For Woman's Love - Emma Dorothy Eliza Nevitte Southworth 2022-09-15

'For Woman's Love' is a romance novel written by Emma Dorothy Eliza Nevitte Southworth. The lead character of the book is Cora Haught, an orphan with some fortune to her name. After their parents' death, she and her brother were brought up by their grandfather, Aaron Rockharrrt. And so begin the tale of their life in that glorious day in June, where a long, deep, green valley lay low between two lofty ridges of the Cumberland mountains, running north and south for ten miles, and near the boundary lines of three States. This lovely vale was watered by a merry, sparkling little river called the Whirligig, which furnished the power for the huge machinery of the great firm of Rockharrrt & Sons, proprietors of the Plutus iron mines and the North End foundries, which supplied the mighty engines on the great lines of railroad from the East to the West, and whose massive buildings, forges, furnaces, store-houses and laborers' cottages occupied all the ground between the foot of the mountain and the banks of the river, on both sides of the Whirligig, at the upper or north end of the valley, where a substantial bridge connected the two shores. This settlement, called, from its position, North End, was quite a thriving little village. North End was not only blessed with a mission church, having a schoolroom in its basement, but it was provided with a post-office, a telegraph, a drug store, kept by a regular physician, who dispensed his own physic (advice and medicine, one dollar), and a general store, where everything needed to eat, drink, wear or use (except drugs), was kept for sale.

God Loves You - Thomas Franckowiak 2012-04

Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift. Often He has blessed you with many more. His gift of love to you, however, is the most precious of them all. If godly love is your one talent, it is yours to continually refine throughout your life. In order to continually grow in godly love, God's Word must be your road map. God Loves You: Notes of His Love unearths truths about your Heavenly Father's love from Paul's description of godly love in his first letter to the Corinthians. In his letter he reveals its seven qualities. You will find in God Loves You: Notes of His Love that each chapter is dedicated to studying a quality of love. As you study each chapter you become a student of God's love. You investigate for yourself how to live an entire life of continual growth in ever-abounding love for your Heavenly Father God, your dear ones, and all humanity. After you devote your entire life to successfully studying and living godly love, you will appear before your Heavenly Father God. When He sees your soul beaming the seven qualities of godly love, He will tell you "Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your Master's happiness!"

Me's Loves You's: The Fool's Way to a Woman's Heart - Dan Herman Meckenstock 2006-03

Its light, whimsical, nonsensical verse is reminiscent of Ogden Nash. Me's Loves You's is a love story told in a set of 42 delightful poems and 19 cartoons. Me's, who narrates the story, is trying to win the heart of You's, the object of Me's desire. You's lives far way so Me's courts You's through letters. Who knows, maybe Me's is your alter ego looking to spice up your life. Regardless, Me's will make you laugh outloud as Me's wins your heart. Ah, to have a lover like Me's.

How to Tell If Someone Truly Loves You - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Why We Love - Helen Fisher 2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. Why We Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, Why We Love offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.
