Star signs and one minute towards a dead-end relationship, attempts to address all the signals that usually tell us that a relationship will not be successful any time we meet a potential lover. This will help us know when to apply the breaks. He or she who acquires this book will be in the position to embrace some of the notable signs which will expose possible love rats, wrong partners, wrong marriages, a treasure hunter, gold diggers or people who are out there to settle some scores towards the opposite sex due to a number of failed relationships. The relationship game is a cut and throat business which must be taken seriously.

Ignorance of some of the signs uncovered by the author can possibly lead us towards a lot of failed relationships which will subsequently affect our

future happiness. The obvious consequences of failed relationships are heart breaks, nervous break down, difficulty to love again, hatred of the opposite sex, loneliness, suicidal tendency and so on. Wouldn't it make more sense for us to trade carefully in this relationship game and avoid making the same mistake all over again. The signs of a possible dead-end or unhealthy relationship tend to manifest during the initial meetings with possible lovers, however these signs are usually overlooked. We must task our self during our initial encounters with potential lovers to avoid falling in love with the wrong person. The probability of a relationship failing when we meet a potential lover is a lot higher than the relationship becoming successful and this means that we must trade cautiously to avoid being the victim. Some of the signs uncovered by the author will be of immense benefit in helping some of the readers in making the right decision, particularly ensuring that the probability of success will be a lot higher than failure.

End A Bad Relationship Is Not for the Weak - W E LaVigne
2019-07-13

The Best Love Choice in Your Eyes Is Not Absolutely the Best Option in God's Opinion What are the subtle signs of a bad or wrong relationship? It's hard to tell whether a man loves you or not. But it's quite easy to tell whether he cherishes you or not. Does the public crowd assume that every woman is supposed to find their Mr. Right in their 1st marriage? The abominable fact is that the mainstream public are educated to harden against people who fail to find their Mr. Right smoothly in the route of love. Ending an unhealthy or abusive marriage is absolutely a wise, valid and justified decision. If people need to boost their courage to end a bad love relationship, there must be something wrong with the society. Social prejudice is much like bad airs that people breathe it without awareness. Divorce is not for the weak. Nevertheless, as you allow yourself to stay in a toxic or loveless marriage, you murder every possible chance of happiness in the future. In Christian teachings, there are seven deadly sins and pride is one of the capital vices. Pride and prejudice are package deals. Prejudice is but another form of bullying and persecution. Those who stigmatize divorce are the culprit to imprison women in toxic marriages. Every single love relationship is just an experiment in life. Divorce should be interpreted as an after-marriage breakup. Say goodbye to Mr. Wrong or Mr. Abusive, so you earn the chance to embrace your Mr. Right in the future. Life is full of blessings and miracle is choose to stay positive. Never loss hope in the future.

How To Leave A Toxic Relationship - Bradley Bedell 2021-04-14

Letting go of a toxic relationship can be one of the hardest things for anyone to do. Toxic relationships take a toll on you, at every level. And every step of this journey is hard. (Necessary, meaningful, and empowering... but hard). Letting of a toxic relationship often starts with people working to improve their relationships. However, if your relationship is truly toxic, it is unlikely to be healed in marriage counseling or couples therapy. Instead, you'll continue to feel frustrated, hurt, angry... and then elated when it seems like your partner is finally hearing you and caring about your feelings... only to be crushed when they disappoint you again. In this story, the author shows how she freed herself from a toxic relationship. When Florence stops feeding Daniel's

thirst for her money, he makes an excuse to leave but invites her to come and stay with him at his house in New York. Even though Florence knows

exactly what he is, and the game he's playing, she has a plan to get some of her money back and takes him up on his offer. Hidden inside his house is something of value and she is determined to find it.
