In *God Guy*, Michael DiMarco helps young males realize that being a man is not just related to age, but rather developing the character and principles befitting a man of God.

Repentance, Key to Restoring Your Relationship with God Jean Tshibangu 2020-07-09 Repent, the Kingdom of God is near. Where there is law, there is sin and where there is sin, there is the salary that is death. Man, by his disobedience, broke his covenant with God. This created a barrier in his relationship with God. As the Lord God is compassionate God, He does not please in the death of the wicked, but He wants him to repent and have eternal life. He says it in his word: "God loved the world so much that He gave His only Son so that anyone who believes may not perish but have eternal life" (John 3:16). To restore this relationship torn because of the sin, God turns towards the man He had created in his own image and according to his likeness. He gave him the way to encounter Him, the way of repentance. It's all the author recalls in this book the immensity of God's love in these times of the end that precede the return of Jesus Christ. He talks about it in detail so that everyone can review their lives and embark on the path of salvation.

Christians William Derrick Moore 2006-05-01 How Much Willful Sin is a Part of Your Christian Testimony? Christians sending the wrong message to the world is a warning to all who profess to being Christians. Their actions speak volumes about their relationship with God. Satan and the world that he controls has made many Christians a part of his battle plan against God. What you say and more importantly what you do, demonstrates to the world the identity of your true master. As Christians, we are supposed to represent God and our Lord Jesus Christ to the world. Living in peace with the world has caused many of us to become collaborators with the world in unholy activities. In the book of Romans chapter 12 verse 18, the bible gives some general guidance on how we are to conduct ourselves. It states, If it be possible, as much as lieth in you, live peaceably with all men. The problem with this guidance is that people have gone way beyond religious tolerance and accepting ungodly behavior. Christians have forgotten the most important part to understanding what this scripture really means. The scripture Hebrews 12:14 sheds light on the application of the scripture in Romans 12:18. It states, Follow peace with all men, and holiness, without which no man shall see the Lord: Certainly we must try to live in peace with the world but at what cost? Christians cannot forsake living holy to have peace with the world. When we do, the world is watching and judging us as one of them. The question then becomes, whom do you serve? Do you serve God only in words and serve his enemy in actions and deeds? This is your Christian testimony to the world. It shows the world that you care more about living in peace with it than you do about living holy and

obeying God. This book addresses the practice and acceptance of willful sin.

The Beauty of Intimacy (Women of the Word Bible Study Series) Jane Hansen Hoyt

2011-05-03 The "war between the sexes" has gone on long enough! God is moving to restore the relationship between women and men to His original design, bringing peace and harmony where there has been, for so long, strife and misunderstanding. The Beauty of Intimacy helps women open their eyes and hearts to this move of God's Spirit and challenges them to live according to the purpose God revealed for men and women at the beginning of time. The Beauty of Intimacy features eight study sessions. Topics include "A Tale of Two Trees," "She Shall Be Called Woman," "Right Expectations, Wrong Source," "Hidden Man of the Heart," and more. Each week's study examines an aspect of the relationship between women and men, digs into Scripture to find out what God's Word has to say about it, offers readers an opportunity to reflect on their own marriages or relationships, and suggests practical action steps to help women apply what they are learning.

Why Guys Need God Mike Erre 2008-01-01 Is the Christian community doing a good job of presenting the message of Jesus in a compelling way to men? Women greatly outnumber men in attendance and active participation in American churches. Pastor Mike Erre offers a solution for this imbalance: a thoroughly biblical and engaging theology of manhood that is missing in many churches today. This call to move past cultural definitions of masculinity goes straight to the heart of the issue: Creation--men and women bear the image of God in unique and surprising ways. The fall--men cannot experience significance on their own, so their lives often feel meaningless and empty. Redemption--God redeems a man's work, his sexuality, and his relationships. Unmasking unhelpful stereotypes of masculinity, this presentation of godly manhood inspires men to more effectively grow in Christ's image and empowers women to understand and encourage the men in their lives.

Restoration of Man's Broken Relationship with God William Byungchul Rhee 2019-07-31

Christianity is a loving relationship with God, not just believing and following the biblical teachings. All narratives in the Bible individually and collectively reveal God's consistent heart to restore his broken relationship with man. This book shows that the only and ultimate objective of God's ministry in the Bible is to lead man to grow in loving relationship with God. For those who minister God's heart, this book presents approaches and examples of: - How to interpret Scripture to discover God's heart. - How to preach gospel centered sermon. - How to teach Scripture based spiritual growth.

Being God's Man by Understanding a Woman's Heart Stephen Arterburn 2010-05-19 How to be God's man in relationship with a woman. Few men would ever embark on an important project, a significant career change, or a major athletic challenge without gathering all the tactical knowledge possible to insure a good outcome. Yet, when it comes to relationships with women, most men fail to apply the simple principles that make them successful in other areas of life. It may be easy to get into a relationship with a woman, but it's not so easy to make the relationship work well. It takes energy. It demands effort. It requires education and understanding. God is available to help. But there's a catch: God's man must connect with God's purposes before he can truly connect with his wife (or wife-to-be). God uses the marriage relationship to promote growth in men's lives, because it shows us our character gaps and drives us to Him for solutions. If you want true intimacy and connection with a woman, you'll need to grow up and graduate from God's school of character. This book, *Being God's Man by Understanding a Woman's Heart*, is the perfect start. Special Features:

Jesus God and Man Wolfhart Pannenberg 2013-01-26 Wolfhart Pannenberg is one of the giants of twentieth century German systematic theology, and all serious students of German doctrine are obliged to take account of his work. In particular, his weighty but succinct single-volume systematics, "Jesus - God and Man" - which was first published in English in 1968, and which has since formed the basis of countless courses and seminars in the field (as well as the inspiration behind many dissertations) - is perhaps the single publication by Pannenberg that might be called indispensable and unmissable. For Pannenberg one can only talk about God when one at the same time talks about Jesus. Theology and Christology, the doctrine of God and the doctrine of Jesus as the Christ, are therefore insuperably bound together. This book develops the connection systematically, through a careful mode of biblical, dogmatic and philosophical exposition.

Rough Cut Men David Dusek 2015-03-18 In the movie industry, the rough cut is defined as the raw, first edition of a movie, which provides an idea of what the finished product will look like, giving indications of where it has problems and where it excels. Much like a rough cut movie, *Rough Cut Men* are not the “finished product”. We are a work in progress. Philippians 1:6 reads: “being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.” Men today have hundreds of acquaintances, but most have no real friends. Men are isolated and struggling alone. And while the Bible says we are to “Pity the man who falls and has no one to help him up.” (Ecc. 4:10), most guys go into the battles of life with no covering fire. Every man needs a battle buddy. *Rough Cut Men* utilizes a strategic blend of “guy” movie scenes, real world tales of men, Biblical Truth and even throws in some of the author’s personal testimony to accomplish one focused mission: To get men talking to each other about what’s really going on in their lives. Each chapter contains hard-hitting questions designed to drive men deeper in their walk with other men and with Christ. *Rough Cut Men* is real, raw and authentic. And it will equip you for the battle.

How to Study the Bible Watchman Nee 1999 The Bible is the inspired word of God, and every believer should study it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established word. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can receive very little in our study of the Bible if our person is not proper before the Lord.

Marriage from the Heart Donald R. Downing 2010-04 Marriage is God's idea. He has no bad ideas. He brought Eve to Adam, married them and they lived as husband and wife for over 900 years (Genesis 2:21-25 and 5:5). By this, we can conclude that divorce was not God's idea but Satan's idea, to destroy God's ideas, plans and purpose of marriage between a man and a woman. We seek to find the right person when the greater picture is to be the right person. Man sets the time for the wedding, but God sets the time for the marriage. There is a great difference between a wedding and a marriage. Many walk down the aisle to be wedded for all the wrong reasons. Saying "I do" and placing wedding rings upon fingers does not always mean they are married within their hearts. This book reveals that a man and a woman may marry, and yet not be a true husband and wife. It stresses the importance of friendship, courtship, engagement and being married from the heart. Introducing a revolutionary approach to the covenant of marriage, this book addresses commitment, romance, love, keeping a right heart, a sound mind and a pure relationship. Dr. Donald R. Downing is a heart physician and specialist from God to the body of Christ. He has written over 12 books, and considers *Marriage from the Heart* to be one of his most important writings. He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart. FEATURING DRS. When He Doesn't Believe Nancy Kennedy 2001-09-18 You Can Thrive-Not Just Survive-in An Unequally Yoked Marriage Marriage is challenging, even under the best of circumstances. But for those of us whose husbands don't believe or are not growing spiritually, marriage brings difficulties unlike those faced by other women of faith. If you love a man who is not committed to Christ, you may feel frustrated, guilty, or anxious; discouraged and lonely. You likely worry about how your husband's beliefs-or lack of them-will affect your children. Perhaps you, like so many women, have tried to “help” your husband find or deepen his relationship with God-only to find that you have, unbelievably, pushed him farther away. You may be wondering, “What do I do now?” Or, worse, you may have lost all hope. God is still in control. Speaking from experience, Nancy Kennedy offers

biblical truth, practical help, and comforting insight from women who have walked in your shoes—and who have come to better trust God and more fully understand what to do (and what not to do) When He Doesn't Believe.

Every Man, God's Man Stephen Arterburn 2008-12-30 Spiritually, men are frustrated today because they feel they are repeatedly coming up short or are in other ways unfulfilled. Like football players in the “red zone,” they are struggling to complete the drive toward integrity and intimacy with God. That drive toward spiritual maturity requires both a shift of heart and a re-examination of the spiritual habits. What men lack today is, first, clear understanding of what God is really after in the relationship, and second, a clear plan connected to their goals that make sense practically and biblically. That's what makes this book special: It specifically reveals God's heart for men in the spiritual “red zone,” and sets forth the choices they must make to take the relationship with God all the way. Like other books in the “Every Man” Series, *Every Man, God's Man* boldly gets into men's heads and gives hope. It helps them persevere in their pursuit of God. Provides new insight into God's objectives for them. And brings them to the new place God is calling them—a place of completion in the faith.

Evidence for the Resurrection Josh McDowell 2010-12-09 When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared...alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his, bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today.

Tracing the Relationship Between God and Man Stanley Williams 2020-05-18 This book was written to simplify the biblical relationship between God and man beginning with Adam and ending with the book of Revelations. It is a quick read that denotes the determination and love God has extended to humanity. This book focuses strictly on the unique people and covenants God made with man.

Communion with God John Owen 2001-11 Communion with God, or in full, "Of communion with God the Father, Son, and Holy Ghost each person distinctly, in love, grace, and consolation; or, the saints' fellowship with the Father, Son, and Holy Ghost unfolded," is John Owen's finest devotional treatise. This work expounds "the most glorious truth that believers may have distinct communion with the three persons Father, Son, and Spirit," and being addressed to the "Christian reader" is simpler than much of Owen's theology. (Unabridged. Includes all footnotes.)

A Man's Guide to Work Patrick Morley 2018-03-06 We were created to work, and feel most happy, alive, and useful doing the work we were created to do. The act of productivity is its own reward. Half a man's life is bound up in his work, but few men ever learn a biblical framework, or "theology of work," to help think correctly about all those hours, weeks and years they invest in their job. Patrick Morley, author of *The Man in the Mirror* knows that men everywhere want their lives to count and make a real difference. He has written a book for men in the workforce who want to integrate their faith and work. Whether a businessman, construction worker, salesman, lawyer, accountant, or plumber, men will be introduced to principles which provide a better understanding of themselves and how to be most effective and valuable in their chosen career. *A Man's Guide to Work* helps train men for the marketplace. It helps them figure out how their relationship with God should influence their work and relationships with colleagues. It ultimately shows men how to experience the power of God in their work, to bring about social transformation through their work

God and Me William A. Gattaly 2015-11-16 Why did God create man? Why did God send His son to redeem mankind? Did Jesus know He was the Son of God? Did Jesus have freewill? Should Mary be revered? Does God send trials to test the faith of His creation? Do you ever wonder about your relationship with God? Over the course my life, I have pondered not only what I believe, but why I believe. Be a Man! Larry Richards 2009-09-15 Men are rediscovering the importance of the spiritual life. And Father Larry Richards is helping them do it. While some writers apply a one-size-fits-all approach to the Christian life, Father Richards draws on his many years of ministry and his own experience as a man to inspire other men as men. In *Be a Man!*, he recounts his struggles to learn true manhood, as well as the inspiring stories of others he has served in his decades as a priest. He tells men how to focus on the right goal, how to live as a beloved son of God, of the need to acknowledge one's faults and to live according to the Holy Spirit, to be a man of true love and of wisdom, to appreciate properly the differences between men and women, to pursue holiness, and to make a difference in the world. Not preachy but direct, Father Richards challenges men to be strong, without putting on a mask of false strength or machismo. He calls men to admit their weaknesses and limitations, while urging them to find strength in faith and genuine love to overcome their sins and faults. Although a celibate priest, he minces no words when it comes to the place of sexuality for the unmarried man as well as for the married man. He shows that true manliness is not opposed to love but thrives on it. Father Richards stresses that a relationship with Christ reveals the meaning of a man's life and his identity as a man. He inspires men to become the true heroes they long to be men of authentic courage, compassion and integrity. This is a highly readable book for men by a man who knows how to talk to men about the things that matter most.

The Blessing Is the Journey Angela E. Mcknight 2015-09-02 *The Blessing is The Journey* is a Christian inspiration book that gives testimony that when the hand of God is positioned on your life, there is no plan that can override his plan. It discusses the issue of fulfilling the destiny that God has planned for your life. I share overcoming obstacles and facing fears on the journey to purpose.

Bible tells us that the steps of a righteous man are ordered. It is in my journey and in my spiritual development to see these words become life lessons in the flesh. In it, I share my journey to building a relationship with God, as well as some of the trials in which God used to teach me his purpose for my life. It discusses those unique and precious gifts he gives us to help us along our journey and, most of all, his love for us and his desire to have us live fulfilled lives. I have not only learned to hear the voice of God, but I also have learned that a relationship with him will teach you to hear his voice along this journey. My proof is that over the course of twelve years, God did some of the most amazing things, as it is his will that my life be in alignment with his will. I am in no way saying that I am the perfect Christian, and in fact, there is no such thing as a perfect person. All I can say is that trusting and obeying God will eventually lead you to his promises for your life. If I am there yet is the question you might ask. It is only a question that I can answer with transparency and humility. No, I am not there yet, but I am closer than I have ever been. I believe that our lives are the evolution of who we were created to be. When you have a relationship with God and he reveals himself to you, you are moving to your higher self, the person he created you to be. This has been my journey, and this is just the beginning of my spiritual growth in him. I am his work in progress, and I am evolving toward the real me. I share my testimony as evidence that God does truly use the foolish things of this world to confound the wise. I can give witness that it is truly a humbling experience to hear the voice of God and even more so when he reveals himself to you. It is a thirst that nothing in this world can satisfy. I share with you my story of how I had to grow to an understanding of the gifts that God had placed inside of me and how they are to be used for the building of his kingdom. When God gives you a gift, it is never just for you. The gift that he gives us, when shared, ultimately shows his glory. In finding that gift, you must first be open to his love. God is love and is the greatest gift to us. It is his love that empowers us and gives us the strength to just keep going. In the face of adversity, he will give us his strength and his power to endure life's storms and attacks that seek to rob us of his promises to give us a better life. Love is the connection to him, and when we share that love, the greater the strength in us. This is my testimony of God's love.

The Responsibility of Manhood Jeffrey Bernard Bowens AS BS MSM 2019-10-07 The purpose of this book is to help men find direction in life. To serve as a guide to the young men who do not have a father figure in their life. When we are not careful, we may take the wrong turn in life. The wrong turn could be the difference between life, death, failure, or success. We follow a day by day journey praying to strengthen our relationship with GOD. Men are created in the image of GOD. Sometimes as men we seem to forget what is important. What is important is our health, family and fatherhood. GOD wants us to believe in him and serve while helping others believe in him. So many people are in doubt and have given up on their dreams. The life they have lived and the things that happen around them cause them to lose faith. We must have faith even when it seems that what we are seeking is impossible. So many people miss out on their dreams because they don't have faith. We are images of GOD and through him everything is possible. Never believe there is something in life you can't accomplish. Our values and accomplishments in life set the direction for young boys growing up. Boys model themselves after their fathers. What they see their fathers do is what helps develop their manhood. For example, if the father is loving, supportive, and kind around the boy then the behavior will be recognized, and the boy usually models the same behavior. We pray for GOD to give us the strength to make the right decisions. We pray so that as men although we are not perfect can set a good example for young men. Finally, we pray for changes to occur in our lives so we can develop a relationship with GOD. Men are supposed to provide and protect the family. Today's men are not playing their roles as fathers and husbands. So many men feel they are not doing what is expected of them because of the society. Times have changed, and life is a lot more difficult to live. Remember. If you don't run into difficult obstacles, then you won't learn anything. The brain must be unlocked and the more you learn the more knowledge you possess. Remember never put a limitation on how far you can go in life because through hard work you can accomplish great things. For example, the soul is as important to a body as DNA is to a cell. Without the soul, the body will not function; just as a cell cannot function without DNA. Remember that through God we can do all things, and he is
