*Communion with God - John Owen 2001-11*

Communion with God, or in full, "Of communion with God the Father, Son, and Holy Ghost each person distinctly, in love, grace, and consolation; or, the saints' fellowship with the Father, Son, and Holy Ghost unfolded," is John Owen's finest devotional treatise. This work expounds "the most glorious truth that believers may have distinct communion with the three persons Father, Son, and Spirit," and being addressed to the "Christian reader" is simpler than much of Owen's theology. (Unabridged. Includes all footnotes.)

## **What Type of Christian Are You - Thomas Ernst 2023-02-09**

Did you ever ask God, "What do you want me to do?" Maybe you made some bad decisions in life, and you know God has a purpose for you. Or maybe you have been very successful with everything you've done, but you feel something is missing, and you know God wants you to do something special. So you are alone with God and you cry out to God to tell you what he wants you to do. "Please, please tell me what you want me to do. God, please tell me my purpose." No answer. So you talk to your clergy and ask why God does not answer you. They tell you, "Sometimes God says yes or no, or maybe, the answer is wait." What if the wait is that God answered you, but you did not hear him? Yes, I will say it again, maybe, what if the wait is that God answered you but you did not hear him? Maybe it is your relationship with God? What type of Christian are you? Are you a good sheep who has a strong relationship with God where you attended church and do your daily devotions? Are you a baad sheep (say it like a sheep would baa with a d) who only visits his house on Sunday and don't talk with him during the week? Just think, your strongest relationships in life are not where you spend an hour hearing about someone and you just listening. Also, what is going on with America today? Why is God being pushed out of his country. Yes, God's country. Israel is God's people, but America is God's country. God is on all the documents that make this great nation and on its currency. It is God's country. There is no way we can make America great again unless we turn back to God and work on our relationships with him. Is the chapter of Romans in God's book a warning to America? History does repeat itself. Maybe that is why some organizations want to change America's history and others want God out of this great country. So come with me on this journey to find out what type of Christian you are. Let's find out what type of sheep you are. Let's also find out if Romans, the chapter in the Bible, is a warning to America today.

*5 A. M. with God - Keaires Roberson 2017-11-02*

We can have everything this world has to offer, yet still feel a void deep within us. The beautiful thing is that God can fill every void we could ever have. Life can throw blows at times that make us feel as though we are alone, hopeless, and doomed for disaster. We go through seasons where we lose people we love, jobs we need, and even things that make our lives easier. While we can never live life storm free, the peace of God

allows us to handle those storms a lot better when they come. The peace of God is unexplainable. When it rests on us, we can be in any manner of hell yet still remain calm. The peace of God reminds us that though everything may not be going good, it will work out for the good! Would you like this peace? It can be yours. Put away your checkbook, for this peace cannot be purchased. It can only be attained by spending intentional time in the presence of God.5 a.m. with God is a guide for believers to learn more about God and how to live a life that is pleasing to Him. When we strive to live a life that is pleasing to God, we gain the endurance, peace, and contentment we need to make it through each day. Living a life that is pleasing to God isn't as difficult as it seems. When we spend time with the Father and delight ourselves in His Word, His desires for our lives become our desires for our lives. In His presence, we experience His love. In His Word, we gain knowledge, instruction, and strategy. The only way we can truly be transformed from the inside out is by experiencing His Love, and hiding the truth of His Word in our hearts. For this reason, we cannot overlook the importance of spending time with the Father and reading His Word. The purpose of this book is to encourage you to have a closer, more intimate relationship with God.

**Five People You Need In Your Life** - Oscar Moses 2020-02-17

Establishing Christian relationships within a congregation is important. As a pastor for seventeen years, I have had the experience of observing people, their trends, behaviors, and relationships. I've learned that in many instances, people respond to God and life based on the relationships they have established. It's simple. The people you surround

yourself with will impact you in one way or another. Who you are and where you are right now has been influenced by who you choose to be in relationships with. Our relationships can have good or bad consequences concerning our relationship with God. Let's be clear. You cannot choose your family, but you can choose your friends. Establishing stronger Christian relationships within a congregation is vital to the overall health and mission of a church and to the individual spiritual maturation of its congregants. Relationships are critical, and this book is critical for the church right now. In these perilous times, it becomes incumbent upon the church to take the responsibility of building stronger Christian lives with a biblical worldview of God and relationships to counter the culture of new age religion and relationships. *Five People You Need in Your Life* is a small group study guide that will present five biblical models of relationships that are critical. This book encourages the congregation individually and corporately in 5 areas: Mediocrity in Ministry-Challenge Caring for the Comfortless-Comfort Cheering on the Saints-Celebration Boundaries for Bad Behavior-Correction Connection to the Kingdom Agenda-Covenant *Five People You Need in Your Life* is a great tool for small group Bible study. Each lesson will pinpoint areas where God strategically places people in our lives to make the journey of life more productive for the Kingdom.

*Walking in Love with God* - Jason A De'Angelo 2013-09

This book is a guide to help you in your everyday life to build a strong relationship with God. I go into very deep subjects that most people just wonder about. It is filled with bible verses along with words of wisdom. It is very important to build a strong relationship with God. I am not talking about being in a religion or following their rules and beliefs that they make up or on how they interpret the Bible. I am talking about getting to know God on a daily basis where you can have a personal close relationship with him, and where you can get to know him and what He wants from you. The closer you get to God the more you will experience his greatness for you, as you talk with God you will have a deeper understanding of God. And by making it a habit to talk, pray, and read the bible it will become second nature for you to communicate with God on a daily basis as you build that close relationship with God. As you read this book it will give you insight of ways to build that relationship and restore your life to the way God wants you to be. This book is for everyone whether you are not a Christian yet, a baby Christian, or you have been a Christian for a long time. This book is a guide for you on your journey to connect with God. I have included a Spiritual test so you can find out how strong you are on the gifts that God has given you and where you can ask God for prayer where you need it. I have also included a study guide for you of each chapter to help you increase your knowledge on your journey.

**Love Riot** - Sara Barratt 2020-05-05

Young people are walking away from the church and those still in the church often struggle with indifference about their faith. But it doesn't have to be this way. It's time for a revolution, a holy uprising. A riot. With

passion and authenticity, teen author Sara Barratt calls on her generation to reject apathy and embrace a daring, costly faith. Not content with safe religion that demands nothing of us, Sara shows teens how they can stop giving in to the status quo and devote themselves fully to Christ, following him no matter what their friends do or the culture around them does. She challenges them to give everything over--their comfort zones, their time, their loyalties, their pride--and discover that in losing control they are gaining the life that was meant for them all along. *Love Riot* is a battle cry from one teen to another to embrace a life of wholehearted commitment and relentless abandon for Christ . . . no matter the cost.

*Why am I a Christian?* - Stratford Canning Stratford de Redcliffe (Viscount) 1873

**A Study of Ephesians** - Shante Grossett 2020-10-14

Let's take a deeper look at the foundation of the gospel and how it establishes our identity and empowers us to live the Christian life God called us to.

**I'd Like You More If You Were More like Me** - John Ortberg 2017-10-03

*I'd Like You More If You Were More like Me* takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. *I'd Like You More if You Were More like Me* offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us—so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

*Building Better Relationships* - Bobbie Yagel 1998-10-13

Everyone wants satisfying, intimate relationships, but not everyone agrees on the best way to achieve them. In *Building Better Relationships*, readers go to the source of truth about making relationships thrive: the Bible. This interactive study, ideal for individuals or small groups, starts with the premise that fulfilling relationships with people begins with a right relationship with God. As readers discover, accept and believe who they are in God's eyes, the Beloved, they are empowered and secure to build relationships that flow out of God's love for them. *Building Better Relationships* includes eight weeks of study. Topics include "Loving Our Neighbors," "Honoring One Another," "Handling Confrontation," "Learning to Listen" and much more. Each week's study examines a particular challenge of relationships, digs into Scripture to find out what God's Word has to say about that challenge, offers readers the opportunity to reflect on their own relationships and suggests practical action steps to help readers apply what they have learned.
