**My Father's Daughter** - Lily Lawson 2020-06-28

"An excerpt from Autopsy, by Lily Lawson -If, as time moves on, the words that I have shared remain with you, and call you back to read them once again my work is done. "My Father's Daughter, a collection of poems ranging from lighthearted to heart-rending. captures Lily Lawson's thoughtful observations about life and love

*Dad Do My Hair* - Mickens 2015-05-10

A daughter's relationship with her father can be a special, loving bond, if the two learn to communicate their feelings and opinions honestly.

Breakdowns in communication are common obstacles to the father/daughter relationship. In "Dad Do My Hair," Cydney Mickens presents a series of progressive activities designed to develop, enhance, polish, and stimulate the interaction and communication between fathers and daughters. The topics include aspects of life fathers sometimes hesitate to discuss with their daughters, providing the reader the opportunity to break new ground in a safe, supportive environment.

Mickens asks us to tackle topics we often avoid due to timing, uncertainty, and downright fear. Writing the answers to these questions avoids the embarrassment or anxiety of initial face-to-face conversations. Through honesty and effective communication, facing these issues helps fathers and daughters grow closer—even if the topic of boys always leaves Dad a little nervous. A powerful tool for fathers and daughters to strengthen or establish bonds of love and friendship, "Dad Do My Hair" offers benefits throughout the different stages of your daughter's life, backed with positive, motivational quotes and phrases to inspire your own writing.

*Be the Dad She Needs You to Be* - Kevin Leman 2014-05-20

From the New York Times best-selling author of *Have a New Kid* by Friday comes a call to dads to step up to the plate and become the loving, actively engaged father that a daughter needs for life and relational success. The relationship that matters most to your daughter isn't always the one with her mother—sometimes it's the one with you, Dad. Her self-esteem, choices, behavior, character, and even her ideas about or choice of a marriage partner are all directly tied to you, as the most important representative to her of the male species. In *Be the Dad She Needs You to Be* Dr. Kevin Leman—internationally-known psychologist, New York Times best-selling author, and father of four daughters—will show you not only how to get the fathering job done and done well, but also how to: Make each daughter feel unique, special, and valued. Discipline the right way . . . when it's needed. Talk turkey about what guys are really thinking. Keep the critical eye at bay. Wave the truce flag when females turn your family room into a battleground. Set your daughter up for life and relational success. With some effort on your part, you can gain the kind of lasting relationship you dream of with your daughter—one based on mutual love and respect. The simple yet profound suggestions in this book will transform you into the kind of man your daughter needs . . . for a lifetime.

*52 Things Daughters Need from Their Dads* - Jay Payleitner 2013-03-01  
Most dads love their daughters, but they're uncertain how they can show that love in a way their daughters understand...or figure out what their girls really need from them. Jay Payleitner has given thousands of dads great, man-friendly advice in his bestselling *52 Things Kids Need from a Dad*. Now Jay guides his readers into what is unexplored territory for many of them—girl land—giving them ways to... do things with their daughters, not just for them lecture less and listen more be on the lookout for "hero moments" and take advantage of them realize that their daughters are females...and tailor their actions and responses accordingly give their daughters a positive view of the male sex Dads will feel respected and encouraged—not made to feel guilty—and they'll gain confidence to initiate activities that build lifelong positives into their girls. Great gift or men's group resource.

*Strong Fathers, Strong Daughters* - Meg Meeker 2006-09-30

Inspiration for the motion picture streaming on Pure Flix! Drawing on her thirty years' experience practicing pediatric and adolescent medicine, teen health expert Dr. Meg Meeker explains why an active father figure is maybe the single most important factor in a young woman's development. In this invaluable guide, Meeker shows how a father can be both counsel and protector for his daughter as she grows into a spiritually and mentally strong young woman. From cradling his newborn to walking her down the aisle, a father must relish his paramount responsibility—guiding the course of his daughter's life. Meeker reveals • how a man can become a "strong father" • how a father's guidance influences every part of a woman's life, from her self-respect to her perspective on drugs, alcohol, and sex • how to lay down ground rules that are respected without creating distance in your relationship with your daughter • why you need to be your daughter's hero • the mistakes most fathers make and their serious consequences • how to help daughters make their own good decisions and avoid disastrous mistakes • how a father's faith will influence his daughter's spiritual development • how to get through to you daughter, even during her toughest don't-talk-to-me years • true stories of daughters who were on the wrong path—and how their fathers helped to bring them back Learn how to grow, strengthen, or rebuild your relationship with your daughter to better both your life and hers in the bestselling *Strong Fathers, Strong Daughters: 10 Secrets Every Father Should Know*.

*The Unavailable Father* - Sarah S. Rosenthal 2010-04-06

Strategies for overcoming a damaged father/daughter relationship  
Problems between fathers and daughters can damage a young girl's identity, convince her she's unloveable or without worth, and send her into unhealthy adult relationships. This groundbreaking book includes in-depth stories and case histories of a broad spectrum of women over 25 who have recovered and flourished in their professional and personal lives despite the lack of a father's recognition and affection. While the legacy of pain that these fathers leave is deep, there is much that can be done to alleviate and even conquer it. Using these women's stories as well as her insights from her private practice, the author outlines basic strategies to overcome the void left by an abusive, absent, alcoholic, mentally ill, irresponsible, selfish, or unloving father. Written by Sarah Simms Rosenthal who has a thriving practice in New York City Reveals how to understand the truth about your childhood Includes strategies for discovering and analyzing past adult relationship mistakes—both personal and professional Offers successful techniques for establishing new patterns of behavior The women whose stories are told in *The Unavailable Father* have learned to recognize and change the patterns instigated by their dysfunctional fathers and have moved forward, fulfilled.

**Things I've Been Silent About** - Azar Nafisi 2009-11-24

Azar Nafisi, author of the international bestseller *Reading Lolita in Tehran*, now gives us a stunning personal story of growing up in Iran, memories of her life lived in thrall to a powerful and complex mother, against the background of a country's political revolution. A girl's pain over family secrets; a young woman's discovery of the power of sensuality in literature; the price a family pays for freedom in a country beset by political upheaval - these and other threads are woven together in this beautiful memoir. Nafisi's intelligent and complicated mother, disappointed in her dreams of leading an important and romantic life,

created mesmerising fictions about herself, her family, and her past. But her daughter soon learned that these narratives of triumph hid as much as they revealed. Nafisi's father escaped into narratives of another kind, enchanting his children with classic tales like the Shahnameh, the Persian Book of Kings. When her father began to see other women, young Azar began to keep his secrets from her mother. Nafisi's complicity in these childhood dramas ultimately led her to resist remaining silent about other personal - as well as political, cultural, and social - injustices. Reaching back in time to reflect on other generations in the Nafisi family, *Things I've Been Silent About* is also a powerful historical portrait of a family that spans the many periods of change leading up to the Islamic Revolution of 1978-79. It is, finally, a deeply personal reflection on women's choices, and how Azar Nafisi found the inspiration for a different kind of life. This unforgettable portrait of a woman, a family, and a troubled homeland is a stunning book that readers will embrace, a new triumph from an author who is a modern master of the memoir.

**Father Hunger** - Douglas Wilson 2012

Filled with practical ideas and self-evaluation tools, *Father Hunger* both encourages and challenges men to "embrace the high calling of fatherhood," becoming the dads that their families and our culture so desperately need them to be.

**Father & Daughter Best Friends For Life** - My Next Notebook 2019-06-10

**Radical Feminist Therapy** - Bonnie Burstow 1992-10-08

With an emphasis on violence against women and on women's responses to it - such as depression, splitting and eating disturbances - this volume furthers the radicalization of feminist therapy. It serves as a comprehensive introduction for trainees and as an ongoing resource for social service workers and therapists. Providing detailed and grounded guidance, the author examines feminist approaches to working with women and discusses issues often omitted or pathologized in general feminist counselling texts, including prostitutes battered by pimps and self-mutilation. She explores such central questions as how women can empower themselves in a sexist society; what forms internalized oppression takes and how clients can be hel

**The Wounded Woman** - Linda Schierse Leonard 1982-01-01

This book is an invaluable key to self-understanding. Using examples from her own life and the lives of her clients, as well as from dreams, fairy tales, myths, films, and literature, Linda Schierse Leonard, a Jungian analyst, exposes the wound of the spirit that both men and women of our culture bear—a wound that is grounded in a poor relationship between masculine and feminine principles. Leonard speculates that when a father is wounded in his own psychological development, he is not able to give his daughter the care and guidance she needs. Inheriting this wound, she may find that her ability to express herself professionally, intellectually, sexually, and socially is impaired. On a broader scale, Leonard discusses how women compensate for cultural devaluation, resorting to passive submission ("the Eternal Girl"), or a defensive imitation of the masculine ("the Armored Amazon"). *The Wounded Woman* shows that by understanding the father-daughter wound and working to transform it psychologically, it is possible to achieve a fruitful, caring relationship between men and women, between fathers and daughters, a relationship that honors both the mutuality and the uniqueness of the sexes.

**No One in This World Can Love a Girl More Than Her Father** -

Condor Publisher 2020-04-14

\* A Wonderful Gift Under 10.00! \* Makes an excellent gift for Your Father, Dad! Bestselling author helps a father understand his daughter and shows how to influence her to become a strong and confident woman.

**Dads and Daughters** - James C. Dobson 2014-04-18

She'll always be your girl. Whether your daughter is still small or all grown up, she holds a special place in her dad's heart forever. Today, celebrate the gifts and blessings of the unique relationship between dads and their girls with this inspirational book by family counselor and widely acclaimed parenting expert Dr. James Dobson. Based on the New York Times bestseller *Bringing Up Girls*, *Dads and Daughters* is a beautiful tribute to a dad's role in his daughter's life. It's an insightful collection of wisdom for dads on developing and preserving a truly exceptional connection with their daughters. And it's a joyful celebration of the lifelong bond of love they share.

**Father-Daughter Relationships** - Linda Nielsen 2012-05-04

The first research-based text that focuses on the impact of the father-daughter relationship, this provocative book examines the factors that can strengthen or weaken these relationships and the impact that these relationships have on society. The research is brought to life with compelling personal stories from fathers and daughters, including well-known celebrities and politicians. Controversial questions engage the reader and film lists and website resources demonstrate the relevance of the research. Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between actual fathers and daughters. Bold faced terms, a conclusion, and review questions keep readers focused on the key concepts. How these relationships are often ignored or denigrated in the media and in some mental health and legal systems is examined. The hope is that readers will apply the research to their own families and/or work. The book addresses: What is "good" fathering? How do daughters influence their fathers' well-being? How do fathers affect their daughters' social, academic, athletic, and psychological development? How are problems such as depression, eating disorders, and teenage pregnancy related to the quality of these relationships? How are father-daughter relationships in ethnic and racial groups unique? How do incarceration, abuse, gay or lesbian relationships, military service, immigration, and poverty affect father-daughter relationships? The book opens with the importance of the father's role on daughters and the changing patterns of these roles. Chapter 2 examines the myths and misconceptions of father-daughter relationships including how they are portrayed in the media and the differences between parenting styles. Chapter 3 explores the behaviors that constitute "good" fathering. Scales used to measure "good" fathering are included. How fathers affect their daughters' social, academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships, such as divorce, including various theoretical perspectives, are explored in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here. Intended as a supplemental text for upper-level undergraduate or graduate courses on father-daughter relationships and/or parenting taught in human development, family studies, psychology, sociology, counseling, social work, and women's studies, this practical book also appeals to mental health practitioners, social workers, legal professionals, and school counselors interested in these relationships.

**The Life of Dad** - Anna Machin 2018-06-14

THE STORY OF FATHERHOOD AND WHAT IT MEANS TO BE A FATHER TODAY, BASED ON A DECADE-LONG STUDY OF NEW AND EXPECTANT FATHERS. Becoming a father is one of most common but also one of the most profoundly life-altering experiences a man can have. It is up there with puberty, falling in love and experiencing your first loss. Fifty years ago a father's role was assumed to be clear: he went to work; he provided the pay cheque; and he acted as a disciplinarian when he got home. But today a father's role is much more fluid and complex. Dr Anna Machin has spent the past decade working with new and

expectant fathers, studying the experiences of fathers and the questions fathers have: 'Will fatherhood change me?', 'How do other men fulfil the role?', 'How can I help my child grow into a healthy, happy adult?'. In *The Life of Dad*, Dr Machin draws on her research and the latest findings in genetics, neuroscience and psychology to tell the story of fatherhood. She will show the extraordinary physiological changes a man undergoes when he becomes a father, investigate how a man's genes can influence what sort of father he will be, and will show how a dad makes a unique contribution to his child's life, helping to foster independence of mind and spirit. Throughout the book, readers will encounter the voices of real dads, expectant and established, as well as fascinating insights into fatherhood from across the globe. *The Life of Dad* throws out the old stereotypes of fatherhood in an entertaining and informative journey through the role of dad - helping you decide what sort of father you want to be. 'A tour-de-force exploration of the forgotten half of the parenthood business. Essential reading for every expectant dad ... and mum.' - Robin Dunbar, professor of evolutionary psychology, University of Oxford

**Rad Dad** - Summersdale Publishers 2021-03-11

Forget lame jokes and dad dancing - as far as fathers go, yours is seriously cool. Crammed with quality quotes and statements to remind him what a legend he is, this little book is the ideal gift for a perfectly Rad Dad.

**Daddy: Reflections of Father-Daughter Relationships** - K E Garland 2018-05-25

A father's presence is important in a daughter's life. He is the first man a little girl sees and knows. He demonstrates how men relate to women. But what happens when the father-daughter relationship is dysfunctional? Daddy answers that question. Included are fourteen memoirs that describe the impact a failed father-daughter relationship can have. These women share essays and narratives that detail various stages of breakdown. Whether an event occurred in childhood, adolescence, or adulthood, each story explains how their father's physical, emotional, or psychological abandonment has affected them. The book is separated into two parts. Part I shows the proverbial truth in the phrase, hurt people hurt people. While some stories confirm why or how men mistreat their daughters, others show how daughters sometimes internalize neglect and continue the cycle either with the relationship they have with themselves, or others. Part II illustrates how compassion can lead towards a path of inner peace and happiness, no matter the state of the relationship.

**The Love Between Fathers and Daughters** - Helen Exley 1995

"I know I have my father wrapped around my little finger, but he has me wrapped around his" says Holly, the daughter of Charlton Heston. This beautiful collection celebrates the magical bond between fathers and their daughters. It's the perfect gift from one to the other.
