

# In Love And Warcraft

**Weapons and Warcraft** - Margaux Baum 2016-12-15  
Beyond the chivalry and adventure often presented in fictional works, the medieval era was marked by frequent military conflict. The tools for war employed by soldiers, knights, archers, and other combatants on the battlefield and in bloody sieges are richly rendered in this book. This title explores the use of cavalry, castle fortifications, and military tactics, and it is illustrated with imagery sure to underscore the immediacy and harshness of conflict. Readers will be drawn in by the romance and adventure of the era, even as the book soberly relates the very real circumstances of brutal medieval warfare.

### **The Harry Potter Generation**

- Emily Lauer 2019-03-27  
The generation of readers most heavily impacted by J.K. Rowling's Harry Potter series--those who grew up alongside "the boy who lived"--have come of age. They are poised to become teachers, parents, critics and writers, and many of their views and choices will be influenced by the literary revolution in which they were immersed. This collection of new essays explores the many different ways in which Harry Potter has shaped this generation's views on everything from politics to identity to pedagogical spaces online. It seeks to determine how the books have affected fans' understanding of their place in the world and their capacity to create it anew.

beautiful reminder that we are a community to be reckoned with, and that there is an abundance of vital narratives awaiting a larger audience. While there remains a great deal of work to be done to reach racial and gender equity in the theater, the powerful and provocative writing presented here is part of the inciting incident that will no doubt shake up the status quo."

—Lynn Nottage, from her Foreword  
The Kilroys are back with a new collection of 67 monologues and scenes by women and nonbinary playwrights. This collection includes a monologue or scene from each play from the 2016 and 2017 editions of The List.

**Sex and Gender in World of**

**Warcraft** - Cherie Todd 2015

**Fierce Paxton** - Linzi Basset  
2023-02-28

My name is Paxton Lee, an educated forty-two-year-old widow. But don't let my age fool you. I can give any twenty-five-year-old a run for her money. I have one weakness... stiletto heels. The Red Reign PI Agency is my baby and I take pride in our successes. We're batting a 1000, but here's the rub. Lately, the most irritating Black Ops Commander, has been sticking his nose where it doesn't belong. I was one of three women who completed Army Ranger Training and deployed with the 75th Ranger Regiment in Iraq. All modesty aside, I am one badass Ranger. You should see the fruit salad on my left breast. I spent 165 days under fire so, if you're wondering, I can measure dicks with the best of them and yet, this delusional man insists I need his protection. It's time to set him straight. My name is Jared Bates. I'm a divorced, forty-eight-year-old man in a thirty-year-old body that

women salivate over. No boast. Well, maybe just a bit. If ya got it, flaunt it, is my credo, not that I pay much attention to that. Yeah, I've chased a lot of booty. Have had my fair share of it, too. Got lucky on many occasions. Then, there are the ones that have stayed just out of reach, like the boss of the Red Kitties agency. Now, she just triggers the devil inside me. Anyway, I'm in charge of a covert Black Ops group called, The Cobras. We operate under our own flag and only take the jobs that fit our standards—legal and moral, even though the two aren't synonymous. Trying to bring down one of the five Mafia families in the U.S. is next to impossible. You cut off the head of one capo di tutti capi and two new ones grow back. These families have histories that go back to the sixteenth century. The Sicilian Cosa Nostra, the Ndrangheta of Calabria and the Camorra of Naples. Ancient, all of them, with an almost inhuman ability to survive. So, now the Kitties of the Red Reign PI Agency are nosing in on our territory and

interfering. Things are getting dangerous, especially since that sassy Miss Lee refuses to back down. It's time to set her straight. EDITOR REVIEW: Linzi Basset has aced it again. The seasoned raconteur has just penned another ripper. This time, she sucks us in with a female protagonist who pulls no punches when it comes to Love and Warcraft. Get ready to meet a hellion and veteran warrior who will give no quarter but has a heart of gold. It's all in here, splashed with carnality and suspense and peppered with a woman's genius for sarcasm, subtly, and wit. This one is a barnburner with a twist.

*Theater of Lockdown* - Barbara Fuchs 2022-10-20

and a framework for thinking through theater's transformation. Though born of necessity, recent productions offer a new world of practice, from multi-platform plays on Zoom, WhatsApp, and Instagram, to enhancement via filters and augmented reality, to urban distanced theater that enlivens streetscapes and building courtyards. Based largely outside the commercial theater, these productions transcend geographic and financial barriers to access new audiences, while offering a lifeline to artists. This study charts how virtual theater puts pressure on existing assumptions and definitions, transforming the conditions of both theater-making and viewership. How are participatory, site-specific, or devised theater altered under physical-distancing requirements? How do digital productions blur the line between film and theater? What does liveness mean in a time of pandemic? In its seven chapters, Theater of Lockdown focuses on digital and

distanced productions from the Americas, Europe, and Australia, offering scholarly analysis and interviews. Productions examined include Theater in Quarantine's "closet work" in New York; Forced Entertainment's (Sheffield, UK), End Meeting for All, I, II, and III; the work of Madrid-based company Grumelot; and the virtuosic showmanship of EFE Tres in Mexico City. Three Kings - Stephen Beresford 2020

When Patrick is eight years old, his absent father returns unexpectedly for a brief but memorable encounter. Years later - recalling that meeting, and the revelations that followed - Patrick traces the events of his father's life, laying bare a journey of grandiose plans, aching disappointments and audacious self-delusion. Three Kings by Stephen Beresford is a heartbreaking and hilarious play for a solo actor about fathers and sons, the gifts and burdens of inheritance, and the unfathomable puzzle of human relationships. It was written for
