallery owner, Arthur Cotillion, Maggie is finally getting the accolades she deserves. The big shows and big-ticket sales are finally happening. So, what's wrong? And for that matter, what's wrong with the inhabitants of Fleetwater and why are people trying to kill Maggie Malone? The thing is: when someone sends you a gift horse, of course you don't want to turn it down, no matter what the history books say.
