*Forever Alone Guy to Ladies Man (the Ultimate Guide for Attracting Women)* S. H. 2014-10-31 Whether you're a Forever Alone Guy who's never had any luck with women, or just an average guy trying to master the art of attracting women. You need to know that attraction isn't a choice at all. It's a feeling, an emotion that is created by the overall presentation of a guy to a girl. Attraction isn't all about "types." I will show you how every type of guy could get a beautiful woman to go out with him at least once, and from that point on it's game on-maybe even more so if the guy has game and he knows how to apply the secret of emotional fluctuation. That's right. It's all about emotions. This is what the general population misses when they talk about social dynamics. If a girl rejects a guy, that guy will automatically think it's because of some physical flaw he has. Whereas, in reality it's usually his lack of understanding of how to create attraction that killed it for him. This is just a bird's eye view into what's really going on. You have to learn to be confident, how to make girls feel comfortable, attracted, and it doesn't hurt if you can make them laugh very quickly. In this book, I will help you accomplish all that and more for less than what you waste on eating and drinking out. This book will add lifetime value to your life with 30 Rich and High Quality FIELD TESTED LESSONS. So, buy your copy today and LET'S GET STARTED! Inside, you will learn: What

**Michael Jackson** Shawn Henning 2010-06-17 Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, he's collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures - all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michael's career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book... from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning... you've done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer
