

# L'amour Philosophique L'omosessualità Masculine Au Sia Cle Des Lumia Res

*Les philosophes et l'amour* - Aude Lancelin 2008

Un lieu commun solidement établi veut qu'amour et philosophie fassent mauvais ménage. Etrangement, aucun livre n'avait jusqu'ici réuni les différents regards des grands philosophes sur ce sujet majeur. Cet essai se propose de le faire en exposant leur pensée de façon vivante et accessible. Ouverture à l'éternité pour Platon, l'amour est un leurre mortel chez Lucrèce. Défi de toute une existence pour Kierkegaard, il est chez Schopenhauer une simple ruse de l'instinct sexuel. Quant à Rousseau, l'inventeur du romantisme, difficile de trouver système philosophique plus étroitement lié aux névroses de son auteur. Car ce livre dévoilera aussi certains aspects de leur vie amoureuse, parfois très méconnus. Le donjuanisme forcené de Sartre, l'absence légendaire de toute libido chez Kant, les ratages de Nietzsche avec les jeunes filles, autant d'épisodes graves ou drôles dont chacun pourra tirer les leçons dans sa propre vie.

**Je t'aime à la philo** - Olivia GAZALÉ 2012-03-15

Qu'est-ce qu'un coup de foudre ? Sommes-nous biologiquement programmés pour aimer ? Peut-on promettre la fidélité éternelle ? Pourquoi l'amour fait-il tant souffrir ? Le mariage d'amour est-il la première cause de divorce ? Faut-il envier le libertin ? La révolution sexuelle a-t-elle tué l'érotisme ? Le mot amour a-t-il le même sens pour l'homme et pour la femme ? Ce livre est le premier à répondre à ces questions, et à bien d'autres, en croisant la philosophie et la littérature, mais aussi la religion, l'histoire, la sociologie, la psychanalyse et la biologie. Empruntant à chaque auteur ce qu'il a apporté de décisif sur le sujet, il fait ainsi dialoguer Platon et Nietzsche, Saint Augustin et Foucault, Lucrèce et Kundera, Schopenhauer et Stendhal, Spinoza et Proust, Descartes et Freud, Sartre et Beauvoir, pour ne citer qu'eux... Olivia Gazalé nous guide pas à pas dans ce labyrinthe amoureux tout en proposant un cheminement personnel. Un point de vue moderne, un ton enlevé, et parfois drôle, illuminent cet ouvrage indispensable à tous ceux qui souhaitent se réapproprier le questionnement le plus essentiel de leur vie en évitant le triple écueil de la naïveté, du cynisme et du conformisme.

**Amore e orgasmo** - Alexander Lowen 1977

Questo libro ci propone un'analisi sull'omosessualità, sui ruoli sessuali, l'impotenza e la frigidity. Quali sono le cause dell'impotenza organica, dell'eiaculazione prematura nell'uomo e della cosiddetta "frigidity" nella donna? Fino a che punto l'atteggiamento attualmente prevalente nei confronti del sesso, quell'atteggiamento che si pretende affrancato dai vecchi pregiudizi, corrisponde a un'effettiva maturazione sessuale, e non è invece espressione nevrotica? Come si producono le figure del playboy, del "fratello maggiore" o del "conquistatore"? Quali fattori fissano la donna nel ruolo di oggetto sessuale-prostituta, di tipo materno, o di vergine-sorella? Quali sono i disturbi fisici dell'omosessuale? Perché la

donna omosessuale diventa "attiva" o "passiva"? Che cos'è l'omosessualità latente? Esprime un concetto valido questa definizione? E quali sono gli atteggiamenti che tradiscono l'omosessualità latente in un certo tipo di attività eterosessuale? L'analisi teorica è illustrata da un'abbondante materiale clinico, da numerosi esempi di casi individuali per i quali Lowen ha attinto a una lunga esperienza professionale. (Editore). *Privatization* - Joseph Prokopenko 1998

**I filosofi e l'amore. L'eros da Socrate a Simone de Beauvoir** - Aude Lancelin 2008

Love - Jules Michelet 1859

"Amour, L", by the noted French historian Michelet, was published in 1859, when he was sixty-one years old. In the Introduction he writes:-- "The title which would fully express the design of this book, its signification, and its import, would be 'Moral Enfranchisement Effected by True Love.'" ... Yet it was merely an attempt to establish reverence for the physical life of woman. Her intellectual life was considered only as a kind of appendage to the physical. Michelet apparently had no other conception of woman and her destiny than as maiden, wife, mother, housekeeper. ... He saw about him not a nation of families, but of individuals. He wished to hold before his countrymen an ideal of family life. ... Its conception of love, though one-sided, was sufficiently in advance of contemporary thought on the subject to render the book remarkable."--C.D. Warner, *The library of the world's best literature: an anthology in thirty volumes*, 1917.

L'evoluzione della sessualità umana - Donald Symons 1983

In sommario: evoluzione e natura umana - Il ruolo femminile nell'orgasmo - Legami di coppia, matrimonio e perdita dell'estrus - La competizione riproduttiva - La scelta sessuale - Il desiderio della varietà sessuale - L'accoppiamento come prestazione femminile - Contesti di verifica sperimentale: ormoni e omosessualità.

*LA SEXUALIDAD HUMANA, EL LENGUAJE DEL AMOR* - Botero, Silvio

**Sexe et mensonges** - Leïla Slimani 2021-09-09

SEXE ET MENSONGES, c'est la parole, forte et sincère, d'une jeunesse marocaine bâillonnée dans un monde arabe où le sexe se consomme pourtant comme une marchandise. Les femmes que Leïla Slimani a rencontrées lui ont confié sans fard ni tabou leur vie sexuelle, entre soumission et transgression. Car au Maroc, la loi punit et proscrit toute forme de relations sexuelles hors mariage, tout comme l'homosexualité et la prostitution. Dans cette société fondée sur l'hypocrisie, la jeune fille et la femme n'ont qu'une alternative : vierge ou épouse. SEXE ET MENSONGES est une confrontation essentielle avec les démons intimes du Maroc et un appel vibrant à la liberté universelle d'être, d'aimer et de désirer.
