Make Him Fall for You - Rori Raye 2010-08

Make Him Fall For You will give you the Rori Raye Tools For Love you need to instantly change your love life (yes - that fast) - no matter how frustrated and unhappy you may be feeling right now. If you're already receiving my free newsletters from www.HaveTheRelationshipYouWant.com (if not - go get them now...) - you may have read one - or perhaps even all - of the 16 Relationship Tools of the Week I've included in Make Him Fall For You. These 16 Tools are not only some of my favorites - they have a common theme: that Being is the way to get the love, romance and life-long commitment you want, instead of the Doing that we women have all been taught to rely on to get what we want. In love, it's our receiving, our feeling, our expressing, our just being that inspires and creates the powerful attraction we all truly hold for a man just because we're women. And we've all been taught to go against these most amazing of our powers - the depth of our emotions. Make Him Fall For You will shift your "vibe" from what feels to a man like the coldness of being in your head - to the warmth, passion, and intense, irresistible magnetism of being in your heart...and that's the fastest way to connect to HIS heart. He can feel this shift immediately, and - almost shockingly - will instinctively and concretely move closer to you. We are truly feminine energy "Sirens," and it's the intense, feminine energy we create with our feelings that will compel a man - perhaps YOUR man - to feel so intensely attracted to you he'll give up anything and everything - including his "freedom" - to be with you...forever. Make Him Fall For You will help you love yourself, sink into yourself, express yourself and draw a man to you - even the one you may be with right now. Relationships can turn around on a dime. I've seen it happen over and over...and it can happen for you, just the way it did for me. Be sure to let me know how Make Him Fall For You helps you... Love, Rori

The Irresistible Introvert - Michaela Chung 2016-07-05

Learn the tools to shed your mask of extroversion, develop your own magnetism, and reveal the true you. One third to one half of Americans are introverts in a culture that celebrates—even enforces—an ideal of extroversion and a cult of personality. Political leaders are charismatic, celebrities bask in the spotlight, and authority figures are assertive. It is no surprise that a “quiet revolution” has begun to emerge among the “invisible” half of the population, asserting that they are just as powerful in their own unique ways. The Irresistible Introvert embodies the spirit of this revival and breaks down the myth that charisma is reserved for extroverts only. This mini manifesto shows introverts how to master the art of quiet magnetism in a noisy world—no gregariousness required! Within these pages, you'll discover how to shed the mask of extroversion and reveal a more compelling (and authentic) you. You'll also learn how to: Master the inner game of intrigue Manage your energy for optimal engagement Create an emotional ecosystem for charisma Establish introverted intimacy Cultivate communication skills for quiet types As a “professional” charismatic introvert, author Michaela Chung demonstrates that you no longer have to forcefully push yourself outward into the world against your nature, but can rather magnetize people inward toward the true you. In the process, you'll learn to embrace your “innie life” and discover potential you never knew you had.

The Single D.i.v.a.'s Guide to the Science of Attracting Love - Shay Levister 2019-08-18

I have been shot in the chest, had a heart attack at 30, almost died during childbirth twice, unknowingly married a bigamist and almost died 5 times. Even with all of that, my most challenging life lesson was learning how to heal childhood trauma and debilitating beliefs so that I could attract a healthy, whole, loving relationship and do it as a single, divorced mother of two! As a pre-med Biology graduate, I did an experiment of going on over 100 dates and interviewing over 3,700 men, women, and couples so that I could learn the secrets of attracting a man. My life transformed when I went on a spiritual, self-healing journey while applying the advice in this book so that I could attract the right man God selected for me. Ultimately, I married my soulmate, who happened to be my high school sweetheart and life-long friend, two years later. In this book, I share this journey and the lessons learned and give advice mixed with old school rules, the science of human behavior, and the Law of Attraction to help empower singles seeking true love while navigating the dating scene.

The Wisdom of Frugality - Emrys Westacott 2018-04-03

Why philosophers have advocated simple living for 2,500 years—and why we ignore them at our peril From Socrates to Thoreau, most philosophers, moralists, and religious leaders have seen frugality as a virtue and have associated simple living with wisdom, integrity, and happiness. But why? And are they right? Is a taste for luxury fundamentally misguided? If one has the means to be a spendthrift, is it foolish or reprehensible to be extravagant? In this book, Emrys Westacott examines why, for more than two millennia, so many philosophers and people with a reputation for wisdom have been advocating frugality and simple living as the key to the good life. He also looks at why most people have ignored them, but argues that, in a world facing environmental crisis, it may finally be time to listen to the advocates of a simpler way of life. The Wisdom of Frugality explores what simplicity means, why it's supposed to make us better and happier, and why, despite its benefits, it has always been such a hard sell. The

book looks not only at the arguments in favor of living frugally and simply, but also at the case that can be made for luxury and extravagance, including the idea that modern economies require lots of getting and spending. A philosophically informed reflection rather than a polemic, *The Wisdom of Frugality* ultimately argues that we will be better off—as individuals and as a society—if we move away from the materialistic individualism that currently rules.

Simply Perfect - Mary Balogh 2009

The End of Love - Eva Illouz 2021-09-15

Western culture has endlessly represented the ways in which love miraculously erupts in people's lives, the mythical moment in which one knows someone is destined for us, the feverish waiting for a phone call or an email, the thrill that runs down our spine at the mere thought of him or her. Yet, a culture that has so much to say about love is virtually silent on the no less mysterious moments when we avoid falling in love, where we fall out of love, when the one who kept us awake at night now leaves us indifferent, or when we hurry away from those who excited us a few months or even a few hours before. In *The End of Love*, Eva Illouz documents the multifarious ways in which relationships end. She argues that if modern love was once marked by the freedom to enter sexual and emotional bonds according to one's will and choice, contemporary love has now become characterized by practices of non-choice, the freedom to withdraw from relationships. Illouz dubs this process by which relationships fade, evaporate, dissolve, and break down "unloving."

While sociology has classically focused on the formation of social bonds, *The End of Love* makes a powerful case for studying why and how social

bonds collapse and dissolve. Particularly striking is the role that capitalism plays in practices of non-choice and "unloving." The unmaking of social bonds, she argues, is connected to contemporary capitalism which is characterized by practices of non-commitment and non-choice, practices that enable the quick withdrawal from a transaction and the quick realignment of prices and the breaking of loyalties. Unloving and non-choice have in turn a profound impact on society and economics as they explain why people may be having fewer children, increasingly living alone, and having less sex. *The End of Love* presents a profound and original analysis of the effects of capitalism and consumer culture on personal relationships and of what the dissolution of personal relationships means for capitalism.

The Wild Woman's Way - Michaela Boehm 2021-11-09

"As pragmatic as it is compassionate, this intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within" (Lissa Rankin, MD, New York Times bestselling author of *Mind Over Medicine*). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck in "go-mode," damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine "body intelligence." By embodying this archetype and using tantra—not just in the bedroom, but also to build intimate connections to our senses and physical movements—we can break harmful psychological patterns. In *The Wild Woman's Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.
