It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate,

Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all

the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. **How the fuck I do forget you. Wake up happy again -**

Rodrigo Romojaró

It's an informal book; I will call you an asshole, we will talk about Tinder, jealousy, other girls, getting drunk to forget and making her feel sorry for you by sending her messages, groveling or even going over to her house with flowers like an imbecile. I'll try to touch your pride to make you react. I will make an "over my dead balls is this going to go on like it is now" come out of you. Before you even buy the book, you should know that you will only get out of this shit on the base of pride and self-love, putting your well-being above all else. And you will realize that it's not selfishness, but rather on the contrary: to love others, you first have to learn to love yourself. It's a short book and quick to read; I don't want to annoy you with words. It's not about entertaining yourself on a long trip where you don't know what to do. It's a manual of steps to follow in order to be happy and you will read it in a good mood and smiling. Believe

me that if you follow everything in the book to the letter, you will soon recover and you will do so in a healthy manner and having learned a lot to continue being happy in the future.

get quality matches on dating apps, or learn how to avoid the “friend zone,” Dating Sucks, but You Don’t is your step-by-step blueprint for landing your soulmate. Using the power of “radical authenticity,” you’ll unlock your most awesome self and learn how to: -Be magnetic as you...even if you’re not rich, tall, or great-looking -Always know what to say to ignite chemistry -Get dates and connect with great women without using creepy “pickup artist” tricks -Conquer fear and anxiety and confidently approach women (in a way they love) -Get great matches and dates on Tinder, Bumble, Match, Hinge, or any other dating app -Be a true gentleman of the #MeToo era who respects women and understands the boundaries surrounding consent -Create a healthy, supportive relationship with someone who loves you for you You definitely don’t suck. And when you have total self-confidence and great results, neither does dating. Tinder Translator - Aileen Barratt 2022-10-05

The Tinder Translator is a dictionary of douchebaggery for the modern dater - and a hilariously sharp read for all feminists - from Aileen Barratt of @tindertranslators. A fun small hardback, it is the perfect gift for friends (or for yourself), and will make you laugh, cry, think, and leave you feeling empowered and resilient. Ten years after the introduction of Tinder, dating apps have changed the terrain of human interaction, but many feel like they've been sent into the wilderness without a guide. For those dating cis-het men especially, the blatant misogyny encountered during every swipe session is depressing and enraging in equal measure. And then there is the not-so-blatant stuff. Scrolling through profile after profile, you'll see the same stock phrases - 'Good vibes only.' 'Must have banter.' 'Just ask.' But what do they actually mean? The Tinder Translator, aka Aileen Barratt, takes you through an A to Z of terminology that permeates not just the dating world but the

wider world. Through her Instagram account, Aileen has heard from thousands of people on their dating experiences, in addition to her own three and half years spent on dating apps after separating from her husband of ten years. This book is part reference, part rant and part rallying cry for anyone navigating the sometimes gross and exhausting experience of dating, but also just for everyone who is sick of the patriarchy, whatever their relationship status.

**The Guyde** - Howie Reith  
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean

cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal

tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's

perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
