Texting Women - Cristiano Marquez 2019-11-22

If you are reading my book's description it's because maybe you are
 having trouble finding a girlfriend, isn't it? It's likely that among the
 photos you posted online there isn't one in which you look like Leonardo
 di Caprio and that you think physical appearance is the only way to
 impress woman. Or maybe your girlfriend never texts you until you do,
 and when she answers, hours later, it's with a simple or . Or perhaps
 you're one of those guys who's convinced he can get the attention of a
 beautiful girl by simply texting her " Hi! " or " Hey! "? I guess I must give
 you a hint then, pal: Women are different from men! And naturally, they
 think differently, they love differently! And this is because before loving
 with their body women always love with their mind... In my book,
 "Texting Women", I give you the right tips, quick and simple, to learn
 everything there is to know about texting a woman, and especially to
 understand how to get the timing right. In your opinion, what's every
 man's main goal when texting a woman he likes? Easy! That she always
 texts him back - the sooner the better - and eagerly! But clearly, to be
 able get there one must study the method and train hard - as if it were a
 physical activity - and put all of the following steps into practice:
 Mindset: work on yourself. Remember how as a child you were told to
 always be yourself? Well, forget that! Unless you want to die alone... The
 thing is, there is no "self". Which self? There can be many different
 selves, you can be whatever you want, you can improve: To manipulate
 girls, first you must be able to manipulate yourself. Skills: The main skill
 consists in figuring out who is the girl you're writing to, what she likes,
 what language frequencies she travels on. By doing that, you will be able
 to become the mirror in which she sees herself, and in you and in your
 texts she will recognize a part of herself and of her mind. Techniques:
 The right techniques allow you to seduce girls by doing nothing, you
 have to get to the point where, whatever you write them, they start
 answering with long messages, as if they were talking about themselves
 with a psychologist. This way girls feel like they're seducing themselves
 with their own mind and will increasingly feel the need to answer your
 texts. Secrets: once you have completed all the previous steps, you
 should not be in a hurry to meet or see them, enjoy the moment and let
 them stew in their own juice. Raise the conversation's level by talking
 about spicy stuff, that's when they'll go crazy, and that's how when you'll
 see them in person they will already be completely obsessed with you
 and they will be yours. In the end it's going to be you the one not texting
 them back.

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.
