SPIN - 1996-02

From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds.

Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Indian Summer - Alex von Tunzelmann
2012-10-25

The stroke of midnight on 15 August 1947 liberated 400 million Indians from the British Empire. One of the defining moments of world history had been brought about by a tiny number of people, including Jawaharlal Nehru, the fiery

prime minister-to-be; Gandhi, the mystical figure who enthralled a nation; and Louis and Edwina Mountbatten, the glamorous but unlikely couple who had been dispatched to get Britain out of India without delay. Within hours of the midnight chimes, however, the two new nations of India and Pakistan would descend into anarchy and terror. INDIAN SUMMER depicts the epic sweep of events that ripped apart the greatest empire the world has ever seen, and reveals the secrets of the most powerful players on the world stage: the Cold War conspiracies, the private deals, and the intense and clandestine love affair between the wife of the last viceroy and the first prime minister of free India. With wit, insight and a sharp eye for detail, Alex von Tunzelmann relates how a handful of people changed the world for ever. *Thomas Register of American Manufacturers* - 2003

Vols. for 1970-71 includes manufacturers catalogs.

Freedom's Forge - Arthur Herman 2012-05-08
NEW YORK TIMES BESTSELLER • SELECTED

BY THE ECONOMIST AS ONE OF THE BEST BOOKS OF THE YEAR "A rambunctious book that is itself alive with the animal spirits of the marketplace."—The Wall Street Journal

Freedom's Forge reveals how two extraordinary American businessmen—General Motors automobile magnate William "Big Bill" Knudsen

*Downloaded from
legacy.opendemocracy.net on 2019-01-05
by guest*

and shipbuilder Henry J. Kaiser—helped corral, cajole, and inspire business leaders across the country to mobilize the “arsenal of democracy” that propelled the Allies to victory in World War II. Drafting top talent from companies like Chrysler, Republic Steel, Boeing, Lockheed, GE, and Frigidaire, Knudsen and Kaiser turned auto plants into aircraft factories and civilian assembly lines into fountains of munitions. In four short years they transformed America’s army from a hollow shell into a truly global force, laying the foundations for the country’s rise as an economic as well as military superpower. *Freedom’s Forge* vividly re-creates American industry’s finest hour, when the nation’s business elites put aside their pursuit of profits and set about saving the world. Praise for *Freedom’s Forge* “A rarely told industrial saga, rich with particulars of the growing pains and eventual triumphs of American industry . . . Arthur Herman has set out to right an injustice: the loss, down history’s memory hole, of the epic achievements of American business in helping the United States and its allies win World War II.”—The New York Times Book Review “Magnificent . . . It’s not often that a historian comes up with a fresh approach to an absolutely critical element of the Allied victory in World War II, but Pulitzer finalist Herman . . . has done just that.”—Kirkus Reviews (starred review) “A compulsively readable tribute to ‘the miracle of mass production.’ ”—Publishers Weekly “The production statistics cited by Mr. Herman . . .

astound.”—The Economist “[A] fantastic book.”—Forbes “*Freedom’s Forge* is the story of how the ingenuity and energy of the American private sector was turned loose to equip the finest military force on the face of the earth. In an era of gathering threats and shrinking defense budgets, it is a timely lesson told by one of the great historians of our time.”—Donald Rumsfeld

[Sex is Forbidden](#) - Tim Parks 2013-05-02

Sex is forbidden at the Dasgupta Institute. So what is the sparkling, magnetically attractive Beth Marriot doing here? Beth is fighting demons: a catastrophic series of events has undermined all prospect of happiness. Trauma leaves her no alternative but to bury herself in the austere asceticism of a community that wakes at 4am, doesn't permit eye contact, let alone speech, and keeps men and women strictly segregated. But the curious self dies hard. Conflicted and wayward, Beth stumbles on a diary and cannot keep away from it, or the man who wrote it. Originally published with the title *The Server*
