## Lesbian Mystery Lesbian Love

**Long Time Gone** - MELISSA. LENHARDT

2020-05-14

You always come back to your first love Nora hasn't looked back. Not since she left home, and her broken heart, far behind her. But now tragedy calls her back, where she must finally come face to face with ex-boyfriend Charlie, and best friend Sophie. Only now will she be able to confront her past--and reconcile her future. Sophie seems to have everything. Married to Charlie, with a wonderful daughter and a successful career. Yet underneath that perfection lies an explosive secret. A secret that ripped through their town and destroyed her

friendship with Nora. So when Sophie finds out that Nora has returned, she hopes Nora's stay is short. The life she has built depends on it. But first love doesn't fade easily. Memories come to light, passion ignites and old feelings resurface. As the forces that once tore them apart begin to re-emerge, both Nora and Sophie must accept that true love is something worth fighting for.

**The Gay Detective Novel** - Judith A. Markowitz  
2015-02-16

Gertrude Stein called it "the only really modern novel form that has come into existence," yet the mystery genre was a century old before it featured its first gay main character in a novel.

Since then, gay and lesbian detective fiction has been one of the fastest growing segments of the genre. It incorporates gay and lesbian cultural elements and offers crossover appeal. Its authors call upon a century of development in the mystery genre, while providing new, more accurate images of lesbians and gay men than generally found in mainstream literature and popular media. This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand-alone novels published since the early 1960s. Part I is an overview that describes how these novels make gay and lesbian life visible and forge new, powerful images. It also examines how they fit into the larger history of mystery fiction. The series analyses in Part II are grouped according to the type of main character (police officer, private investigator, amateur sleuth, etc.). Each section discusses main and secondary characters of that type, characteristic themes for the group, and more. The analyses of

individual series cover main characters, themes, plot points and other elements. Comments from authors interviewed for this book play a central role in those analyses. Part III lists series-spanning themes (e.g., homophobia, the closet, gay marriage) and the novels and series that address each of those themes.

**Something about Her** - Olivia Hampshire  
2017-05-20

"What a story and thank you so much Olivia Hampshire. This is one of the best, "House of Romance" books yet. I am a big and beautiful lesbian. I am a very big and beautiful lesbian and I never see or hear about me in any books or in any movies or on any television shows. I love the way that the truth comes out about how important the inside of a person is. Please write more books like this for the millions of us that live and breath." Emily, Yazoo City, MS "An adventure of people getting to know each other and really finding out what is important in life. And that slim ball uncle. That tells you what to

be careful of when you have a little too much to drink. I don't want to give away the story, but he got his and many times in this day and age that doesn't happen. This was a lesbian romance story worth reading and I am so glad I bought the whole 8 book, House of Romance bundle before I read this one, though I really don't think one would have too. Thanks Olivia. Write On!" Sophia, Gulfport, NO "A great story. I could not stop. It made my plane ride go very, very, fast. An, my partner likes to read what I am reading, so we both read, "Something about Her," and the bonus books for Lesbian Billionaire were just wonderful also. We downloaded the 4 book bundle for Lesbian Billionaire before we go off of the plane. We didn't want to get off. Your lesbian romance stories are just the best." Mia, Memphis, TN "I am a fat woman. My partner says that I am not that good looking and my teeth don't help the picture much either. Somehow, I got lucky with my partner because she is a drop dead, knockout TEN! She gave me

a chance to get to know her. I don't know why, but we are together and it is heaven just like the way things worked out in this book. We have way more sex than they do though. LOL! Thank you for you House of Romance Books. We love reading lesbian romance are we are happy to be on your mailing list through your communication circle." Lily, Little Rock, AR Lesbian Romance House of Romance Lesbian Fiction Lesbian Mystery

*Seeing Through It All* - Olivia Hampshire  
2017-05-20

"The characters are so real and the message, I guess you would call it the moral of the story really shines through about being yourself and always seeing the good side of the situation. This is one lesbian romance story that I really enjoyed and I can't wait until you come out with your next 8 part bundle that you told me about when I signed up for your newsletter in the book. This House of Romance short story was just wonderful." Elizabeth, Lansing, MI "When I

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2020-05-21 by guest

saw the cover, I thought that this might just be a silly book with maybe a little bit of lesbian romance in it, but Olivia Hampshire really came through with some hot love scenes and some strange twist in this book. I really liked the main character, Penelope and her occupation and the situation she was in at her workplace. The end of the story really got me too. I like the House of Romance series. Each story is in the same location, but a totally different stew I guess in each book I read. Thank you Olivia Hampshire." Linda, Orlando, FL "The character Douglas really got me. And the courage of Penelope got me too. It reminded me of my life style and my life situation. And, the relationship she was in with Velma or Vilma whatever the chick's name was, I have been there too. I was not expecting a good lesbian romance story, but it ended up being even more than good. It was a great story." Sarah, Frankfort, KY "Olivia, I am so glad I am on your mailing list. That is how I found out this book was available. I just love Grace and

Claudia and their, "establishment of love." You see the movies and read the stories of so many this kinds of places that are just a pit of despair for everyone involved, and they are always owned my men. And, in this episode, the main character was totally different than a character in any other lesbian romance story I have ever run into. Too bad you can't use the real name of the House of Romance on the cover of your books. Whatever! Thank you Olivia Hampshire." Mary, Albany, NY Lesbian Fiction Lesbian Romance First Time Lesbian Lesbian Mystery **The Woman Who Pretended To Love Men** - Anna Ferrara 2018-04-26 Set 30 years before The Woman Who Made Me Feel Strange (Those Strange Women #1), The Woman Who Pretended To Love Men (Those Strange Women #2) is Fleur's story--a mystery/lesbian romance novel which is complete in itself and can be enjoyed even if you haven't read Those Strange Women #1. In 1999, Fleur de Roller walked into a tea house in Hong

Kong and introduced herself to Milla Milone, daughter of a New York mob boss. Sparks flew. Despite the obvious chemistry, Fleur repeatedly denies having any feelings for Milla because she has secrets--another identity and a job she can't talk about--that might get her into big trouble if the possibly dangerous younger woman ever found out. Trouble comes anyway when the frustrated Milla moves on, starts dating other women, and leaves Fleur all by herself amidst a fervour of loss and wanting. Fleur has to decide if the career she worked so hard to establish is worth the lies she has to put on to get ahead or if the 'alternative lifestyle' she read so many negative things about is worth giving up her well-paying job for. She also has to decide if Milla is safe to love because Milla seems to be hiding a whole assortment of secrets of her own. About the series: Those Strange Women is a series of six books about the lives of six 'unusual' women over nine decades. Amidst changing attitudes towards women and homosexuality, the

women grow, adapt and find their own ways of existing in a world in which they don't quite belong. A few of them learn to love but most learn to hate; a few of them fail to thrive but most survive and develop a taste for revenge. [If You'll Have Me](#) - Eunnie 2023-10-26  
'Super sweet and totally heartwarming!' - Alice Oseman, bestselling author of Heartstopper  
Momo Gardner is the kind of friend who's always ready to lend a helping hand. She's introverted, sensitive, and maybe a little too trusting, but she likes to believe the best in people. PG, on the other hand, is a bit of a lone wolf, despite her reputation for being a flirt and a player. Underneath all that cool mystery, she's actually quick to smile, and when she falls for someone, she falls hard. An unexpected meet-cute brings the two together, kicking off the beginning of an awkward yet endearing courtship. With their drastically different personalities, Momo's overprotective friend, and PG's past coming back to haunt her, Momo and PG's romance is

put to the test. If You'll Have Me is beautifully-illustrated, irresistibly romantic graphic novel that explores and celebrates Sapphic first love, perfect for fans of Heartstopper and She Gets the Girl.

**Warm and Willing** - Lawrence Block

2016-10-14

Here's what someone wrote as the book description for an earlier edition of WARM AND WILLING: "An emotionally and sexually frustrated divorcee explores her mounting attraction to women. Rhoda's divorce has her thinking that romance is not for her. But maybe she just needs to look in a new direction. Megan is an attractive blonde who instantly sees what Rhoda's love life has been missing: a woman's touch. As Megan guides Rhoda into the sensuous - but hidden - world of women who love women, the two unlock a passion that may be too hot to contain. There are a lot of beautiful women in the Village, and Rhoda's just begun her adventure as a freewheeling lesbian." I guess

that's fair. But these early books cry out for a stroll down Memory Lane, and there's a lot to remember about the beginnings of Jill Emerson. In 1958 I wrote my first book, a novel about a young woman's confusion about her sexual nature. It's recently been republished as SHADOWS, by Jill Emerson, but back then the publisher slapped a different title and pen name on it, because there was no Jill Emerson. Jill came out, as it were, six years later-by which time I'd acquired wife and children and had written close to a hundred books. Then in 1964 I broke with my agent and found myself stranded; my chief market was a closed shop, and I could no longer write for it. A brighter man than I would have been terrified, but I just figured things would work out. I decided I'd write a lesbian novel. That's what my first book had been, so it seemed a logical choice for a new beginning. Now I could have proposed such a book to Midwood Tower, Harry Shorten's operation, which was by no means a closed shop,

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2020-05-21 by guest

and where they thought highly of me. But instead I chose to submit the book over the transom, under a pen name. Specifically, Jill Emerson. Now Jill already existed, because I'd enrolled her as a member of Daughters of Bilitis, a lesbian organization, so that she could subscribe to their magazine, *The Ladder*. I put her name on the manuscript of my new novel-I can't recall what I called it, but you can be damned sure it wasn't *WARM AND WILLING*-and wrote out a cover letter and mailed it off to John J. Plunkett, editor in chief at Midwood Tower. I'm not sure what I was trying to prove. But, astonishingly, I proved it. Mr. Plunkett sent a contract by return mail, and some day I'm going to publish our correspondence. He and Jill really hit it off nicely, and I think he may have had a slight crush on her. A hopeless one, of course, because Jill wasn't interested in anybody with a Y chromosome... Jill went on to write a second book for Midwood. I called it *ENOUGH OF SORROW*, taking the phrased from a Mary

Carolyn Davies poem I've always liked, and I'll be damned if Midwood Tower didn't keep it. They stuck an award medallion on the cover, and included a quote-"A remarkably candid treatment of a particularly controversial theme..." The source of the quote is never revealed, and I can only assume it was either John J. Plunkett or another Midwood editor, Sandy Levine. Over the decades, I've come to regard Jill Emerson as rather more than a pen name. She would appear to be more an aspect of self. One way or another, donning her persona seems to liberate something within me, and to give me access to otherwise elusive parts of myself. But need we inquire all that closely? Probably not. This is, after all, just a book-a sensitive exploration of a young woman's sexual awakening."

**Lesbian** - Olivia Hampshire 2017-05-20  
Susan and Beatrice where the most beautiful women in the U.S. Navy years ago. Not only were they beautiful, but both of them were also

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2020-05-21 by guest

extremely intelligent with math and science. Susan, the more intelligent one of the two came upon an amazing discovery. She was so happy that she finally asked Beatrice a question that Beatrice had been waiting on for years and years. Then suddenly, everything changed and Beatrice had no clue what was going on. She was lost. Beatrice desperately needed help and had to scabble to find old friends that could save the love of her life. What People are saying about, "She Loved Me." "What a freaking adventure, mystery and hot love story all in one. Bravo Olivia! You are the one. I loved the way you tied all of your series together in this soon to be blockbuster, bestseller. This has to be a best seller because it was just freaking awesome. If people read this and don't give you 5 stars for a review, they just must be extremely narrow minded. Again Olivia, Bravo and thanks." Bella, Chandler, AZ "This was just excellent. You brought in all of the people from both of your series. Is this an introduction to a new series?

Are you holding out on us Olivia? I loved the way the Harriet and Debbie Brown showed up on the scene as well as Claudia and Grace from the House of Romance. And they all did just enough to move the story along very well. I am surprised that you can make so much happen in such a short period of time with no strange surprises. I have no idea of how you will follow up after this one, but thank God I'm on your mailing list." Alexis, Las Vegas, NV "I cried at least two times when I was reading this book. The characters are well developed the plot just unfolds so well with surprises that make sense. I love the character Harriet Rothchild. She is just the best. And the way that Beatrice hooked up with Debbie Brown just brought me to my knees. Also, the story made sense in the world that we live in today. It made me think about the reality of the place where we live and who really makes the decisions about what happens in our lives. Olivia, you write about some important issues facing all of us on the planet." Kayla, Huntington

Beach, CA "The Toy?" No you didn't! That was just great. And the guys in Greece. Who would have thought. I had no idea. But you know what Olivia? I looked it up just for the heck of it and the fact of the matter is, the CIA has places like this all over the world. You really check out your stuff don't you. This was a great adventure and I love the message that you hit home at the very end of the book. Whammo!" Camilla, Boston, MA  
Lesbian Romance Lesbian Mystery Lesbian Fiction Lesbian Love

**Lesbian Philosophies and Cultures** - Jeffner Allen

The lesbians who have contributed to this book are theorists and activists who write as members of diverse lesbian cultures. Each lesbian has her ways of knowing, her voices, approaches, methodologies, languages. Each lesbian reflects, directly and indirectly, her relations to her own and to other ethnicities, races, social classes, physical abilities, ages, and nationalities. Each lesbian has distinctive perspectives on lesbian

existence, friendships and sexualities, separatism and coalition building, theories of knowledge and ethics, language and writing. Lesbian Philosophies and Cultures is a hybrid site for discussion of, work on, and delight in this sometimes uneasy, sometimes painful, sometimes surprising and wonderful, lesbian pluralism. For this collection, some of the contributors have chosen to write in essay style, and some have chosen to write in fiction, autobiography, poetic prose and experimental forms. The contributors, all of whom live currently in the u.s.a. or quebec, are: Joyce Trebilcot, Vivienne Louise, Kitty Tsui, Ann Ferguson, Julia Penelope, Marthe Rosenfeld, Claudia Card, Anna Lee, María Lugones, Edwina Franchild, Caryatis Cardea, Baba Copper, Bette S. Tallen, Michèle Causse, Sarah Lucia Hoagland, Nett Hart, Marilyn Frye, Kim Hall, Jacquelyn N. Zita, Monique Wittig, Nicole Brossard, Gloria E. Anzaldúa, Jeffner Allen.  
*Lesbian Detective Fiction* - Phyllis M. Betz

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2020-05-21 by guest

2006-07-10

This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre. As this book points out, such fiction reveals the lesbian's increasing visibility in the wider society. Nevertheless, it can still be difficult to find a complete representation of lesbian life in mainstream literature. Often the best place to find the lesbian represented in books is within the pages of genre fiction--especially the detective story. This book looks at how the lesbian characters' public and private lives intersect--often at the point of coming out, or of moving from isolation to connection with the community. Also considered is the lesbian detective's typical confrontation with two crucial elements of the investigator's role: the use of violence and the acquisition and expression of authority within police systems. Other topics of discussion include the cultural environments in which the stories are situated, and the use of

humor as a key weapon in the lesbian detective's investigative arsenal.

Before Stonewall - Vern L Bullough 2014-02-04

Explore the early history of the gay rights movement! In the words of editor Vern L.

Bullough: "Although there was no single leader in the gay and lesbian community who achieved the fame and reputation of Martin Luther King, there were a large number of activists who put their careers and reputations on the line. It was a motley crew of radicals and reformers, drawn together by the cause in spite of personality and philosophical differences. Their stories are told in the following pages." Before Stonewall:

Activists for Gay and Lesbian Rights in Historical Context illuminates the lives of the courageous individuals involved in the early struggle for gay and lesbian civil rights in the United States.

Authored by those who knew them (often activists themselves), the concise biographies in this volume examine the lives of pre-1969 barrier breakers like Harry Hay, Henry Gerber,

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2020-05-21 by guest

Alfred Kinsey, Del Martin, Phyllis Lyon, Jim Kepner, Jack Nichols, Christine Jorgensen, Jose Sarria, Barbara Grier, Frank Kameny, and 40 more. To anyone with an interest in the history of the gay/lesbian rights movements in the United States, these names will be familiar, but did you know that in addition to their groundbreaking activism: Prescott Townsend was a Boston Brahman Dorr Legg was a Log Cabin Republican Harry Hay was at one time a member of the Communist party Jim Kepner was a boy preacher Troy Perry was removed from the ministry of his church for homosexuality--and then founded the gay-friendly Metropolitan Community Church Reed Erickson--a transsexual millionaire who gave millions to the cause--kept a pet leopard called Henry Barbara Gittings set up a kissing booth at the American Library Association convention and urged attendees to kiss a gay or lesbian! Before Stonewall is a perfect ancillary text for any gay/lesbian studies course, but more to the point, no one interested

in these heroic figures and the movements they ignited should be without this book, which received an honorable mention in the 2004 Stonewall Book Awards.

**Lesbian** - Olivia Hampshire 2017-05-27  
Also Included, "The Special." A Lesbian Billionaire Bonus "Olivia Hampshire, you just came out of the blue with your lesbian romance stories and tell you what girl, you just keep on coming. I loved your book Cop Licked, and I love your Lesbian Billionaire series with Debbie Brown too. I am glad I found this House of Romance series because me and my partner love to read this kind of stuff. Thank You, Great Stuff." Teresa, Helena, MT "What a story. When I started reading this I never would have thought this was where it would go. The House of Romance is way more than a house of romance. Yes, I knew it would be a lesbian romance story but Wow! So many places like this run by men, for men, but this lesbian romance in this house of romance is by women, for women. That is a

bit of a twist and I like it." Glenda, Oklahoma City, OK "I want to go to Barcelona right now after reading this lesbian romance short story. Yes, I do! Thank you Olivia Hampshire. Somehow I read 2 of your other House of Romance books before I found this one. I had no problem following anything that was going on in the other ones. I is like you can read them in any order that you want, and I did. But Olivia, is was very nice to read about how all of this hot, steamy, lesbian romance got started. Thank you very much." Constance, Salem, OR "I am not going to mention any names because I don't want to spoil things for anybody, but that love scene at the very end was hot, hot, hot, and I didn't think it would ever go that way in the beginning. The House of Romance has a different name once you get into the book. The real name is pretty hot. Me and my partner would love to go to this place. We read lesbian romance short stories to each other every night. This lesbian romance was well worth the

money." Ellen, Little Rock, AR first time lesbian lesbian romance lesbian fiction lesbian mystery *THE TRUTH WILL SET YOU FREE????* - M MISSY 2012-07-10

I was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores, for fi nancial reasons and or immigration reasons they allowed this to happen. My story includes French maids, anal sex, oral sex, spankings, canings, whippings, strappings, domination and submission, corner time, and a great amount of humiliation, etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. Then it was time for me to be punished for all my Bad Boy behavior. Now, I was turned into the French maid, the sissy maid. A continuing series of special, good and bad characters.

An exhilarating story from the author who mainstreamed lesbian pulp fiction The moment of truth... Mary Drew knelt down on the rug. She leaned forward, her mouth within an inch of Martha's. "I love you," she said. "I've loved you from the very moment we met. But I won't kiss you. I'm so close my lips are almost on yours, but I won't kiss you." Martha looked deeply into the other girl's eyes for a very long time. "I love you, too," she said. Then hungrily they fed on each other's lips. Martha grasped Mary Drew's hand. "Love me, will you? Not just kisses. Not any more."

*Love Me for Me* - Sarah Ettritch 2021-09-29  
Sometimes telling the truth means losing the ones you love... Erin Hunt is the heir apparent to her father's real estate company, but the idea of working with him makes her want to cry—his every word drives home how inadequate she is. But a secret mission gives Erin an excuse to delay taking her place at his side. Someone is leaking confidential documents to a grassroots

group that keeps opposing her father's projects. Erin agrees to go undercover and unmask the traitor. Activist Lily Altree leads the grassroots group that wants to preserve green spaces and historical buildings. But the turnout at her events has been declining, so when a stranger shows up for a protest at a local park, Lily welcomes her into the fold, unaware that the newbie is the daughter of Aaron Hunt, the greedy owner of the company that wants to replace the park with a luxury apartment building. What neither of them counts on is falling in love. Will Lily's heart shatter if Erin does the right thing and reveals her true identity? Will Erin's fear of hurting Lily and disappointing her father trap her into telling more lies? Or is there a way for Erin to be honest without losing the woman she loves and the father she desperately wants to please? *Love Me for Me* is a sweet lesbian romance novel for those who love books with strong female characters, engaging plots, emotional romances,

and heartwarming friendships. \*\*\* KEYWORDS: lesbian romance, women loving women, queer romance, lesbian books, lesbian novels, lesbian fiction, lesfic

If you start reading, you won't be able to stop. Click the buy now button and enjoy yourself. "Olivia, I bought your House of Romance Super Bundle and I thought I would save it and read one story a day for about a week. I thought I

would spread it out. That did not happen. I started reading Saturday night and I could not stop. I read and read and read and read and suddenly, I was on Part 16. My partner showed up coming home from work very late that night and read with me for the last two. She had no problem jumping in because of the way you have set up the books. I like that you do not have to read these lesbian romance stories in order. What a blast! Thank you Olivia!" Grace, Chicago, IL " I read 'Just for Fun,' of course, that being the first part of the series. I thought I might have to read from one story to the next to the next to know what was going on. I was reading another lesbian romance series, and if you missed one episode, you were all messed up. Your series, 'The House of Romance,' is very different from any I have ever read. For me I could skip around and always know what was going on from one story to another. Plus, each story has a different view on life, and some kind of message. I really like that with the very

naughty stuff you have in there too. Lots of that." Rose, Montgomery, AL "All that I can ask is, when are you coming out with the next House of Romance book? Eight Olivia Hampshire, lesbian romance stories are not enough!" Judy, Puerto Vallarta, MX "I just loved all of your House of Romance pieces of work. You just take lesbian romance stories to a different level. Sure, I'm a lesbian, but many of these writers write like all I want to read about is stupid stuff that goes on in New York or Los Angeles and stupid people having sex for no reason. I liked your messages about life and life's challenges. You have women in your stories from all walks of life and professions. Thank you Olivia, please don't come out of your house, just write and write and write some more." Beverly, Cedar City, UT Lesbian Romance First time Lesbian Lesbian Fiction Lesbian Mystery Lesbian Comedy  
**All the Rage** - Suzanna Danuta Walters 2003-09 From the public outing of Ellen DeGeneres and the success of Will and Grace to the vicious

murder of Matthew Shepard, recent years have seen gay lives and images move onto the center stage of American public life. In this incisive and authoritative guide to the new gay visibility, Suzanna Danuta Walters argues that we now live in a time when gays are seen, but not necessarily known. Taking on the common wisdom that equates visibility with full integration, *All the Rage* maps the terrain on which gays are accepted as witty film accessories and sassy sitcom stars yet denied full citizenship.

**Find Me in Time** - Alicia Newton 2017-10 Caitriona Cruz thought she had the life she wanted. With a job she loved as an American curator at the Georgian Era England Museum, friends who were quirky, and a mother who is eccentric, she was living the good life. When the museum faces financial trouble, Caitriona comes across a necklace that draws her in, and she becomes obsessed with finding out the story behind it especially as she drawn further into the

mystery of the necklace. She wakes up and finds herself in the middle of 18th century England where she runs into the owner of the necklace Angeline Beaumont. An unlikely friendship forms between the two women as they try to find a way to get Caitriona back home. As Caitriona has to come to terms with the fact that she might never go home, she also has to face her undeniable feelings for Angeline.

Love and Honor - Randall Wallace 2005-10-01  
From the New York Times bestselling author of Pearl Harbor and Oscar-nominated writer of Braveheart comes an epic historical page-turner: the gripping, unforgettable story of a patriot's secret mission in Russia to save America from certain defeat on the eve of the Revolutionary War. A brilliant soldier and passionate patriot, Virginia cavalryman Kieran Selkirk is summoned to a clandestine meeting in the winter of 1774. There he finds none other than Benjamin Franklin, who reveals that the British have asked Catherine the Great, the ruthless and mysterious

ruler of Russia, to provide twenty thousand of her soldiers to help stamp out the revolution brewing in America. Such a force, fresh from brutal warfare with the Turks, would crush all hope of American independence. Selkirk's assignment is straightforward -- and astounding. He is to travel to Russia disguised as a British mercenary, offer his services to the Tsarina in putting down a Cossack rebellion that threatens her throne, and convince her not to join the British in their war with America. To succeed, he must cross savage terrain, battle starving wolves, avoid secret assassins, fight marauding Cossacks, and contend with a court of seductive young women. In a narrative full of passion and peril, of battles on horseback and wars within the human soul, Selkirk's mission meets with thrilling surprises, including a romantic face-off with the legendary Catherine herself. Told with the hand of a master storyteller, Love and Honor is perhaps Wallace's most ambitious project yet, taking readers back to the eighteenth century in

a patriotic novel brimming with romance and heroism on the grandest scale. Exotically transporting yet deeply American, *Love and Honor* captures the fight for good over evil, integrity and compassion over cruelty, and true love over all.

*A Message in Blood* - Catherine Maiorisi  
2021-01-01

A middle-of-the night phone call summons NYPD Detective Chiara Corelli and her partner, Detective P.J. Parker, to a politically sensitive

murder scene. The victims—a U.S. Senator, the pastor of a mega church, and a self-made music industry billionaire—appear to have been killed during a sex orgy. Pressure is mounting to cover up the circumstances. But Corelli and Parker are enraged by the words scrawled in blood on a mirror, and their hearts are broken by what they find hidden in a closet. Now the partners vow to find the killer and expose the unsavory lives of these men while seeking justice for the real victims in this case—the children.
