Everyone he's ever known has betrayed him in the cruelest ways possible, leaving his mind cold and ruthless, and his shattered heart dark and empty. His home pack was filled with madness and deception, of the

sort that could make a wolf doubt his own sanity. When he finally escaped, he chose instead life as a rogue: always hunted, always watching his back. Then the Black Mesa Wolf Pack took him in, and within their ranks he found a semblance of normal life. The opportunity to be alpha of his own pack is an unexpected gift, one he won't lose. He has a chance for a real life again. Until the sexy she-wolf who shattered his heart and broke his soul suddenly reappears in his life. Tala Mingan never wanted to be broken, scarred, or merciless, but her upbringing made sure of that. She's the product of a damaged pack, and she'll never be able to heal completely. The one time she dared to love, all she ended up doing was hurting the mate of her heart so badly she knows he will never forgive her. When he abruptly fled their pack months ago for a better life, she couldn't blame him for leaving her too. Even so, her heart has bled every day for Luke and the fearless joy they tried to build together. Trapped by the pack that will
