Alcohol, Gender and Culture - Dimitra Gefou-Madianou 2002-01-04

Europeans constitute 12 and a half per cent of the world's population but consume 50 per cent of the recorded world production alcohol, and this consumption plays a significant role in the cultural, religious, and social identities of these countries. The contributors show how different groups define the proper use of alcohol, how State policies may effect drinking behaviour, and highlight how beverages and comestibles must be seen in relation to each other. From this is it shown how important socio-cultural distinctions are made between and within communities, gender relations, ethnic groups, and socio-economic groups, and within religious ideologies; what one drinks, how one drinks, with whom, and where, all influence not how alcoholic substances are regarded but how social relations are experienced. *Alcohol Gender and Culture* clearly demonstrates how the social construction of drinking may provide an analytical tool with which to approach different socio-cultural groups and illustrates how any cultural group can be compared to another by its attitudes to alcohol. It will be invaluable reading for students and

lecturers of anthropology, cultural history and gender studies.

I See Her... - Jerrilyn Black 2022-02-22

When "scars have light and air to breathe / they [begin] to disappear." Jerrilyn Black's extraordinary collection of poems and essays, *I See Her . . .*, is inspired by real stories gathered from twenty-five women, shared vividly in the first person so each reader might see themselves reflected. Through tales of displacement and homecoming, heartbreak and betrayal, forgiveness and the healing power of true love and acceptance, we see how "one minute in life can open a door to a space in your soul that's so big the entire multiverse can pass through it." Even as she draws on women's real life experiences, Black works her creative magic through each line of poetry and prose, allowing these stories to leap to life, leaving us "pining for wide blue skies and those green blades of grass" or picturing "hilltops . . . quilted in delicate snow," hearing the "white noise of blue-green foaming waves." Growing organically out of Black's 2017 Women's Storytelling Project, this hybrid collection teaches us that "not every girl wants to point her toes with precision or wear a

cotton candy tutu. Some of us want to boom and stomp and skat, and HA!" *I See Her . . .* joyfully broadens the collective space we are able to share with each other, inspiring us to be seen as we see and honor one another, teaching us how to truly listen and show up for one another. Though we may at times "walk this earth / as a Goddess / betrayed," Black knows the key to true healing "lives in letting go." In *I See Her . . .* we see our "reflection transformed into a collage of many different faces appearing all at once before coming together as a singular image." While we find many diverse truths within these pages, most of all, we will find ourselves "standing / in the fullness of our power."

My Perfect Life - Katie Efird 2012-04-09

My story is about a senior in high school, named Kennedy Taylor who has to move across the United States halfway through her last year of school due to her dad's job making him relocate. She had a rough time for the first few weeks, fitting in with a new set of people than what she is used to, different from her friends way back home. A few mean girls, especially Adriana who were jealous of her, made life miserable until she meets a guy named Kevin, a guy who is nice on the eyes and everyone's favorite athlete. Emotional and physical pain overruns though. Adriana also happens to be Kevin's ex-girlfriend. Adriana has the ability to turn Kennedy's life into a nightmare. Will Kevin be her knight and shining armor? Will he be the guy he promises to be to her for the rest of high school, or college? What about for the rest of their lives? I am very passionate about the bullying subject; no one has the right to do so, whether it's young as elementary school kids, or as old as people in college. Kennedy goes through some of the everyday pressures you have to go through during your adolescent life. She has her virginity, and her beliefs about abstinence, until she feels like she doesn't want to keep her promise to herself. She lacks the confidence she needs to make some of her dreams come true until a modeling agency likes and accepts her for her, which turns her life around forever. I do believe as the Golden Rule says, Do unto others as you would have them do unto you. Just like Kennedy always believed What goes around comes around.

[Punished By My Boyfriend's Dad](#) - S.E. Law

My boyfriend's even more devious than I thought. He SOLD me to his father, who's a gorgeous, brutal, scary crime lord who wants to punish me for my sins. Taylor: I was fired by Club Z after stealing silver candlesticks from the club. It's wrong, I know, especially since I made off with the candlesticks by inserting them into my two secret spaces. (Oooh, that felt good!) But now, the Club's going to banish me to some godforsaken gulag in the middle of nowhere, and I'm not going. Absolutely not. As a result, my boyfriend says I can hide-out in his dad's mansion to stay low for a while ... but little did I know that candlesticks can also be used as punishment! Roman: My son's girlfriend thinks I'm letting her live with me out of the goodness of my heart. Guess again, sweetheart. Instead, my sniveling, weak-ass son SOLD the curvy girl to me, for a pretty penny too. So yeah, the candlesticks are coming out to play because I want to see what my new houseguest can do ... as Taylor bounces those pretty curves up and down until she's pregnant with my baby! This is a follow-up to Six Months with My Uncle. In this story, Taylor commits the ultimate sin, but the problem is that she secretly (or not so secretly) enjoys being bad. Lucky for her, there's a man ready and able to make sure she gets it exactly the way she likes best, and soon, Taylor and Roman are ensnared in a sexy dance that ends with an unexpected twist. Get ready for faraway lands, a charming (yet sinister) billionaire, and of course, a bouncing baby at the end. No cheating no

cliffhangers, and always a HEA for my readers.

how MEN and WOMEN FIT - christoffel sneijders 2019-07-01

If I asked you how much you really understand your partner, child or colleague, I wonder what would you score on a scale from 1-10. Higher or lower than 8? From all the people I asked, more than 90% scored eight or lower. If you are part of that 90%, then welcome, I'm grateful that you bought this book because this is the perfect read for you. My goal is to get your score to be 9+, and this book will help you do just that! I feel happy to share with you my contribution to impact society in a positive way with the book I wrote: "How MEN & WOMEN FIT, finally understand your partner with The 3 Brains theory". It brings a new way of looking at relationships and how we as men and women can change our understanding & communication and change the world for better. It is based on the 3 brains we have: a Head, a Heart and a Gut brain (based on scientific research). You will discover how our 3 brains determine your and yours partners life and your decisions, your communication and your listening skills. How your head brain provides us with logic and

creativity. With an immense database of all the logical things we have learned so it can do. A better future prediction for us. Our heart brain is the connector with other people and “drive” us with emotions like love, hatred and compassion. It is the “US” brain. Last but not least actually first we all have the Gut Brain; it is in command of our survival and therefore, is able to overrule the other two. It is the “ME’ Brain. My request is if you would join me to broadcast this message, for a better understanding and communication between people, creating more gender equality by transforming masculinity and femininity into the more neutral wording of Head /Gut and Heart Brain behaviour, and send out a signal how we could educate children and people more in a compassionate way instead of bullying or competition. You will find in my book the techniques/tools to communicate and understand the other better; It is based on the 5 reasons why we are stuck in the world we are living in now: Reason One: We misunderstand how our Minds (1 vs 3 brains) Really Work Reason Two: Our Gut and Heart Brain disagree about “ME” and” US” in Making Decisions Reason Three: The Equality Problem: We have been taught to dominate or to submit Reason Four: Gender Stereotypes: The Mars/Venus fallacy, the Hoax of Feminine and Masculine Traits Reason Five: We Underestimate the Power of Trauma/Abuse and Bullying I explain how our 3 brains operate, how you can work with them in yourself and with others, and how our 3 brains develop in children and teenagers and how to deal with that. We can all learn what our preference is, and also recognise which is our partner’s, friend’s, colleague’s or manager’s dominant brain. Even more important we can educate, adjust and align our 3 brains, they are not set in stone. By knowing how your three Brains work, you can create happy, healthy relationships. That is my promise to you. Christoffel Sneijders
