

Must Love Coffee

Coast to Coast - Melanie Ting 2018-12-01

Gabriel Olsson is falling in love. From the moment I saw Lily Larson—lost in the middle of campus—I knew she was a golden girl. She’s blessed with charm, beauty, and confidence. Yet out of all the guys in this small Swedish town, she chose me. I’m not questioning why because Lily is my sunshine in the dark Nordic night. She awakens a romantic side I didn’t know I possessed. Everything was perfect until the day she left, when my awkwardness made our break-up especially painful. Now Lily won’t even talk to me. My one slim chance to win her back is a hockey try-out in her hometown in Canada. But to get there I’ll have to polish my rusty goaltending skills and—hardest of all—leave the

family that I’ve been holding together for five years. Even then, there’s a chance that all my sacrifices will mean nothing. But I must try because Lily is worth it. This global hockey romance is the fifth book in the Vancouver Vice series, but can be enjoyed as a freestanding book.

What Moons Do - Danielle Bannister 2020-10-05
It started as a stupid assignment: Photograph the moon in all its phases. Child's play for high school junior Heather Daughtry. Science, she understood. How to be a wallflower, easy. Being besties with an extrovert who radiated awesomeness she had down pat. Getting the attention of boys, however, was a subject she just couldn't figure out. Especially after Josh

Gavin, the guy Heather had a major crush on for the last three years, asked her best friend, Trista, to Homecoming instead of her. Her world is turned upside-down as Trista concocts a plan to push Josh back into Heather's orbit. Trista's idea would be insane, that much she knew, but she'd follow after Trista... because that's what moons do.

Doppelganger - Danielle Bannister 2017-01-21
Julie Green was NOT having a midlife crisis. Her move across the country from sunny LA to the unsuspecting town of Bucksville, New Hampshire, was NOT about her being up to her eyeballs in fake people and even faker tits. It was NOT about hating her job as a temp and most definitely did NOT have anything to do with

her ex-boyfriend or his wife getting pregnant with kid number three. No, this move was going to be her chance for a 'do-over.' A quiet life in a quiet town. Or, at least, that was the plan. A case of mistaken identity thrusts her into the public eye, tossing her into a world of flashbulbs and shadows. Not the ideal situation to meet her potential Mr. Right, but her newest temporary gig was unlike any she'd ever held. The chance of a lifetime... Will it get to be too much, forcing her to cut and run--or will she find out that love stories aren't just for the silver screen?

from his past; a past forgotten only when drunk. What remains of her soul is broken. When Jada moves into that tiny town, two flames will join together, while the third burns with rage. The Perfect Love - Michelle Caple Taylor
2017-03-15

The Perfect Love is just that, perfect. Whatever you envision the love of your life to be, that is what perfect constitutes. It is the pillow of wealth to your every desire. Love - It could possibly be the very essence of what makes us alive. This perfect love is unconditional, it does not, cannot disappoint, frustrate or leave you when you least expect. So many times in life we compare the ways of one another to determine what Love is. In contradiction to what we do, to find perfect love you must first know what love is. This book will guide you to love. The pages of this book will not leave you wishing you would

have met love, married love or experienced love. After reading The Perfect Love you will no longer have false expectations of others to fulfill only the place God is supposed to be. This is loving at its finest... a love like no other, the greatest love of them all... In God there is no lack; not when God is Love.

Must Love Coffee - Danielle Bannister
2018-02-19

Must Love Coffee. That was the first requirement coffee shop owner, Finn Allen, insisted upon in his ad for a new barista. He wasn't expecting his valedictorian, coffee-hating nemesis, Samantha Whitman, to answer the ad, or for her to look smoking after all these years. It was too bad she was married because that's a line Finn, a recovering playboy, wouldn't cross. Things get muddy, however, when Sam turns to him for comfort during a crisis. Can Finn keep his emotions in check or will he screw things up yet again?

NANNY FOR 10-YR-OLD TWINS. MAINE COAST. OWN ROOM & GENEROUS SALARY. MUST LOVE BLACK. “Must love black?” Sounds like a coffee-loving, seclusion-seeking goth girl's dream job. Philippa isn't fazed by the fog-enshrouded mansion on a cliff, the weirdest twins on the planet, or even the rumors about ghosts, 'cause when she meets the estate's hot gardener, Philippa's pretty sure she's found her dream boy, too. Too bad Geoff's already taken...by a girl whose wardrobe is head-to-toe pink. Still, Philippa can't get Geoff out of her head. What will it take to lure him to the dark side?

[Calm in the Chaos](#) - K. K. Hodge 2023-02-03
During the peak of the COVID 19 pandemic, there seemed to be turmoil and chaos everywhere I looked. We were surrounded by illness, death, loss of jobs, business closures, political debacles, and just for fun, a couple of hurricanes and tornadoes. Life was quite chaotic. I began writing words of

encouragement for myself, and soon began sharing them on my blog page. Each morning, I would settle in at my huge kitchen table or out on my back deck, and I prayed, “Give me a word, Lord.” Every day, God gave me a topical word, and from that, a devotional flowed from my keyboard. The words were truly God inspired. My sister and my husband challenged me to continue writing for 365 days, and I accepted the challenge. I thought I would run out of words, but oh no, not this wordy girl! God designed this old girl, and He gave me the gift of gab. Through daily Bible reading, research, and writing of these devotionals, I have grown closer in my walk with Christ, and my good, good God calmed the chaos in my heart day after day. I pray that you too will find solace in these words. May you find calm in the chaos of life.

traffic on a major thoroughfare during their ordinarily routine commute home. As a result of the encounter, Sean Smith becomes the wrong-way driver's first victim when he is run off the highway trying to avoid a head-on collision. Minutes later, Charles Washington suffers the same fate just a few miles down the road. When the dust finally settles, one of them is killed and the other is critically injured. While the families of the two men struggle to pick up the pieces of their shattered lives, the driver who caused the carnage has simply disappeared into the dead of night. Police discover skid marks from the assailant's car at one accident scene but not the other. Detectives are immediately suspicious that perhaps this was no random accident. They hesitate initially to call it murder. But when it is discovered that one of the victims has had threats made against his life by someone reputed to have ties to organized crime, this affirms for the detectives that they are, in fact, on the right trail. All who are close to the case

agree: this method of murder is beyond bizarre.
