Marriage & Family: The Missing Dimension - United Church of God 2010-10-20

The joy of a happy marriage blessed with loving, respectful children is a dream of most men and women. Traditionally, marriage has been an exclusive bond between a man and a woman. Yet in recent years this pattern has been changing. Looking at the state of marriage today leaves no doubt that the institution is under serious attack. A crisis in child rearing has developed in part because of the crisis in marriages. So what are the keys to a happy, successful marriage and family? -- Inside this booklet: -- Marriage and Family: The Spiritual Significance -- God's Instruction Manual for Marriage -- Dating Dos and Don'ts -- Divorce-Proof Your Marriage -- Our

Theorizing Sexuality - Jackson, Stevi 2010-03-01

The book confronts the anxieties associated with sexuality in the late modern, western world and engages with wider debates on social transformations in late modernity. As such, it provides both an overview of the field of sexuality as well as setting a new agenda for debating the topic.

Varieties of Feminist Liberalism - Amy R. Baehr 2004

The essays in this volume present versions of feminism that are explicitly liberal, or versions of liberalism that are explicitly feminist. By bringing together some of the most respected and well-known scholars in mainstream political philosophy today, Amy R. Baehr challenges the reader to reconsider the dominant view that liberalism and feminism are incompatible. Visit our website for sample chapters!

Values in Sex Education - Mark Halstead 2003-09-02

Sex education is rarely out of the news. Despite this, there exist surprisingly few studies of the principles, policies and practice of sex education. This book provides such an examination, focusing on the values to which children are exposed in sex education. Sex

education inevitably involves the transmission of values, regardless of whether this is intended by teachers. Throughout the book, academic and professional literature on both values and sex education is reviewed and discussed. The authors look at the implicit liberal values, which underpin programmes of sex education, and at the challenges presented by the diversity of values in contemporary society. The book also considers: * Why values are central to sex education * Children's voices and children's values * Religious and family values * Achievable aims for school sex education * How to help young people to reflect critically on the influences to which they are exposed and on their own developing sexual values * How to build values into practical approaches to sex education at both primary and secondary levels. This timely book will help all those involved in sex education to steer a path between controversial and often opposing views and will be essential reading for students on PGCE and

BE courses. It will also be a valuable resource for teachers and professionals involved in teaching sex education such as teachers of personal and social education, form tutors, heads of year, school nurses, health workers and academics.

Flying Free: A Journey from Fundamentalism to Freedom - John Morgan
2009-03-10

Flying Free thoroughly covers the background of the Worldwide Church Of God (WCG) cult â its history, leadership, doctrines, beliefs and its membership. This book contains never previously published research explaining

Herbert Armstrongâs Holiness Quaker upbringing. It also includes extensive research on the WCGâs comparison to a cult, and the characteristics that actually define a cult. Flying Free documents the impact of the Armstrong teachings on individual lives, but then goes on to show a priceless freedom â found in life beyond fundamentalism. Flying Free is a valuable, practical resource for ex-WCG members and for relatives or friends attempting to come to terms with the reality of loved ones joining a cult. It should serve as a warning to those contemplating entering a fundamentalist church. The book also includes a balanced assessment of the origins of the Bible, the authority of the Bible, and an appraisal of organised Christianityâs influence on the individual Christian.

Jung and Sex - Edward Santana 2016-10-04
C. G. Jung, despite not being widely known for his views on sexuality or the treatment of sexual issues, made extensive contributions to understanding the complexities of this field throughout his life. In *Jung and Sex*, Edward Santana makes the case that reclaiming this knowledge can address substantial problems with current treatments and support many who struggle with sexual issues. This thorough exploration of Jung's approach to sexual issues presents a wide-ranging new look at his work and adds contemporary perspectives for helping those suffering with sexual difficulties. The book calls for an important bridging of clinical perspectives to address the contemporary challenges of complex sexual issues and brings attention to a large body of Jung's work on human sexuality, ranging from pioneering

thoughts on sexual expressions of the soul to understanding ways to treat sexual symptoms. *Jung and Sex* provides a comprehensive analysis of Jung's views on, and clinical approaches to, sexual issues and treatments, using this knowledge in order to help those with sexual problems and the professionals who support them. It is an essential text for understanding critical dimensions of human sexuality. *Jung and Sex* is an important contribution that closes a gap in the literature of Jungian psychology. It offers unique insights into the subject for Jungian psychotherapists, analytical psychologists, sex therapists, and relationship counselors. The book also supports the work of academics and those interested in contemporary applications of Jungian and post-Jungian studies. *Sex - Its Unknown Dimension* - David C. Pack 2010-09

fantasy, perversion, and pursuit-in or out of marriage. Society is flooded with movies, books, magazines, advertisements, television programs, and websites for every kind of pornography and sex-related act the misguided creative genius of mankind could devise. Deluded educators and ignorant moralists have taught young minds for decades that there are "no absolutes" and to follow "situation ethics" in all circumstances. These misguided teachers have led the world into a kind of secular humanism-one in which people are driven by how they feel rather than clear definitions of right and wrong. In addition, the world's supposed "great religions" have

collectively FAILED a world counting on them for deliverance from the misery besetting all civilization. This has led to a level of immorality and kinds of perversion perhaps never before seen in history. Yet there is right and wrong in life. And there is an awesome purpose for humanity collectively that, when fully understood, is inseparable from the purposes of sex and the marriage institution. Sex-Its Unknown Dimension reveals this incredible knowledge-knowledge that you must not be without!
