Sex, Gender, and Christianity Priscilla Pope-Levison

2012-10-08 Should women be priests? Should women submit to their husbands? Is premarital sex okay? Inflammatory questions such as these have splintered Christianity and polarized the church. In *Sex, Gender, and Christianity*, a cadre of seasoned college professors offers the modest proposal that honest, fruitful conversations about these questions will take place only if we develop the ability to deal with sex, gender, and the Christian

faith with the academic rigor and perspectives of our various disciplines. This volume contributes an unprecedented collection of first-rate articles from a variety of disciplines--from the social sciences to history, from literary criticism to theology--that will challenge college administrators, professors, and students to address fractious questions in an atmosphere of scholarly inquiry. Contributors: David G. Allen, Karen Trimble Alliaume, Brian Bantum, Mikee C. Delony, James G. Dixon III, Antonios Finitis, Theresa J. FitzPatrick, Allyson Jule, Patricia O'Connell Killen, Caryn D. Riswold, and Tina Schermer Sellers

God, Sex, and Your Marriage Juli Slattery 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy.

Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.

Sex and the Soul, Updated Edition Donna Freitas 2015 First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

revolutionary Theology of the Body and the book Good News About Sex & Marriage, this program has a two-fold goal: to present a summary of Catholic teaching on God's plan for marriage, and to offer engaged couples practical suggestions for embracing this plan in their own lives. The Holy Father teaches that human life's dignity and balance depends at every moment on ?who woman will be for man and who man will be for woman.? God's plan of life and love is literally stamped in our bodies. Here, you will find a much-needed testimony to the essential interrelation between love, life, and sexuality, and discover how a deep appreciation for this interrelation is the path to a blessed and joy-filled marriage. The Theology of the Body has been called one of the boldest reconfigurations of Catholic Theology in centuries, according to George Weigel, the pope's official biographer. It addresses some of the most fundamental and important questions of human existence, including: Why were we created male and female? Where do we come from and why? What is the meaning of life? How do we experience it? Why is there evil in the world and how do we overcome it? The God's Plan workbook and the DVD series are perfect for Marriage Prep classes or for use as a supplement with an existing Pre-Cana program.

through our sexuality and desire for our sex life? What does covenant sexuality teach us about God's love for us? What does God think about sexual pleasure and playfulness? Is it godly to learn about our bodies? Techniques that enhance pleasure? Are sexual assertiveness and creativity OK with God? God's plan for intimacy and a great sex life can be summarized: An Intimate Marriage + Mature Lovers = A Passionate and Fulfilling Sex Life. Intimate marriages share feelings, attitudes, and touches that draw the lovers closer. There will be differences in marriage, yet we can maintain accepting attitudes and bonding love. Mature Lovers are willing to be vulnerable, sharing our deepest self and receiving the deepest self of our spouse. Intimacy requires us to be willing to adjust, instead of just promoting our own reality. Intimate, mature lovemaking inspires the lovers, both individually and together, to become truly "naked and unashamed." The Human Person J. Brian 2019-03-25 In the 20th Century three social revolutions—the industrial, sexual, and technological revolutions—challenged the religious convictions of many. John Paul II's teaching on the theology of the body was his response to the resulting societal shifts. Fr. Bransfield explores John Paul II's response to the challenges raised by these revolutions. In this context Bransfield then explores how Theology of the Body leads us to live the fullness of the Christian life.

Marriage by the Book Marvin L. Bagent 2018-09-15 Marriage by the Book defines marriage as God defines it. A proper understanding of God's pattern for marriage is paramount to a successful marriage. Marriage is not defined as a contract or a commitment in the Bible, but it is a covenant. This covenant is an agreement to spend life together. It is sealed by God's approval. Roles are played by the husband and the wife in God's plan for marriage. The book explains these roles. Success is the result of playing these roles in marriage. The book covers three danger zones in marriage. If the marriage is to succeed, these danger zones must be managed correctly. These danger zones are communication, money, and sex. The Bible says, "God hates divorce." However, he loves the divorcees. The book addresses divorce and remarriage according to what God says about it in the scripture. Finally, Marriage by the Book addresses how to find a mate. It lists seven deal breakers and seven game changers that will help young single Christian people as they search for a mate.

Choices Stacy Rinehart 1996-03-05 The world says you can have it all--sex without responsibility, relationships without commitment, and easy marriages that are here today, gone tomorrow. The Bible says you can have it all, too--but it gives you the big picture, spelling out the consequences of such choices. Choices reviews many of the principles about relationships in the Bible and shows how to make decisions based on all the information.

God alone is qualified to show you the best way to enjoy the blessed gift of sex. Do you want to know when God wants you to have sex? Do you know why your spouse wants to have sex? The answers to those questions and more will be found in this marvelous book. Frantz Lamour is founder and senior pastor of Holy Church of Grace, a ministry dedicated to preaching the Gospel of Jesus Christ to all souls and to helping believers to maintain a loving relationship with both God and man. Lifelong Love Affair Jimmy Evans 2012-09-01 God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In *Lifelong Love Affair*, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's spiritual, emotional, and sexual needs. God's Plan for You (Revised) David Hajduk 2020-01-04 It's time for an updated, compelling, teen-friendly explanation of God's plan for life, love, marriage, and sex, in light of St. John Paul II's Theology of the Body, and that's exactly what this book provides. This is a useful update to a very popular book that works well for individual reading but also for group study and discussion. It's an excellent resource for youth ministers, catechists, pastors, and parents, as well as a must-read for Catholic teens.

The Bare Facts Josh McDowell 2011-07-01 Sex is everywhere. And misunderstandings about it are even more pervasive.

Whether you have questions of your own and don't know who to ask, or you are being asked questions and don't know where to turn—this small book has the answers. Bestselling author and speaker, Josh McDowell believes that no question is off limits and that knowledge, not ignorance, is the key to youthful purity and a fulfilling marriage and family. This book builds on that approach with relevant, pertinent statistics, entertaining anecdotes, and real stories. This little book will be a very practical tool in the hands of anyone who is struggling, anyone who is curious, anyone who is nervous about asking a "dumb question," and most importantly, anyone who desires to learn how to honor God with his or her body. The Bible is clear on a lot of these issues and Josh's candor (and respect for young people) shines through as he shares these truths about sex. Much like Josh's apologetics books, this book will help equip a skeptical generation with the facts they are sorely missing.

and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your spouse your best friend - and keep it that way. And they know from experience that sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: Should I confess my pre-marital sexual sin to my spouse? Is it okay to have a "work spouse"? What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, Real Marriage is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this book. And discover how God can use it to change your life. Loveology Bible Study Guide John Mark Comer 2014-02-04 In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is a theology of love from God's point of view. The five sessions start with God's design for marriage and works backward, dealing with sexuality, romance, singleness, and what it means to be male and female. Pastor and writer John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world. The Loveology video-based Bible study (DVD/digital video sold separately) is for anyone who wants to learn what the Scriptures have to say about sexuality and relationships and for people who

want to ask the why questions and get intelligent, grace-and-truth answers. As you walk through this five-week study, you will come to better understand what God fully intended back in the garden. By comprehending the brilliance behind God’s original plan for love and marriage and sex and romance—if we can redefine that fuzzy, amorphous, confusing word “love” and look at it through the lens of Jesus—your marriages and relationships will be radically altered as a result. This study guide contains video notes, individual or group reflection questions, and between session personal applications to enhance your journey through the video study. The Stairway To Freedom Bob Sanders 2016-03-01 This book, The Stairway To Freedom, was dictated from the spirit world by The Great White Brotherhood and is a complete primer of esoteric knowledge covering virtually every aspect of a human being’s development whilst here in incarnation and also will see ones life into in the spiritual realms as one progresses towards God. It covers a large gamut of seemingly unrelated topics covering: • Sexuality, • The birth process, • How life develops and is controlled by archangels, • What is God and what God’s Power is, • What our auras are, • How we can develop spirituality, • Diet, • Organising one’s daily routine and a host of other topics. The book cleverly weaves all these, apparently, disparate elements into a cohesive whole so that the student can have a firm grasp on the way that life operates whilst incarnate here on Earth and will help guide one through that life, and also what awaits someone when this incarnation is finished and they return to their true home, the spirit realms. There are also a couple of prayers that were dictated from the spirit world, some guided meditations and, lastly, a number of questions and answers that were asked of the Great White Brotherhood on a variety of topics. Although it is a book on spirituality, it offers a lot of practical information

relevant to the problems that people face in their daily lives. The Brotherhood all had incarnations here on Earth at some stage and so have first hand knowledge of the difficulties that we face. It is not a remote, academic book just dealing with what is God. It is written in simple, if precise, language and all people will find that they can connect to the information presented in the various chapters. As a last point, a great deal of love was put in by the Great White Brotherhood to give us this book and a great deal of hard work was put in by various people to present this to you. It is hoped that the information will change your life.
