**Free to Be Me** - Angelika Breukers 2018-02-12  
For many years Angelika wanted to share her  
story in a way that would give people hope and  
inspiration to change their lives for the better, or  
to create the life they want. There are many  
people living in the shadow of their past who  
need help to believe that they can change their  
life and change FOR life. Many are looking for

help and inspiration because they feel stuck and  
they think that their lives will always be that way  
and that they will always feel trapped and  
hopeless. Angelika demonstrates that you can  
change your life. There is always hope. In this  
book, Angelika shares the landmarks that  
changed her life. She encourages you to never  
give up working towards making the changes  
you desire so that you can live the life you  
deserve. Her story started the day she was  
trying on her new school dress one more time,  
so that her mother could make some alterations  
ready for her to go to school for the first time.  
What she experienced that day and since then,  
made her the person she is today - a person  
worthy of love. It doesn't matter what we have  
done or not done; we are all worthy of love  
regardless.

Many years ago, an artist applied the final brush stroke to the portrait of a beautiful woman. The woman was very young, newly married, and as close to happiness as she would ever be again. Somewhere in the Soviet Union, the portrait still exists, hanging perhaps in a museum. The image belongs to another time. After it was painted, the world the young woman knew was irrevocably altered by revolution, war, and bloody struggles for power.

limits --- or out of bounds. So ladies, get ready to play ball!! Straight Talk: Volume One Playing For Keeps \*\*\*How To Love A Woman And Make Her Love You Back\*\*\* Round One - The Try-Outs In this first of two sizzling volumes, Wright gives raw tutorials on winning a woman's affections. In locker room voice former pro basketball player Gerry Wright answers all the questions that aspiring Casanovas are dying (but too proud) to ask. From what to wear, to how to smell, to how to equip the bachelor pad, Volume I gets a man to first base ---without striking out. Loaded with clever, hard-nosed information, Straight Talk elevates men from sitting on life's bleachers as all of the quality babes walk by to becoming an All-Star at love. Unlike books like Men Are From Mars, Women Are From Venus, this two-book series deals with the real world, and gives the low down of what women really want --- in "guy talk"! Crammed with nuggets of practical information spiked with sporting terms, Playing For Keeps is savvy, sexy, and funny.

Straight Talk: Volume Two Papa's Got A Brand New Bag \*\*\*A Man's Guide To Lovin' His Woman Down\*\*\* Round Two - The Knockout Volume I Straight Talk: Playing For Keeps got a fellow's foot in the door and into her head --- Volume II Papa's Got A Brand New Bag pitches step-by-step details on how to perform in her bed. Gerry Wright, personal trainer and former pro basketball player gets straight to the point --- most men are lousy lovers. Perceptive, real and wise, in Volume II Wright teaches men the blow-by-blow moves that leave a woman crying "time-out!" In the same no-holds-barred locker room style of Volume I, Wright explicitly coaches mankind on the sensual techniques to win over the opposite sex. Based on the shared experiences on different continents as Wright played basketball, he delivers the low down on the sexual "left hooks" and "curve balls" - that American women are dying for men to throw. More than a primer on body parts (and yes) oral sex the book also instructs men to listen to their

partners. Perceptive, clever, and graphic --- Wright's instincts brand him as America's personal trainer at love. Wright's hand size (a full 11 1/4 inches spread) afforded him the ability to earn Sports Illustrated notoriety as a slam-dunk king. In two erotically raw volumes he gives tips that will have women in the palm of your hand (regardless of how many inches you're wielding). Wright's coaching a new team of men --- and, frankly fellows, she won't be trading you to another team after you read Wright's Straight Talk. Letter to Gerry Wright: Dear Mr. Wright, I went to a little book store called "Consider The Alternatives" on Thursday, April 19, looking for a book about relationships. I told Judy, the owner, that I have read many books to try to understand my man. And I couldn't seem to find one about women for men to read that wasn't just about sex. She called me at my home the very next day and left me a message that two books came in about the subject we were discussing and would I mind coming and taking them to read and

review. I went to the store the very next day and read the cover letter, then the contents of the books. I immediately took them home to read. I am 2/3 through Volume 1 and I can't put it down. You must promote this book every where. Your book is heroic to all of us who have been criticized for saying the things you had the balls to say and say it straight. These two books must be marketed ASAP. Get the word out! Thank-you so much for your gift to men and women. Your reward is very great. T.R.
