*The Midnight Girls* - Alicia Jasinska 2021-11-30

'A magical, immersive and feminist fantasy - I wanted it to last forever.' - New York Times bestselling author, Amie Kaufman  
Karnawal season is a time for mischief and revelry. For the next few weeks, all will be wintry balls, glittery disguises, and nightly torch-lit sleigh-parties. But unknown to the merrymakers, two uninvited girls join the fun, descending upon the royal city of Warszów in the guise of two innocent girls. Zosia and Marynka are drawn to each other the moment they meet - until they discover they're rivals, who both have their sights set on the prince's heart. If one consumes a pure heart, she'll gain immeasurable power. Marynka plans to bring the prince's back to her patron

in order to prove herself. While Zosia is determined to take his heart and its power for her own. Their ambition turns into a magical contest with both girls vying to keep the prince out of the other's grasp, even as their attraction to one another grows. But their attempts on his life draws the attention of the city that would die for him, and suddenly their escalating rivalry might cost them not just their love for each other, but both their lives. 'Alicia Jasinska is a master of dark, atmospheric fantasy. *The Midnight Girls* reads like a modern-day Grimms' fairytale with a dash of historical fiction and a compelling Sapphic romance. I loved the unique magic system, the wintry world, the fragments of Slavic folklore. It's evocative and enchanting, and it completely

swept me away.' Tobias Madden, author of *Anything But Fine*

instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success

is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive

to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

"A beautiful, poised, and thought-provoking debut about love, loss, coming out, and discovering living life on your own terms." —New York Times bestselling author Kathleen Glasgow There are two things that Corinne Parker knows to be true: that she is in love with Maggie Bailey, the captain of the rival high school's cross-country team and her secret girlfriend of a year, and that she isn't ready for anyone to

know she's bisexual. But then Maggie dies, and Corinne quickly learns that the only thing worse than losing Maggie is being left heartbroken over a relationship no one knows existed. And to make things even more complicated, the only person she can turn to is Elissa—Maggie's ex, and the single person who understands how Corinne is feeling. As Corinne struggles to make sense of her grief and what she truly wants out of life, she begins to have feelings for the last person she should fall for. But to move forward after losing Maggie, Corinne will have to learn to be honest with the people in her life...starting with herself.

In exchange for keeping her secret, Darcy begrudgingly agrees to become his personal dating coach. The goal? To help him win his ex-girlfriend back. Darcy has good reason to keep her identity secret. If word gets out that she's behind the locker, some things she's not proud of will come to light, and there's a

good chance Brooke will never speak to her again. Okay, so all she has to do is help an entitled, bratty, (annoyingly hot) guy win over a girl who's already fallen for him once? ### **The Lost Girls: A Vampire Revenge Story** - Sonia Hartl 2021-09-14

Getting over Your Vampire Ex is as Easy as Killing Him and Stealing His Girlfriend Holly Liddell has been stuck with crimped hair since 1987 when she agreed to let her boyfriend, Elton, turn her into a vampire. But when he ditches her at a gas station a few decades into their eternity together, she realizes that being young forever actually means working graveyard shifts at Taco Bell, sleeping in seedy motels, and being supernaturally compelled to follow your ex from town to town—at least until Holly meets Elton's other exes. It seems that Holly isn't the only girl Elton seduced into this wretched existence. He turned Ida in 1921, then Rose in 1954, and he abandoned them both before Holly was even born. Now Rose and Ida want to kill

him before he can trick another girl into eternal adolescence, and they'll need Holly's help to do it. And once Holly starts falling for Elton's vulnerable new conquest, Parker, she'll do anything to save her. To kill Elton for good, Holly and her friends will have to dig up their pasts, rob a bank, and reconcile with the people they've hurt in their search for eternal love. And to win the girl, Holly will have to convince Parker that she's more than just Elton's crazy ex—even though she is trying to kill him.

magician father is vicious, and her silent heart has never beat with love for anyone—has never beat at all, in fact, but she'd always thought that fact normal. She never guessed that her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother. Fifteen-year-old Lynet looks just like her late mother, and one day she discovers why: a magician created her out of snow in the dead queen's image, at her father's order. But despite being the dead queen made flesh, Lynet would rather be like her fierce and regal stepmother, Mina. She gets her wish when her father makes Lynet queen of the southern territories, displacing Mina. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do—and who to be—to win back the only

mother she's ever known...or else defeat her once and for all. Entwining the stories of both Lynet and Mina in the past and present, *Girls Made of Snow and Glass* traces the relationship of two young women doomed to be rivals from the start. Only one can win all, while the other must lose everything—unless both can find a way to reshape themselves and their story.

**Girls at the Edge of the World** - Laura Brooke Robson  
2022-05-24

Set in a world on the edge of an apocalyptic flood, this heart-stoppingly romantic fantasy debut is perfect for fans of Rachel Hartman and Rae Carson. In a world bound for an epic flood, only a chosen few are guaranteed safe passage into the new world once the waters recede. The Kostrovian royal court will be saved, of course, along with their guards. But the fate of the court's Royal Flyers, a lauded fleet of aerial silk performers, is less certain. Hell-bent on survival, Principal Flyer, Natasha Koskinen, will do

anything to save the flyers, who are the only family she's ever known. Even if "anything" means molding herself into the type of girl who could be courted by Prince Nikolai. But unbeknownst to Natasha, her newest recruit, Ella Neves, is driven less by her desire to survive the floods than her thirst for revenge. And Ella's mission could put everything Natasha has worked for in peril. As the oceans rise, so too does an undeniable spark between the two flyers. With the end of the world looming, and dark secrets about the Kostrovian court coming to light, Ella and Natasha can either give in to despair . . . or find a new reason to live.

### **Tell Me Again How A Crush Should Feel** - Sara Farizan

2014-10-07

And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.
