**The Ultimate Sex Manual** Daniel Marques 2012-05-31 Did you know that 99% of men are bad in bed (by Shawna, Pornstar), that while 75% of men always reach orgasm during sex only 29% of women report the same (by National Health and Social Life Survey), or that, on average, most men last anywhere from two to six minutes in bed (by Endurance Report)? After years examining different information on this subject and after applying it to several different women, there came a time in which, after many of them reveal the exact same thing, such as that most men can't fuck and should be taught how to, the necessity to write this book was very obvious. During the chapters of this book exists a clear guidance into finding horny people, seduce them into bed and fuck them properly, and all in the good Pornstar style. It's in the intent of uniting such people into a fulfilling bound of fun and entertainment while experiencing sex in the most fulfilling way as possible that this book was created. You'll learn how to last more than one hour and even two hours, what to eat, drink and do, to get it, how to fuck with maximum pleasure for your partner and yourself, how to have more fun in sex, how to fuck multiple partners at the same time, and even how to keep lasting relationships with the best sex ever.

**How to Make Money Like a Porn Star** Neil Strauss 2006-09-26 Claudia Corvette. From her tousled bedroom hair to her name—all the porn stars in this world take their names from supermodels and sports cars—she is adult entertainment's prototypical femme fatale. Her life is the collision of countless troubled-childhood clichés and grown-up wet dreams, projected onto her as surely as her videos project their blue light onto lonely men around the world. From its first panel, *How to Make Money Like a Porn Star* draws the reader into the dark world of girls like Claudia, the men who fantasize

about them, and the monsters who control them. In the hands of Rolling Stone writer Neil Strauss and illustrator Bernard Chang, this adult graphic novel weaves together black humor and blacker reality. Like all great American stories, it features humble beginnings, life-changing tragedy, stripping, abuse, implants, fame, addiction, bigger implants, abduction, gunplay, downfall, and even bigger implants. Not to mention a thousand shades of latex and L'Oreal. Part parody, part morality tale, here is the truth about the porn life, its outsized visual splendor captured in a comic parade of doe-eyed centerfolds, its essence distilled in a story that will haunt every reader who has ever wondered where his next fantasy is coming from.

How to Bang Like a Werewolf Kent Lamarc 2015 Did you know that, according to pornstar Shawna, 99% of men are bad in bed? Or that, according to the National Health and Social Life Survey, while 75% of men always reach orgasm during sex, only 29% of women report the same? The Endurance Report says that, on average, most men last anywhere from two to six minutes in bed. Through years examining different information on this subject and applying it to different women, always came a moment in which many of them revealed the exact same thing, saying that most men don't know how to have sex and should be taught how to. They suggested me to write this book to teach them, as every single one of them said that I was the one that knew the most. Therefore, this manual resumes shared information, from words to words and sheets to sheets, as well as skills certified by many women as being the best. And it's also scientifically proven, in the biggest screams of orgasm that I've ever listened, followed by extremely sweating bodies and hands, leaving no space for any doubt regarding the evidences or the possibility of pretending them. This book also provides a clear guidance regarding finding horny women, seduce them into bed and fxxx them properly, and all this in the good pornstar style. But is it possible? Yes, it is. As the sex industry grows by the millions, and the number of women and men that want to be inside movies increases as well, it is clear that everyone has hidden ideas about sexual ambitions and curiosities that, somehow, wish to satisfy. So, it's with the intent of uniting such people into a fulfilling and fun moment with plenty of entertainment that this book was created. There are many books in the market, promoting pathetic wonders, such as lasting in bed for merely 20 minutes, or promoting modern but uncomfortable sex positions, but they are all very far from the value that this book offers, as it is made by a person whose experience clearly goes beyond that, reason why I was always asked by women if I am or have been a pornstar. With me, you'll learn how to last more than one hour and even two hours, what to eat, drink and do to get there how to fxxx for maximum pleasure, for your partner and yourself, how to have more fun in sex, how to have sex with multiple partners at the same time, and even how to keep lasting relationships with the best sex ever.

A Supermodel Saga Monty Schwarzenberg

The Sexualized Body and the Medical Authority of Pornography Heather Brunskell-Evans 2017-01-06 This edited collection examines pornography as a material practice that eroticises gender inequality and sexual violence towards women. It addresses the complex relationship between pornography and medicine (in particular, sexology and psycho-therapy) whereby medicine has historically, and currently, afforded pornography considerable legitimacy and even authority. Pornography naturalises women's submission and men's dominance as if gendered power is rooted in biology not politics. In contrast to the populist view that medicine is objective and rational, the contributors here demonstrate that medicine has been complicit with the construction of gender difference, and in that construction the relationship with pornography is not incidental but fundamental. A range of theoretical approaches critically engages with this topic in the light, firstly, of radical feminist ideas about patriarchy and the politics of gender, and, secondly, of the rapidly changing conditions of global capitalism and digital-technologies. In its broad approach, the book also engages with the ideas of Michel Foucault, particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional, patriarchal discourses and which can be freed from authoritarianism, for example by producing and consuming pornography. In taking pornography as a cultural and social phenomenon, the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine, but also current media scholarship. The 21st century has witnessed a growth in (neo-)liberal academic literature which is pro-pornography. This book provides a critical counterpoint to this current academic trend, and demonstrates its lack of engagement with the politics of the multi-billion dollar pornography industry which creates the desire for the product it sells, the individualism of its arguments which analyse pornography as personal fantasy, and the paucity of theoretical analysis. In contrast, this book re-opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century. Pornography matters politically and ethically. It matters in the real world as well as in fantasy; it matters to performers as well as to consumers; it matters to adults as well as to children; and it matters to men as well as to women.

**How to Make Love Like a Porn Star** Jenna Jameson 2012-05-01 How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

He's also written for The New York Times, WebMD, and provided thought-provoking commentary on NPR's All Things Considered.

**How to Have Sex Like a Pornstar** Scarlett Ryan 2013-08 'How to Have Sex like a PornStar' is a fun, sexy and practical guide to bringing the frolics you may have seen on screen into the intimacy of your own relationship. If you have ever wanted to learn how to deep throat your man, how to make

your woman ejaculate, or even just how to better communicate your sexual needs to your partner, then this guide is for you. Written by a former porn actress with three years' experience at the top of the UK industry, this book also reveals some sexy on-set secrets and busts a few of those porn myths. The manual is divided into two main sections, one for the Studs (him) and one for the Stars (her) and each delivers a unique perspective, as well as being full of tips and tricks to excite your lover. A unique and fresh twist on the traditional sex manual, by an author with plenty of hands-on experience...

*The Ultimate Sex Manual for Women* Daniel Marques 2012-05-31 Did you know that, according to several scientific studies, orgasms can relieve pain? Or, that while 75% of men always reach orgasm during sex, only 29% of women report the same? (by National Health and Social Life Survey) Did you know that, according to the Museum of Sex, the vibrator was originally used as a medicinal treatment for female "hysteria" during the 19th century, as it helped dissipating hysteria's anxiety-related symptoms? This book was a major success when launched for the first time, which proves that this knowledge is as urgently needed as also rare to find. It was written for women and combines the perspective of many that were interviewed for this purpose. As the Sex Industry grows by the millions, and the number of women and men that want to be in Adult Movies increases as well, it becomes clear that everyone has hidden ideas, believes, thoughts, habits and curiosities that, somehow, need to be satisfied. This book was created to promote an uplifting assimilation of all them, by proposing an analysis of sex that is mature, realistic, educational and insightful. Many books in the market, promoting modern but uncomfortable sex positions in order to increase women's pleasure, or showing them how to choose a good sex partner with the wrong rules, are far from the value that this book intends to offer. Here, you'll learn how to last longer, by knowing what to eat, drink and do, how to obtain maximum pleasure, how to have more fun and how to behave with multiple partners at the same time. Nevertheless, it doesn't forget the importance of meaningful relationships and their relation to sex, by describing the significance of its mind healing properties. "Sex is a part of nature" (Marilyn Monroe), "energy" (Beatrice Wood) and "a conversation carried out by other means" (Peter Ustinov).

Secrets of a Gay Marine Porn Star Rich Merritt 2017-05-31 YES, IT ALL REALLY HAPPENED JUST LIKE THIS... Here's the story of Rich Merritt—the good son, teacher's pet, Southern gentleman, model Christian student at Bob Jones University, Marine officer, and the not-so-anonymous poster boy for a New York Times Magazine article on gays in the military—whose complicated sexual past caused an international scandal when The Advocate "outed" him as "The Marine Who Did Gay Porn," putting his life in a tailspin. It's the compelling, poignant story of how a boy who never listened to pop music, never cursed, and didn't have his first drink until he was eighteen exploded into a life of drugs, alcohol, promiscuity, prostitution, and pornography. And above all, it's a triumphant story of self-forgiveness and identity, of a man who refused to allow himself to be defined by the standards of anyone else—gay or straight. Along the way, Rich Merritt writes with humor, compassion, insight and naked truth about: • What it's really like growing up behind the "Fortress of Fundamentalism" and how he ultimately came to despise their views • The harsh realities of military life under the "Don't ask, don't tell" Clinton policy • A real insider's experience of working in the male porn industry—the good, the bad, and the extremely hot • Why he chose not to reveal his porn past to the New York Times journalist • What it felt like to be the most notorious marine in the world and what it took to come through the fire By turns harrowing and heartbreaking, angry and affirming, *Secrets of a Gay Marine Porn Star* is that rarest of memoirs—a fascinating slice of life that reads like the most absorbing fiction, but is all true.

About the time Rachel starts getting to know Lee, though, the music video is released with disastrous results. Her record label, hell bent on cleaning up the image they've created, doesn't want her anywhere near Buck Harder. Thanks to Rachel's ironclad contract, they have the power to keep them apart. And when the truth comes out, she'll have to choose: the career she's vowed not to lose again, or the man can't help falling for? This 75,000 word novel was previously published.

Want Me Tracy Clark-Flory 2021-02-16 A NEW YORK TIMES "NEW & NOTEWORTHY" BOOK | A BUSTLE "MOST ANTICIPATED BOOK OF 2021" | ONE OF PUREWOW'S "BOOKS WE CAN'T WAIT TO READ IN FEBRUARY" | VANITY FAIR'S "THE BEST BOOKS TO BUY THIS VALENTINE'S DAY" "Want Me is complicated, fun, shocking, and heart-warming all at once." —Jessica Valenti, New York Times bestselling author of Sex Object "Intimate, challenging, and so very smart. Want Me is a gift." —Rebecca Traister, New York Times bestselling author of Good and Mad Tracy Clark-Flory grew up wedged between fizzy declarations of "girl power" and the sexualized mandates of pop culture. It was "broken glass ceilings" and Girls Gone Wild infomercials. With a vague aim toward sexual empowerment, she set out to become what men wanted—or, at least, understand it. In her moving, fresh, and darkly humorous memoir, she shares the thrilling and heartbreaking events that led to discovering conflicting truths about her own desire, first as a woman coming of age and then as a veteran journalist covering the sex beat. Tracing her experiences on adult film sets, at fetish conventions, and during an orgasmic meditation retreat (to name just a few), Clark-Flory weaves in statistics and expert voices to reckon with our views on sexual freedom. Want Me is about looking for love, sex, and power as a woman in a culture that is "freer" than ever, yet defined by unprecedented pressures and enduring constraints. This is a first-hand example of one woman who navigated the mixed messages of sexual expectation, only to discover the complexity of her own wants and our collective need to change the limitations of that journey.
