*How to Tell If Someone Truly Loves You* - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people

hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*. **Why We Love** - Helen Fisher 2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. Why We Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose

In Mr. Nice Guy Code: The Ultimate Guide To Turning The Friend Zone into Relationship Zone, you will learn why you have been thrown into the friend zone, what you can do to prevent being in that zone and what to do to get out of it if you are already in it so you can get your love interest to see you as a romantic partner and not a friend you have always been to her.

Discover How to Become Better 'Boyfriend Material' For a High-Quality Woman If you don't know how to be a good boyfriend or even how to make a woman fall in love with you (for good), then you probably feel a bit powerless when it comes to understanding women. But if you want to become an irresistible catch to your dream girl, you MUST do least two things: 1. You must become the kind of man she can respect, and...

2. You need to know how to keep her happy in a relationship. Someday you WILL meet that special girl who possesses everything you've ever wanted in a woman. And if she's a high-quality woman, you know...The Total Package, you're probably only going to get ONE CHANCE to impress her. Attracting a Total 10 woman is one thing, but keeping her happy (and well-behaved) in a relationship is a whole different ballgame. You need to know how to keep her interested in you before you meet her, because living with the unforgettable memory of that one great girl you let get away may haunt you for the rest of your life. This is the sad reality that most guys know all too well. How to Make Your Girlfriend Happy and Keep Her Attracted to You Even after you figure out how to get a girlfriend, you must learn how to make your girlfriend happy while in a relationship. Building a relationship with your dream girl is quite different than learning how to attract women, but sadly, most guys fail to make the distinction.
