I never gave much thought to having that 'special' someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team's shower room. I went from a carefree bachelor to a fierce protector. Molly Exhausted and scared, I fell asleep in an empty room and came awake to find the gaze of three naked men on me. It turned out I'd found my way into the shower room of the Boston Bay Vikings—I'd never heard of them. However, it was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn't want to leave his side, but I'd learned the hard way that anything good never lasted. How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

An unexpected rescue rekindles an old romance between a single dad widower and a woman caught in a small town scandal that made her flee the one place where she belongs. Can a second chance at first love end in a happily ever after? Luke Luviev has given up on love. Finally ready to let go of his late wife's clothes, the grieving small-town police officer and single dad thinks he's hearing things when he opens the charity box door. Who knocks from the inside of a donation bin? The raccoon he assumes is in there turns out to be way prettier - and very familiar. Rescuing the first girl he ever kissed means life has dealt him a wild card with Kylie Hood, his late wife's best friend who left town suddenly fifteen years ago under a cloud of scandal. Kylie Hood will never depend on a man again. Dumped by her boyfriend and fired by his parents from her children's programming job at their ski resort in rural Maine, she hits rock bottom while throwing out her ex's clothes - along with her phone and car keys. Being rescued by Luke Luviev, of all people, is a gift and a curse. The boy she once loved is now all grown up, everything her ex wasn't - and absolutely off limits.
