Friends are very much important and good

friends are rare to find. Better keep your friendship forever.

Cougar Dating - Jackson Sparks 2015-02-06
In today's dating scene, all is fair in love and attraction. We are no longer living in times where you can only date certain people of a particular race, social class, economic standing, or educational background. Yes, even gender and age are now subject to our own tastes and preferences! For an older woman, dating younger men promises fun and adventure in more ways than one. Beyond the obvious advantages, a young man sees the world with fresh eyes that can influence you to take a different perspective on life. Not to mention, younger men will certainly be youthful, energetic, and lively - both in and out of the bedroom. They will also be more receptive to (some will even ask for) you taking the reins in the relationship every now and then. Sounds pretty good, doesn't it? But on the other side of the coin, what's in it for them? And what does it

The Old Woman Tales - Miriam Jacobs
2009-10-15

I found the tales to be inspirational, deeply moving and truly of a healing nature. They seem to bring a sense of peace to the reader. Debra A. Hendron, M.Div., CASAC As recently as a few hundred years ago, we lived in close-knit communities and our lives revolved around our extended family and the changing of the

seasons. Our modern life gives us many more options, but it also creates an alienation that leaves us yearning for meaning and connection. The Old Woman Tales, by Miriam Jacobs is a collection of luminous short stories set in a mythic past. As we follow the Old Woman on her travels, she helps us to explore the journey of our own life, and gives us a model to help us navigate it with wisdom, humor and grace. These tales, told with approachable simplicity, offer insights about identity, self respect, making our dreams come true, losses, aging with grace, sacrifice, honoring our calling, overcoming adverse circumstances, forgiveness, gratitude and so much more. They soothe the aching heart and celebrate and honor the resilient beauty of spirit. This book also comes with an invitation to write your own Old Woman story and share your wisdom with others on theoldwomantales.com

The Old Woman's Daughter offers men and women alike a way to make sense of their lives and find more healing alternatives than offered by our present culture. In gentle, evocative imagery, Jungian analyst Claire Douglas invites readers to reconnect with the ancient tradition of the feminine, the "Old Woman," symbolized by her own Celtic grandmother. After considering the dangers to individuals and the society of the masculine-focused dualities of our own culture, Douglas describes an alternative that incorporates the feminine self within each of us, man or woman. Douglas draws on myth and story, her own experiences, poetry, the dreams of some of her patients, and images available from Tibetan Buddhism to find archetypes that help us recognize our inheritance from the Old Woman. She describes a form of therapy that emphasizes "cherishment" or bonding for the purpose of recovering our ties to the ancient feminine, and she deftly incorporates her search
