

How To Get A Girl Mobile Number

EGirls, ECitizens - Valerie Steeves 2015-04-23

eGirls, eCitizens is a landmark work that explores the many forces that shape girls' and young women's experiences of privacy, identity, and equality in our digitally networked society. Drawing on the multi-disciplinary expertise of a remarkable team of leading Canadian and international scholars, as well as Canada's foremost digital literacy organization, MediaSmarts, this collection presents the complex realities of digitized communications for girls and young women as revealed through the findings of The eGirls Project (www.egirlsproject.ca) and other important research initiatives. Aimed at moving dialogues on scholarship and policy around girls and technology away from established binaries of good vs bad, or risk vs opportunity, these seminal contributions explore the interplay of factors that shape online environments characterized by a gendered gaze and too often punctuated by sexualized violence. Perhaps most importantly, this collection offers first-hand perspectives collected from girls and young women themselves, providing a unique window on what it is to be a girl in today's digitized society.

Style and Intersubjectivity in Youth Interaction - Dwi Noverini Djenar 2018-02-19

This book examines how style and intersubjective meanings emerge through language use. It is innovative in theoretical scope and empirical focus. It brings together insights from discourse-functional linguistics, stylistics, and conversation analysis to understand how language resources are used to enact stances in intersubjective space. While there are numerous studies devoted to youth language, the focus has been mainly on face-to-face interaction. Other types of youth interaction, particularly in mediated forms, have received little attention. This book draws on data from four different text types - conversation, e-forums, comics, and teen fiction - to highlight the multidirectional nature of style construction. Indonesia provides a rich context for the study of style and intersubjectivity among youth. In constructing style, Indonesian urban youth have been moving away from conventions which emphasized hierarchy and uniformity toward new ways of connecting in intersubjective space. This book analyzes how these new ways are realized in different text types. This book makes a valuable addition to sociolinguistic literature on youth and language and an essential reading for those interested in Austronesian sociolinguistics.

For colored girls who have considered suicide/When the rainbow is enuf - Ntozake Shange 2010-11-02

In celebration of its highly anticipated Broadway revival, Ntozake Shange's classic, award-winning play centering the wide-ranging experiences of Black women, now with introductions by two-time National Book Award winner Jesmyn Ward and Broadway director Camille A. Brown. From its inception in California in 1974 to its Broadway revival in 2022, the Obie Award-winning for colored girls who have considered suicide/when the rainbow is enuf has excited, inspired, and transformed audiences all over the country for nearly fifty years. Passionate and fearless, Shange's words reveal what it meant to be a woman of color in the 20th century. First published in 1975, when it was praised by The New Yorker for "encompassing...every feeling and experience a woman has ever had," for colored girls who have considered suicide/when the rainbow is enuf will be read and performed for generations to come. Now with new introductions by Jesmyn Ward and Broadway director Camille A. Brown, and one poem not included in the original, here is the complete text of a groundbreaking dramatic prose poem that resonates with unusual beauty in its fierce message to the world.

Reformed Bad Girl - Shelley Munro

Spontaneity is a serpent, sent to derail a good girl's intentions... A little mistake. Just one reckless blunder, and Hayley Jones finds herself hip deep in man trouble. Very sexy man trouble, it's true, but she has made promises to tread the good-girl line. Conservative. Responsible. Sensible, too. These days, she embraces her life as a secretary and stays in nights to save money. Yet there's something about wealthy businessman Sam Norville that prods her inner imp to mischievous life. A chance meeting, a margarita...okay, three...a

stolen kiss, and suddenly—against every screaming instinct—she's embracing her bad girl persona. Sam, a successful businessman, doesn't believe in love at first sight. Not anymore. For him, involvement with any woman means risking a run-in with the tabloid press. But his mysterious lover keeps him coming back, keeps him prodding her for more...like the truth. Of course it's not love. Heck, no. Sam only does lust. Hayley knows she shouldn't want Sam, especially since she's been economical with the facts. The right thing to do? Shove that naughty bad girl off her shoulder and come clean. But the pesky imp just won't budge... Warning: Contains a gypsy tea leaf reader, a one-night stand, and more secrets and confusion than one can poke a stick at. Sounds like trouble to me...

Unbreakable Bonds - Marlyn Love 2022-04-08

"Sassiness meets protection in a love story." Alisha McQueen, a feisty and independent woman who relies on her stilettos and sassiness to keep her going, is struggling with nightmares and an inability to be close to men after a horrifying attack. When her relentless stalker resurfaces, she yearns for security and sanctuary. In her darkest hour, she turns to Cole Walker, an enigmatic man who becomes both her frustration and unexpected salvation. Cole guards his drama-free existence, shielding himself from the ghosts of his own past. Yet, from the moment they first crossed paths, he has been drawn to Alisha. As she proposes a daring exchange—her assistance to help him bond with his newfound teenage daughter in exchange for the safety of a second apartment he owns—Cole finds himself unable to resist. The deal sparks an uncontrollable passion between them. But as secrets and demons haunt their budding relationship, their love and strength are put to the test.

In her struggle with the four big families in Yuncheng, can Gu Changge shrink back? Will she open her broken heart again? Can she always head off dangers in power struggles? Let's find out if Gu Changge can revenge herself and create glory again.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of

attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Paternity Case - Gregory Ashe 2020-02-01

It's almost Christmas, and Emery Hazard finds himself face to face with his own personal nightmare: going on a double date with his partner—and boyhood crush—John-Henry Somerset. Hazard brings his boyfriend; Somers brings his estranged wife. Things aren't going to end well. When a strange call interrupts dinner, however, Hazard and his partner become witnesses to a shooting. The victims: Somers's father, and the daughter of a high school friend. The crime is inexplicable. There is no apparent motive, no connection between the victims, and no explanation for how the shooter reached his targets. Determined to get answers, Hazard and Somers move forward with their investigation in spite of mounting pressure to stop. Their search for the truth draws them into a dark web of conspiracy and into an even darker tangle of twisted love and illicit desire. And as the two men come face to face with the passions and madness behind the crime, they must confront their own feelings for each other—and the hard truths that neither man is ready to accept.

Introduction to Probability - Joseph K. Blitzstein 2014-07-24

Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

An Irresistible First Love - Harish Kumaraswamy 2019-06-10

First love is unique because it is the most innocent and pure form of love. No matter how hard you try, you will never stop missing your first love. Cupid's arrow struck me through when I first laid my eyes upon her. But, I was not bold enough to strike a conversation with her even though she sits across my bench. Cupid, being a sweet angel, etched out a digital platform (Facebook) for me to overcome my shyness. Are you

curious to know how a friend request to my first love brought us together in life? An Irresistible First Love tells you a story that everyone can relate to.

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

Wrong Number, Right Woman - Jae 2020-09-02

A single text message can change everything! Flirting has never been Denny's strong suit, but so what if she's too shy to ask women out? She's content with her simple life, working as a cashier and helping her sister raise her niece. But then she gets a wrong-number text message from a stranger named Eliza, asking her of all people for dating advice! Eliza is Denny's total opposite: witty, outgoing--and straight. Despite their differences, the accidental text sparks an unlikely friendship. Soon, Eliza--self-proclaimed queen of disastrous first dates--would rather banter back and forth with Denny than to keep trying her luck at online dating. When they meet in person, there's an instant connection. But what Eliza is feeling can't be attraction, right? It doesn't mean a thing that she's starting to wish the guys she dates would be more like Denny. Or does it? Can the wrong number lead to the right woman after all? Wrong Number, Right Woman is a light-hearted, slow-burn lesbian romance that embraces likable characters without all the drama.
