Approaches to Teaching The Plum in the Golden Vase

(The Golden Lotus) - Andrew Schonebaum 2022-07-22

The Plum in the Golden Vase (also known as The Golden Lotus) was published in the early seventeenth century and may be the first long work of Chinese fiction written by a single (though anonymous) author. Featuring both complex structural elements and psychological and emotional realism, the novel centers on the rich merchant Ximen Qing and his household and describes the physical surroundings and material objects of a Ming Dynasty city. In part a social, political, and moral critique, the novel reflects on hierarchical power relations of family and state and the materialism of life at the time. The essays in this volume provide ideas for teaching the novel using a variety of approaches, from questions of genre,

intertextuality, and the novel's reception to material culture, family and social dynamics, and power structures in sexual relations. Insights into the novel's representation of Buddhism, Chinese folk religion, legal culture, class, slavery, and obscenity are offered throughout the volume.

The International Journal of Sexology - 1953

Mind the Gap - Karen Gurney 2020-03-05

'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In Mind The Gap, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will

learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term.

Exploring the mismatch between ideas about sex in our society and what the science tells us, *Mind The Gap* also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

A role playing game of suspense, horror and hope in 2080 on the streets of Manhattan.

Magnus Hirschfeld and the Quest for Sexual Freedom - E. Mancini 2010-11-08
This volume is the first full-length study on pioneering

sexologist and sexual rights activist, Magnus Hirschfeld, that examines his impact on the politics and culture of late nineteenth-century and early twentieth-century Germany and the value of his rationalist humanist approach for contemporary debates on sexual rights.

Sex When You Don't Feel Like It - Cyndi Darnell
2022-06-10

"Distinguishes between love and desire to breakdown myths around sex and help readers cultivate an authentic sex life"--

The Position - Meg Wolitzer
2010-08-24

From the bestselling author of *The Wife*—Meg Wolitzer's "hilariously moving, sharply written novel" (USA TODAY), hailed by critics and loved by readers worldwide, with its "dead-on observations about sex, marriage, and the family ties that strangle and bind" (Cleveland Plain Dealer). Crackling with intelligence and humor, *The Position* is the masterful story of one extraordinary family at the hilarious height of the sexual

revolution—and through the thirty-year hangover that followed. In 1975, Paul and Roz Mellow write a bestselling Joy of Sex-type book that mortifies their four school-aged children and ultimately changes the shape of the family forever. Thirty years later, as the now dispersed family members argue over whether to reissue the book, we follow the complicated lives of each of the grown children and their conflicts in love, work, marriage, parenting, and, of course, sex—all shadowed by the indelible specter of their highly sexualized parents. Insightful, panoramic, and compulsively readable, *The Position* is an American original.

[Be Honest--You're Not That Into Him Either](#) - Ian Kerner
2009-10-13

Avoid the booty call blues and get the love -- and sex -- you deserve! Come on. Admit it. He may not be that into you, but were you ever really that into him? He was never "the one," but you lowered your standards and dated him in the

meantime. Why? For any number of reasons: you were lonely, you were horny, you thought dating him was better than being alone, all your friends are getting married -- you name it. And before you knew it, you got hung up on the jerk. Go figure. The world is full of sensational women, but in today's market there are too few good men to go around (or so it appears). Now Dr. Ian Kerner, clinical sexologist and author of the smash hit *She Comes First*, explores the battlefield of sex, hook ups, go-nowhere relationships, and the dismal dating treadmill, simultaneously arming women with a sharper set of insights and the tools for change. With humor and sincerity, Kerner shows women how to break the cycle of dating defeat and use the power of sex to find love, "with a great guy who is into you." So raise your standards -- and reach for the love you deserve!

Histories of Sexology - Alain
Miami 2021-07-12

Histories of Sexology: Between Science and Politics takes an

interdisciplinary and reflexive approach to the historiography of sexology. Drawing on an intellectual history perspective informed by recent developments in science and technology studies and political history of science, this book examines specific social, cultural, intellectual, scientific and political contexts that have given shape to theories of sexuality, but also to practices in medicine, psychology, education and sexology. Furthermore, it explores various ways that theories of sexuality have both informed and been produced by sexologies—as scientific and clinical discourses about sex—in Western countries since the 19th century.

The Book of Minor Perverts - Benjamin Kahan 2019-02-05 Shortlisted for the Modernist Studies Association Book Prize Statue-fondlers, wanderlusts, sex magicians, and nymphomaniacs: the story of these forgotten sexualities—what Michel Foucault deemed “minor perverts”—has never before

been told. In *The Book of Minor Perverts*, Benjamin Kahan sets out to chart the proliferation of sexual classification that arose with the advent of nineteenth-century sexology. The book narrates the shift from Foucault’s “thousand aberrant sexualities” to one: homosexuality. The focus here is less on the effects of queer identity and more on the lines of causation behind a surprising array of minor perverts who refuse to fit neatly into our familiar sexual frameworks. The result stands at the intersection of history, queer studies, and the medical humanities to offer us a new way of feeling our way into the past.

Orlando - A Biography - Virginia Woolf 2017-02-16 Orlando is generally considered Woolf's most accessible and influential novels. Concerning the 300 year life of a man born during the reign of Elizabeth I and his quest to write a great poem, having love affairs as both man and women against the

backdrop of some of the most important moments in European history. This novel has been hugely influential stylistically and is still an important moment in literary history and particularly in women's writing and gender studies. Adeline Virginia Woolf (1882–1941) was an English writer. She is widely hailed as being among the most influential modernist authors of the 20th century and a pioneer of stream of consciousness narration. She suffered numerous nervous breakdowns during her life primarily as a result of the deaths of family members, and it is now believed that she may have suffered from bipolar disorder. In 1941, Woolf drowned herself in the River Ouse at Lewes, aged 59. Read & Co. Classics is proudly republishing this classic novel now in a new edition complete with a specially-commissioned new biography of the author.

The Sex Therapist Next Door

- Meghan O'Brien 2018-11-13

Diana Kelley is a couples sex therapist with a problem: it's

her job to convince her clients of the importance of sexual and emotional intimacy, but after surviving a toxic relationship with an abusive ex, she's sworn off love and can't fathom ever making herself vulnerable again. When her best friend Ava is injured the night she is scheduled to assist with a hands-on sexual education workshop, Diana is forced to find a short-term replacement. The last thing she wants is a new lover, even a paid one. After a year of living in the apartment next door, all Jude Monaco knows about her neighbor Diana is that she's a gorgeous older woman and the inspiration for more dirty fantasies than she cares to admit. So when Diana knocks on her door with a shockingly delicious favor to ask, Jude seizes the opportunity to learn more. Their professional relationship is supposed to be a clinical erotic arrangement between a sex therapist and her assistant, but at the intersection of sex and intimacy, anything is possible. Even love.

Love Sex And Everything In Between Fact And Fiction From A Sexologist

The Game of Desire - Shannon Boodram 2019-07-23
"Forget what you think you know about dating—sexologist Shan Boodram is here to take you back to school." - Apple Books Review "Boodram's brand of relationship advice...focuses on empowering single women with the tools they need to succeed in the digital dating era." - Refinery29 Women: gain control and confidence in your love lives and find the relationship you want with this modern, life-changing guide from the certified sex educator, intimacy expert, and YouTube personality. For younger generations, dating is a complicated mystery. Apps like Tinder and Bumble are supposed to foster connection, but instead serve as a reminder of how painfully single we are. Certified sexologist and intimacy coach Shan Boodram—the most sought-after sex educator on the internet—is about to change all that. In this essential how-to guide, she addresses the realities of life today—when the

rules of love and attraction are fluid—and teaches a group of young women how to become master daters in just sixty days. It starts with you. Shan makes clear that love and self-discovery go hand in hand—your dating life is just as much about you as it is about other people. She challenges you to look inside yourself for what you want out of a partner, a relationship and, most important, yourself. Once you figure out what you want from dating, she shows you exactly how to get it. *The Game of Desire* empowers you to take the lead, learn your strengths, and identify and correct your weaknesses, all the while getting inspired watching a group of women learn how to succeed in today's dating pool. While many books tell women why they can't get a date, Shan teaches you the skills and techniques necessary to take charge in today's competitive and often confusing dating scene, providing the tools essential to attract—and retain—the partner(s) you want. From learning love

languages to debunking dating myths, she helps women build knowledge and confidence. Featuring conversational case studies, comprehensive facts about the psychology of sex and romance, and expert insight into sex culture, and written with her trademark humor and charm, *The Game of Desire* is a must for all of Shan's fans and for every woman struggling to feel loved and desired.

Behind Closed Doors - Jodi Lynn Copeland 2006-04
Naughty Mistress Nita By Jodi Lynn Copeland Sent to cancel her dominatrix friend's appointment, things go seriously awry when Anita Roemer is mistaken for the Mistress herself. The last thing Zane Matthews wants is a woman to dominate him. He has enough on his mind dealing with the tail end of a divorce. But when he comes home to find the Mistress he told his buddies he didn't want asleep on his bed and looking like anything but a bad girl...who is he to say no? Review quotes for *Naughty Mistress Nita* by Jodi

Lynn Copeland ...an arresting romance of intense, spine tingling ardor. *Naughty Mistress Nita* pulses with eroticism, sensuality, and breath taking sex. ~Dena Kosche, *FALLEN ANGEL REVIEWS* 5 Flames! A steamy, erotic read. The love scenes are captivating and sensual. This is the perfect read for anyone looking to turn up the heat and indulge in something ""naughty."" ~Ansley, *SIZZLING ROMANCES* Sizzling hot, naughty and impossible to put down... This is one hot and quick read that pulls one in and overrides the senses. ~Tracey West, *THE ROAD TO ROMANCE Lessons In Lust Major* By Tawny Taylor Sometimes even teachers need to be taught a few lessons... High school music teacher Kate Evans isn't disappointed to learn she'll be traveling with her private school's new symphony conductor to a regional music educator's conference. In fact, spending hours cooped up in her subcompact might be the opportunity she's been waiting

for. Finally she'll learn a little bit more about the mysterious man she can't help fantasizing about. Lukas Krupke firmly believes in treating women like ladies, thanks to his southern upbringing. But when a series of mishaps orchestrated by an unlikely person leaves him face-to-face with lust beyond his wildest dreams, his will to do what is right buckles under the pressure. Two teachers who've secretly yearned for each other... Plus a road trip to an unexpected destination... Equals one lesson neither will forget. *Sexual Healing* By Tawny Taylor Lara Woods, book reviewer for Detroit's largest newspaper, is known for her frank, if not brutal, reviews. That goes for books written by former lovers too, including Dr. Adam Roy, even though the glimmer of sin in his eyes makes her a little short of breath. As a professional she had no choice but to diss it. The book's subject matter-touting sex as a cure for just about every ailment known to mankind-sounds like the subject matter

of a pop song rather than the work of a respectable doctor. She states her honest opinion in her review, leaving no room for misunderstanding. Naturally, Adam has his own agenda and it has nothing to do with book sales. Lara's the love of his life and he'll do anything to get her back and stoke the flame that's been smoldering between them for over fifteen years-including trigger a bit of fevered lust, a mild case of shivers, a little weakness in the knees, and enough mind-blowing orgasms to smooth out more than a wrinkle or two. In the process, he's hoping they'll both get a little...*Sexual Healing*.

The Human Tradition in Modern Japan - Anne Walthall 2002

The Human Tradition in Modern Japan is a collection of short biographies of ordinary Japanese men and women, most of them unknown outside their family and locality, whose lives collectively span the nineteenth and twentieth centuries. Their stories present a counterweight to the

prevailing stereotypes, providing students with depictions of real people through the records they have left-records that detail experiences and aspirations. The Human Tradition in Modern Japan offers a human-scale perspective that focuses on individuals, reconstitutes the meaning of people's experiences as they lived through them, and puts a human face on history. It skillfully bridges the divides between the sexes, between the local and the national, and between rural and urban, as well as spanning crucial moments in the history of modern Japan. The Human Tradition in Modern Japan is an excellent resource for courses on Japanese history, East Asian history, and peoples and cultures of Japan.

Havelock Ellis: Philosopher of Sex - Vincent Brome

2023-02-03

First published in 1979, Havelock Ellis is a biography of the philosopher of sex. Havelock Ellis trained first as a doctor but soon broke out of

conventional medicine to shock Victorian England with his encyclopaedic seven-volume work, *Studies in the Psychology of Sex*. One of the last representatives of the days when man could attempt to embrace a universal view, he wrote more than fifty books covering such diverse subjects as medicine, eugenics, love, literature, criminal law, and above all, sex. These were strewn with findings on many major problems which still trouble us today and some of his solutions remain highly contemporary. His influence permeated many areas of social thinking, and his works played a considerable part in changing attitudes towards homosexuality, the relation between the sexes and sexual patterns of behaviour. The present biography re-assesses the main themes of Ellis' work and throws new light on many aspects of his life from a wide variety of published and unpublished sources. It also provides a new account of his relationship with Freud from unpublished sources and an

Love Sex And Everything In Between Fact And Fiction From A Sexologist

evaluation of their inter-related work. This book will be of interest to students of philosophy and psychology.

Love, Sex and Everything in Between - Martha Tara Lee 2014

Sex & Sexuality: General.

John Money - Eli Coleman 1991

The most outstanding sexologists of our time collaborate in this unique volume to pay tribute to one of the truly great sexologists of all time--Dr. John Money. On the occasion of his 70th birthday, Dr. Money's fellow sexologists honor his distinguished career by contributing their own original articles to the literature as a way of furthering contemporary scientific knowledge of sexuality. In addition to the original scholarship found in these chapters, each authoritative contributor provides commentary on Money's work and how it has influenced his or her own work. Readers will become acquainted with Money's life and accomplishments through the fascinating photo essay of

his life and complete bibliography of his work, with subject index, included in this comprehensive book.

Highlights of the book include: original articles by leading sexologists: Anke Ehrhardt, PhD; Louis Gooren, MD, PhD; John Bancroft, MD, FRCP, FRCPsych; June Reinisch, PhD; Leonard Rosenblum, Eli Coleman; and Vern Bullough a photo essay by Sally Hospkins documenting Dr. Money's Career from childhood to present a complete bibliography of Dr. Money's publications which are indexed by subject, year, and type of publication--a resource any sexologist would find valuable A wide variety of topics related to the science of sexuality, including those in which Money himself was a pioneer, are featured in this exciting volume. Readers will find original discussions on the subjects of sexology, gender identity and gender dysphoria syndromes, transvestism, paraphilias, non-paraphilic compulsive sexual behavior, and the neuroendocrinology of

sex. A true collector's item, the historical value of this text will be greatly appreciated by sexologists, especially researchers, and historians of sexology. The exhaustive bibliography and its subject index is an extremely valuable tool for any researcher, teacher, or student searching for works on a vast array of topics pertaining to sexuality written by Dr. Money.

Off the Clock - Roni Loren

2016-01-05

FROM THE NEW YORK TIMES
BESTSELLING AUTHOR OF
THE LOVING ON THE EDGE
NOVELS, THE FIRST IN A
SENSUAL NEW SERIES

Overtime has never felt so good... Marin Rush loves studying sex. Doing it? That's another story. In the research lab, Marin's lack of practical knowledge didn't matter, but now that she's landed a job at The Grove, a high-end, experimental sex therapy institute, she can't ignore the fact that the person most in need of sexual healing may be her. Dr. Donovan West, her new hotshot colleague, couldn't

agree more. Donovan knows that Marin's clients are going to eat her alive unless she gets some hands-on experience. And if she fails at the job, he can say goodbye to a promotion, so he assigns her a list of R-rated tasks to prepare her for the wild clientele of The Grove's X-wing. But some of those tasks are built for two, and when he finds Marin searching for a candidate to help her check off her list, Donovan decides there's only one man for the job—him. As long as they keep their erotic, off-the-clock activities strictly confidential and without strings, no one will get fired—or worse, get attached...

Sexual Knowledge - Britta McEwen 2012-02-28

Vienna's unique intellectual, political, and religious traditions had a powerful impact on the transformation of sexual knowledge in the early twentieth century. Whereas turn-of-the-century sexology, as practiced in Vienna as a medical science, sought to classify and heal individuals, during the interwar

Love Sex And Everything In Between Fact And Fiction From A Sexologist

years, sexual knowledge was employed by a variety of actors to heal the social body: the truncated, diseased, and impoverished population of the newly created Republic of Austria. Based on rich source material, this book charts cultural changes that are hallmarks of the modern era, such as the rise of the companionate marriage, the role of expert advice in

intimate matters, and the body as a source of pleasure and anxiety. These changes are evidence of a dramatic shift in attitudes from a form of scientific inquiry largely practiced by medical specialists to a social reform movement led by and intended for a wider audience that included workers, women, and children.
