Sex and the City - Candace Bushnell

2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in

New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

Gendered (Re)Visions - Marion Gymnich 2010-11-17

Basierend auf der Annahme, dass Geschlechterrollen in den letzten Jahrzehnten zunehmend komplexer und differenzierter geworden sind, wird in den Artikeln des Bandes die Konstruktion von Geschlecht in zeitgenössischen Medienprodukten analysiert. Die AutorInnen geben Einblicke in die vielfältigen medien- und genrespezifischen Umsetzungen der Konstruktion, Perpetuierung und Infragestellung von Geschlechterkonzeptionen in audiovisuellen Medien. Dabei betrachten sie das Zusammenspiel der verschiedenen Ebenen, in denen das »gendering« in diesen Medien angesiedelt ist, und nehmen einem zentralen Ansatz des Bandes folgend eine transmediale Perspektive ein. Das Buch soll durch eingehende Analysen populärer Beispiele aus TV-Serien, Filmen und Musikvideos den Blick der LeserInnen schärfen, wie audiovisuelle Medien auf der einen Seite das Bild von »Weiblichkeit« und »Männlichkeit« beeinflussen und auf der anderen Seite gesellschaftlich verankerte Geschlechternormen reproduzieren.

The Carrie Diaries - Candace Bushnell

2010-04-27

The Carrie Diaries is the coming-of-age story of one of the most iconic characters of our generation. Before Sex and the City, Carrie Bradshaw was a small-town girl who knew she wanted more. She's ready for real life to start, but first she must navigate her senior year of high school. Up until now, Carrie and her friends have been inseparable. Then Sebastian Kydd comes into the picture, and a friend's betrayal makes her question everything. With an unforgettable cast of characters, The Carrie Diaries is the story of how a regular girl learns to think for herself and evolves into a sharp, insightful writer. Readers will learn about her family background, how she found her writing voice, and the indelible impression her early friendships and relationships left on her. The Notebook - Nicholas Sparks 2011-04-07
Celebrating 25 years of The Notebook - the classic novel which became the heart-wrenching film. * Once again, just as I do every day, I begin to read the notebook aloud... Noah Calhoun has returned from war and, in an attempt to escape the ghosts of battle, he sets his mind and his body to restoring an old plantation home to its former beauty. But he is haunted by memories of the beautiful girl he met there years before. A girl who stole his heart at the funfair, whose parents didn't approve, a girl he wrote to every day for a year. When Allie Hamilton shows up on his doorstep, exactly as he has held her in his memory for all these years, Noah has one last chance to win her back. Only this time, it's not just her parents in the way - Allie is engaged and she's not a woman to go back on her promises. The Notebook is the love story to end all love stories - it will break your heart, heal it back up and break it all over again. Sex and the City and Us - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of Seinfeldia offers a fascinating retrospective of the iconic and award-winning television series, Sex and the City, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating

stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the New York Observer, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

Sex and the City - Nicole Evelina 2022-11-15
"The television show Sex and the City changed how a generation of women relate to themselves, their friends, and their men. Now, through a careful examination of the characters and the issues the show confronted—from sexuality and feminism to friendship and motherhood—this book reveals how the series impacted viewers from the 1990s to today"--

Savor the Flavor & Get Twice the Luv -

Jamala M. Johnson 2015-01-23
Pink Passion: A ruling passion motivates, pushes, stretches, encourages, inspires and in some instances a ruling passion might even challenge you to reach your full potential. Make no mistake about it, a ruling passion is much different from a goal. In general, a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular

task. Normally, goal setters classify goals into categories, short term and long term. For a tantamount of consumers and shoppers, once a goal is set it stays at the center of attention until the goal is accomplished. Totally different from a goal__putatively, a passion, so to speak, is something that you love to do more than anything else that you do daily. Straight forwardly speaking, when you have a passion it consumes your every thought, it pretty much paints the picture of how you view, see, and live life. A strong feeling, longing, or desire;each of us as consumers and shoppers have different passions__ostensibly, even with the various passions available as choices, some consumers and shoppers have not found their ruling passion, understandably, it could take years before a consumer or shopper stumbles upon their ruling passion. At any rate that you find your passion, a passion or a ruling passion could be just about anything that you love and enjoy to do at home, away from the job, on vacation and during holidays. From shopping to blogging to cooking to singing to acting to dancing, it's what you love to do the most, it's what motivates, pushes, stretches, encourages, inspires, and challenges you, it's your ruling passion. In previous years, I have had a passion to try and do many things. While in college, I rediscovered my passion for the English language and writing. Within the past seven years, I developed a passion for shopping and blogging. 2009, I developed a passion for pink. Along with my passion for pink, I believe my ruling passion is to be an award winning editor and writer.

Veritably, all passions begin with you_if you have found your ruling passion stick with it, share it, and create a niche for your passion. And for the percentage of you (consumers and shoppers) who you havent found your ruling passion, start_right now and start doing what you love and enjoy, it's not too late.
