

Love Me Never

Forget Me Always - Sara Wolf 2016-11-01

Now a New York Times bestseller! It's been three years, twenty-five weeks, and five days since Isis Blake fell in love, and if she has it her way, it'll stretch into infinity. Since then, she's punched Jack Hunter—her nemesis-turned-maybe-something-more—in the face, survived a brutal attack by her mom's abusive ex thanks to Jack's heroics, and then promptly forgotten all about him. The one bright spot for Isis is Sophia, the ephemeral girl who shares Isis's hospital stay as well as a murky past with Jack. But as Isis's memories return, she finds it harder and harder to resist what she felt for Jack, and Jack finds it impossible to stay away from the only girl who's ever melted the ice around his heart. As the dark secrets surrounding Sophia emerge, Isis realizes Jack isn't who she thought he was. He's dangerous. But when Isis starts receiving terrifying emails from an anonymous source, that danger might be the only thing protecting her from something far more threatening. Her past. The *Lovely Vicious* series is best enjoyed in order. Reading Order: Book #1 *Love Me Never* Book #2 *Forget Me Always* Book #3 *Remember Me Forever*

Love Me Never - Marjorie VERNON (Novelist.) 1962

Love Me Whole - Nicky James 2018-01-18

Twenty-eight-year-old Oryn Patterson isn't like other people. Being an extremely shy, social introvert is only part of the problem. Oryn has dissociative identity disorder. He may look like a normal man on the outside, but spend five minutes with him, and his daily struggles begin to show. Oryn shares his life and headspace with five distinctively different alters. Reed, a protective, very straight jock. Cohen, a flamboyantly gay nineteen-year-old who is a social butterfly. Cove, a self-destructive terror, whose past haunts him. Theo, an asexual man of little emotion, whose focus is on maintaining order. And Rain, a five-year-old child whose only concern is Batman. Vaughn Sinclair is stuck in a

rut. When his job doesn't offer the same thrill it once did, he decides it's time to mix-up his stagnant, boring routine. Little does he know, the man he meets during an impromptu decision to return to college is anything but ordinary. Vaughn's heart defies logic, and he finds himself falling in love with this strange new man. But how can you love someone who isn't always themselves? It may not be easy, but Vaughn is determined to try.

If He Had Been with Me - Laura Nowlin 2013-04-02

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Never Love a Stranger - Harold Robbins 2010-06

Harold Robbins' very first novel is also one of his most powerful. *Never Love a Stranger* tells the gritty and passionate tale of Francis "Frankie" Kane, from his meager beginnings as an orphan in New York's Hell's Kitchen. From that confused and belittling start, Frank works his way up, choosing the wrong side of the law to make a name for himself. At a young age, he becomes one of the city's most dangerous men, indulging in his passion for power, sex, and the best things in life—whether or not they can be purchased. First published in 1948, the novel began Robbins' prolific career after someone made him a \$100 bet that he couldn't write a bestseller. Twenty-six pot-boiling novels later, he proved the power of his words. *Never Love a Stranger* takes an unflinching look at a New

York that's long gone by-exposing life during and after the Great Depression, when the syndicate ruled the city without mercy.

A Goodreads "YA Best Book of the Month" An Amazon "Best Book of the Month: Science Fiction & Fantasy" Zera is a Heartless—the immortal, ageless soldier of a witch. Bound to the witch Nightsinger, Zera longs for freedom from the woods they hide in. With her heart in a jar under Nightsinger's control, she serves the witch unquestioningly...until Nightsinger asks Zera for a prince's heart in exchange for her own. But if Zera's discovered infiltrating the court, Nightsinger will destroy her heart, rather than see her tortured by the witch-hating nobles. Crown Prince Lucien d'Malvane hates the royal court as much as it loves him—every tutor too afraid to correct him and every girl jockeying for a place at his handsome side. No one can challenge him—until the arrival of Lady Zera. She's inelegant, smart-mouthed, carefree, and out for his blood. The prince's honor has him quickly aiming for her throat. Never Fall in Love with a Rockstar - Rachel Higginson 2019-06-06

My name is Clover Calloway and I've lived two separate lives. The first, I like to call "my past." I never talk about it. I try not to think about it. My rockstar days of playing in one of the hottest bands on the planet are over. Along with the most volatile, beautiful, tragic love story of all time. Over the past five years, I've settled into my second life. My "normal life." The one where I work a normal job, hang out with normal people and fall in love with a normal, but wonderful guy. The life where I'm admittedly a little bored, but also safe. My past wasn't boring. But my past broke my heart into a million, unfixable pieces. So, I'm determined to keep it where it belongs—behind me. And the man responsible for the shattering of me? Malachi Porter, lead singer and mastermind of Bright Tragedy, should stay there too. Far away from me and this idyllic life I've carved out for myself. But what happens when my two lives collide? When Malachi comes crashing into my perfectly normal world, he threatens to destroy it, promises to annihilate everything I've replaced him with. He upends everything I thought I wanted and forces me to question the reasons I left Bright Tragedy all those years ago. But I didn't walk away five years ago, I ran. As fast as I could go. And while my heart is whispering that it's different this time—that he's different—my brain is screaming for me to run again. Malachi Porter isn't a normal guy. And he doesn't belong in my "normal life." But, nevertheless, he's bound and determined to make a place for himself here. I just hope my heart can survive him, that we don't burn into another bright tragedy.

Remember Me Forever - Sara Wolf 2017-05-02
Isis Blake hasn't fallen in love in three years, forty-three weeks, and two days. Or so she thinks. The boy she maybe-sort-of-definitely loved and sort-of-maybe-definitely hated has dropped off the face of the planet in the face of tragedy, leaving a Jack Hunter-shaped hole. Determined to be happy, Isis fills it in with lies and puts on a brave smile for her new life at Ohio State University. But the smile lasts only until he shows up. The menace from her past—her darkest secret, Nameless—is attending OSU right alongside her. And he's whispering that he has something Isis wants—something she needs to see to move forward. To move on. Isis has always been able to pretend everything is okay. But not anymore. Isis Blake might be good at putting herself back together. But Jack Hunter is better. The *Lovely Vicious* series is best enjoyed in order. Lucinda Hoekke works at The Complaint Line, listening to anonymous callers air their random grievances. She becomes captivated by the ruminations of one particular caller, and they fall desperately in love. Lucinda also plays bass in a struggling band whose lyricist, Bedwin, is suffering from writer's block, and whose lead singer, Matthew, has kidnapped a kangaroo from the local zoo. Hoping to re-charge the band's creative energy, Lucinda 'suggests' some of The Complainer's philosophical musings to Bedwin, who transforms them into brilliant songs - with disastrous consequences. What results is a comedy of plagiarism, usurpation, and sex, with delightful echoes of Jane Austen's *Emma*

The Things We Leave Unfinished - Rebecca Yarros 2021-02-23

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but

dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

I was a thief of men...a whore. Not the conventional type that got paid for sex. I was the girl you talked about in your sad inner circle. The girl you shielded your boyfriend from as you cleverly covered him with your body when I came near. I was a threat to you. Keeping him safe in your grasp was smart. One week...one incredible week was all it took to forever change me. I was NEVER going to be you ... until I met HIM.
