The Wordsworth Dictionary of Drink Ned Halley 2005 What is a slack-ma-girdle? Or a submarino? How did White Horse whisky get its name? Or Old Bawdy barley wine? How do you make a really dry martini? Or beer? Or champagne? The answers to these enquiries and thousands of others are revealed in this unique guide to every kind of alcohol, compiled by dedicated drinker and collector of little histories, Ned Halley, who is an award-winning writer on beer, a nationally syndicated wine columnist and author of numerous books on drink. In a straightforward A to Z format, 'The Wordsworth Dictionary of Drink' identifies thousands of individual brewers, distillers and winemakers, as well as the names of their products. The dictionary aims to be of real, practical help in locating beers and ciders, wines and spirits of every hue to their maker and place of origin. Here, too, are descriptive terms used on labels, along with the less-formal words used by producers and purveyors to promote their products in the market place. Origins, from village breweries to entire wine-producing regions, are located by nation, province and district. In many cases, there is a mention of when a producer or product was established, perhaps a word about the founder or a brief explanation of a curious-sounding brand name. The book is laced with historical anecdotes, a thousand cocktail recipes, essays on topics from the Guinness dynasty to the principles of brewing, from the discovery of distilling to the history of excise duty - and illustrated with hundreds of drink labels from all around the world.

Virginia Distilled: Four Centuries of Drinking in the Old Dominion Patrick Evans-Hylton 2021-10-04 Colonist George Thorpe first crafted "corn beere," an ancestor to bourbon, in 1620 at Berkeley Plantation, and George Washington once operated one of the nation's largest distilleries. Through well-documented research, interviews with key stakeholders and plenty of cocktail recipes for the reader to shake and stir at home, author Patrick Evans-Hylton showcases the rich history of four hundred years of drinking in the Commonwealth. Raise a glass to Virginia, birthplace of American spirits, and its long history of distilling and imbibing.
