**The Essential Rumi** Jalāl al-Dīn Rūmī (Maulana) 1997 Jelaluddin Rumi was born in the year 1207 and until the age of thirty-seven was a brilliant scholar and popular teacher. But his life changed forever when he met the powerful wandering dervish, Shams of Tabriz, of whom Rumi said, "What I had thought of before as God, I met today in a human being." From this mysterious and esoteric friendship came a new height of spiritual enlightenment. When Shams disappeared, Rumi began his transformation from scholar to artist, and his poetry began to fly. Today, the ecstatic poetry of Jelaluddin Rumi is more popular than ever, and Coleman Barks, through his musical and magical translations, has been instrumental in bringing this exquisite literature to devoted followers. Now, for the first time, Barks has gathered the essential poems of Rumi and put them together in this wonderful comprehensive collection that delights with playful energy and unequalled passion. majesty are presented with love, humor, warmth, and tenderness. Take in the words of Jelaluddin Rumi and feel yourself transported to the magical, mystical place of a whirling, ecstatic poet.

*Translating Rumi into the West* Amir Sedaghat 2023-02-28 Focusing on Rumi, the best-selling Persian mystical poet of the 13th century, this book investigates the reception of his work and thought in North America and Europe - and the phenomenon of 'Rumimania' - to elucidate the complexities of intercultural communication between the West and the Iranian and Islamic worlds. Presenting tens of examples from the original and translated texts, the book is a critical analysis of various dimensions of this reception, outlining the difficulties of translating the text but also exploring how translators of various times and languages have performed, and explaining why the quality of reception varies. Topics analysed include the linguistic and pragmatic issues of translation, comparative stylistics and poetics, and non-textual factors like the translator's beliefs and

the political and ideological aspects of translation. Using a broad theoretical framework, the author highlights the difficulties of intercultural communication from linguistic, semiotic, stylistic, poetic, ethical, and sociocultural perspectives. Ultimately, the author shares his reflections on the semiotic specificities of Rumi's mystical discourse and the ethics of translation generally. The book will be valuable to scholars and students of Islamic philosophy, Iranian studies, and translation studies, but will appeal to anyone interested in the cultural dichotomies of the West and Islam.

**Me & Rumi** Shams-i Tabrīzī 2004 Rumi has become one of the best-selling poets in North America. Practically every biography highlights his encounter with Shams-i Tabrizi, the wandering mystic who became his beloved companion. Rumi had been a sober scholar, teaching law and theology to a small circle of students, but Shams turned him into a devotee of music, dance, and poetry. Then, after three years, he vanished, never to be seen again. It was Rumi's longing for the lost Shams that made him one of the world's greatest poets, celebrating him as the embodiment of the divine beloved. This book makes available for the first time in any European language first-hand accounts of Shams that have never been studied by Western scholars. When Rumi and Shams talked, members of the circle took notes, which were preserved and sometimes copied by later generations, ending up in various libraries scattered around Turkey; this book arranges them in a manner that clarifies their meaning and context, with notes and a glossary.--From publisher description.

to contemporary life. Including excerpts of poetic sacred writing from mystical sages through the ages, the book reminds readers that the purpose of yoga is not to improve one's physical health or even to achieve peace of mind (although these results may be achieved along the way), but to reach a state of unity with the divine, the goal of mystics from all traditions. With detailed descriptions and photographs of fifty yoga poses and their alchemical effects on the body and consciousness, Heart Yoga presents yoga as a simple meditative practice that enables the practitioner to dwell in the heart and experience the bliss of union with the sacred power underlying all of life. The book explains how to prepare for Heart Yoga and describes the "Five Great Joys" that are part of the path. Included are the authors' own compelling stories of their individual journeys along the path of yoga: stories of suffering, transcendence, and joy that both inspire and enlighten.

century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, *Rumi's Secret* reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

*Love, Mrs. Euker* Susan Cunningham Euker 2021-01-11 *Love, Mrs. Euker* is a series of vignettes written by a 40-year-old former teacher who returns to the classroom after ten years of retirement, leaving the calm and comfort of her well-ordered suburban life as a wife and mother for the wilds of a modern blackboard jungle. While she aspired to have a positive influence on her students, what she didn't foresee was the unexpected impact returning to teaching would have on her. In the true spirit of *coddiwompling* defined as traveling in a purposeful manner towards a vague destination, this Baltimore-based schoolteacher left her domestic cocoon and journeyed headlong into an unforeseen and unsettling future. While her family remained her central focus, she discovered a different dimension to her life, and in teaching teenagers, learned much about herself. Experience the joys and heartbreak of a life-changing career in education as you stand in a teacher's shoes as she cheers her students' success, grieves over lives interrupted, and experiences the challenge and rewards of preparing young people for an uncharted future. With wit, hard-earned wisdom and confessed foibles here and there, this veteran teacher presents a candid, insightful perspective of a career in education in all its tedium and shining moments of glory. In her account of twenty years of coaching, instructing, guiding and counseling students, live through the triumph and tears as she recounts her purposeful journey towards a vague destination. In this tribute to her former students at Hereford High School in suburban Baltimore, she writes for everyone who has ever sat in a classroom, or held a

**Collected Poems of Lenore Kandel** Lenore Kandel 2012-04-10 Jack Kerouac immortalized her in his novel *Big Sur*. A student of Zen, she hung out with Gary Snyder and Allen Ginsberg and was a speaker at San Francisco's Human Be-In. But Lenore Kandel was no muse or hanger-on; she was a brilliant lyric poet, often unabashedly erotic, and that's where her legacy lies. *Collected Poems of Lenore Kandel* contains 80 examples of her art, from the "holy erotica" of her early years to later, more contemplative works. Many of the poems have never been published, others only in rare ephemeral publications. Some are explicit, celebrating carnal love as part of the divine. Others are humorous and cover more quotidian subjects. A recurring theme is the "divine animal" duality. The collection includes poems written from the early fifties up until Kandel's death. The paradox of Lenore Kandel is that despite her prodigious talent, she was one of the least read and critically appreciated of modern poets. Kandel found her voice at a time when the Beat era was giving way to the countercultural age, and though she straddled both eras, it meant that she also fell through the cracks in terms of recognition. Now for the first time the full range of her work appears in one volume.

Working from translations in various languages and drawing on two decades of studying Rumi's work, Harvey's "re-creations" are arranged in a dance around crucial mystical themes: nondual bliss, ordeal, ecstatic recognition, revelation, and gratitude. "These short poems by Jalal-ud-Din Rumi, humanity's most passionate and exalted mystic poet, are telegrams from Supreme Consciousness, sharp, dazzling, electric messages directly from Rumi's Awakened Heart to our own, word-mirrors held up to us by Love itself so we can glimpse our own real face." —from the Introduction

Radical Passion Andrew Harvey 2012-10-23 This culmination of award-winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism. A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom, it is a wake-up call to put love and compassion to urgent, focused action. According to Harvey, we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration, a return to the heart-centered way of the Divine Feminine, the words of the mystics throughout the ages, and the cultivation of the nonviolent philosophies of Gandhi, Nelson Mandela, Aung San Suu Kyi, and the Dalai Lama. Harvey's concepts of radical passion and sacred activism fly in the face of

restraint, of pessimism, of denial, of all that is inhumane, fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth, heart and will, body and soul, prayer and action. Sacred activism asks that we engage deeply on a personal, spiritual, and political level so as to become a fully empowered, fully active, and contemplative humanity that can turn tragedy into grace, and desolation into the opportunity to build and co-create a new world. Unlike many spiritual books, *Radical Passion* does not veil the dark with artificial hope. It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible—right now and in the future. From the Trade Paperback edition.

*The Soul of Rumi* Coleman Barks 2010-12-14 Inside A Lover's Heart There's Another World, And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of

mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequaled, and here this artistic union is raised to new heights.

**Rumi and Islam** Jalāl al-Dīn Rūmī (Maulana) 2004 Offers a new way of thinking about Rumi's poetry, focusing on Rumi's place within the Sufi tradition of Islam and providing readers with an image of the mystical side of the religion-one that has love of God at its core and sublime wisdom teachings as its pathways.

The Quatrains of Rumi Jalāl al-Dīn Rūmī (Maulana) 2008 This is the first complete translation of the nearly 2,000 quatrains attributed to Jalaluddin Rumi, the famous 13th century mystical poet. It is the result of over 22 years of collaboration by an American Rumi scholar and an Afghan scholar of Persian literature. It should appeal to a wide variety of lovers of Mawlana Rumi's poetry, not just specialists: general readers who seek a deeper understanding of his spiritual teachings than popularized books (often interpretive versions claimed as translations) can provide, as well as those interested in religious mysticism in general and Islamic mysticism (sufism) in particular. The quatrains are ordered according to stages and themes of the 'lover and beloved' (spiritual disciple and sufi master). Most of the translations are followed by explanatory notes: those intended for the general reader have asterisks and often refer to the Notes, an appended glossary. Readers who have access to previously published translations and versions of the quatrains can use the

appended Concordance to make comparisons. Quatrains in the earliest manuscripts that have been found to be composed by earlier poets have been identified and placed in another appendix. Few of the quatrains have been previously translated by scholars; the quatrains in popularized books are often distorted versions, mostly rendered by authors who do not know Persian; those who do often tend to omit, change, or add. Here, the poems are presented in the context of the Islamic sufi poetry in the Persian language 800 years ago: 'wine' and 'drunkenness' do not involve alcoholic intoxication, but are metaphors for the 'mystical taste' of spiritual grace and ecstasy. The lover's longing and self-effacing love is not 'romantic', but spiritual love of the seeker for his sufi guide. This love is a means to the goal of pure worship of God Most High, the 'only Beloved', that necessitates self-effacement and mystical 'drowning' in the reality described in the Qur'an: 'Everything perishes except His Face.'

Soulshaping Jeff Brown 2010-06-15 Soulshaping is the inspiring memoir of an archetypal "male warrior"—a trial lawyer—who struggled to find his heart and a more authentic, soulful path. Rivetingly personal and profoundly universal, this book is for anyone who has heard a whisper of something truer calling out to them amid the distractions of modern life. Jeff Brown's dramatic and often funny story takes readers through remarkably human experiences—emotional, physical, and economic—as he vividly recounts his troubled childhood, his success in apprenticing with Canada's top criminal lawyer, and his ultimate decision to leave the law and begin an inner journey to discover his soul's purpose. A work of courageous self-creation, Soulshaping reminds us that we are all truly connected, that our seemingly isolated struggles are actually part of the shared human challenge to live a life that is heart-centered and soul-driven. Both down-to-earth and magically mystical, Soulshaping will meet you where you live—and where you long to live.
