Imperfect Love Story - Rachael Brownell 2019-10-21

What if you were given a second chance at finding true love? Would you take it? 5... The number of guys I've dated since college.4... The number of times I knew it wouldn't work out.3... The number of years I had given up on finding someone to share my life with.2... The number of months since I fell in love.1... The number of men who have the power to destroy my heart.From the moment I first laid eyes on Adam, I knew I was in trouble. There was a tension between us, a chemistry I couldn't deny. The way he was looking at me, as if he could see straight into my soul, sent my heart into overdrive.After an hour together, I knew. He was the one. The one who would make me want to change everything.And he did.His love and two tiny pink lines were about to change my entire life.

Imperfect Love Story - Rachael Brownell 2019-08-16

What if you were given a second chance at first love? Would you take it? 5... The number of years since I've been home.4... The number of people who know my secret.3... The number of times I attempted to move on.2... The number of months I spent crying after I left.1... The number of men I'll love in my lifetime. They say everyone has one true love, one person who was made just for them. A person they were meant to spend the rest of their life with.For me, that person was Wyatt. Our love was perfect. When we were together, nothing else mattered. Not college. Not our parents. Because our relationship wasn't about anyone else. We had big plans for our future together.The thing about life... it doesn't always go as planned.

**Imperfect Love** - Melissa Schroeder 2023-02-10

Join the residents of Juniper Springs as the creator of the Juniper Springs Express goes up against everyone's favorite O'Bryan sister, Avery! When I came to Juniper Springs, I didn't think I would stay, but the town's insanity got it's hooks in me. I mean, they have GAY DUCKS. And of course, I love the LOLs (Little Old Ladies). I fell in love with the residents. So when Jon Howard shows up accusing me of stealing his house, I declare war. It's easy at first. He likes spreadsheets and schedules. Order is the name of the game for my nemesis. I like to go with the flow and prefer sugary cereal for breakfast over egg whites. Sure, it's hard to ignore those blue eyes and his amazing body, not to mention that fact that he smells like hot guy heaven. Also, he sees beneath the funny facade I show everyone. And the kiss he gives me? Brain scrambled. When he can quote Taylor Swift lyrics to me...I start falling hard. But I know that I'm not built for a long relationship, especially with a man who likes to keep everyone on schedule. I'm always too loud, too unorganized, too...everything. So while I know I might be falling for him, I know this has one outcome:

disaster. Only, this time, I'm not sure my heart will survive the implosion. Author Note: Hey, readers! It's time to grab your white wine, complete with ice cubes, and snuggle in for another Juniper Springs romance. There's visits from old friends, references that Swifties will completely understand, and two amazing cats to fall for. Avery O'Bryan is about to teach Jon Howard that love doesn't have to be perfect to last a lifetime.

Going Deep - Nikki Ash 2019-03-11

\*Standalone enemies-to-lovers football romance\*Going deep: In football it means running down the field for a long pass. You're serious. Committed. Unstoppable. As a wide receiver, it's a term I'm all too familiar with. It's who I am, at least when it comes to my career. For the past decade, football has been the only thing I've allowed myself to commit to. That is until a beautiful, blue-eyed temptress steps into my limo to escort me to a charity function. She's strong, independent, and quick witted. Everything I want in a woman. There's just one problem. She's not mine for the taking. But that's not going to stop me from winning her heart. I'm in deep with this woman. I'm running down the field with my arms and heart open, ready for the catch. Now all I need is for her to throw the ball.

The Pickup - Nikki Ash 2019-01-08

Somebody once said we don't decide who we love. The world decides for us. But I disagree.I believe love is a decision.Who we love, how we love.It's in our control--in our hands.I grew up having no clue about the true meaning of love. Money. Cars. Houses. Status. Fame. That's what love means to the people around me.It wasn't until the woman I picked up in a bar came back into my life and showed me love can be so much more.So, what's the problem?The woman I'm falling in love with believes in fairytales. She compares everything to a storybook and wants the happily-ever-after.So while she's stuck on recreating stories that have already been told, page by page, I'm showing her it's time we write our own book.Nobody ever said the journey of falling in love would be easy, just that it would be worth it. \*The Pickup is a standalone sports romance\*

**IMPERFECT LOVE STORY.** - SHAGUFTA. KHAN 2019

**Perfect Love, Imperfect Relationships** - John Welwood 2005-12-27

While most of us have moments of loving freely and openly, it is often hard to sustain this where it matters most—in our intimate relationships. Why if love is so great and powerful are human relationships so challenging and difficult? If love is the source of happiness and joy, why is it so hard to open to it fully and let it govern our lives? In this book, John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives. Perfect Love, Imperfect Relationships begins by showing how all our relational problems arise out of a universal, core wounding around love that affects not only our personal relationships but the quality of life in our world as a whole. This wounding shows up as a pervasive mood of unlove—a deep sense that we are not intrinsically lovable just as we are. And this shuts down our capacity to trust, so that even though we may hunger for love, we have difficulty opening to it and letting it circulate freely through us. This book

takes the reader on a powerful journey of healing and transformation that involves learning to embrace our humanness and appreciate the imperfections of our relationships as trail-markers along the path to great love. It sets forth a process for releasing deep-seated grievances we hold against others for not loving us better and against ourselves for not being better loved. And it shows how our longing to be loved can

magnetize the great love that will free us from looking to others to find ourselves. Written with penetrating realism and a fresh, lyrical style that honors the subtlety and richness of our relationship to love itself, this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world.
