*Tell Me about Sex, Grandma* - Anastasia Higginbotham 2021-09-07

Patiently forthcoming with lessons your parents redacted, this book about sex for kids starts a necessary conversation that stresses consent, sex positivity, and the right to be curious about your body. The dialogue focuses on the dynamics of sex, rather than the mechanics, as Grandma reminds readers that sex is not marriage or reproduction, and doesn't look the same for everyone. Instead, each person's sexuality is their very own to discover, explore, and share if they choose. A refreshing, positive response to a child's questions about sex. . . . Above all, the author emphasizes that people have the right to make their own choices about sex, now and

always. --SCHOOL LIBRARY JOURNAL I love that it's Grandma giving advice. Some Native Americans say the very young and the very old understand each other best, because each is closest to the unknown. --GLORIA STEINEM, feminist and author of *My Life on the Road*

**The Game of Desire** - Shannon Boodram 2019-07-23

“Forget what you think you know about dating—sexologist Shan Boodram is here to take you back to school.” - Apple Books Review  
“Boodram’s brand of relationship advice...focuses on empowering single women with the tools they need to succeed in the digital dating era.” - Refinery29 Women: gain control and confidence in your love lives and find the

relationship you want with this modern, life-changing guide from the certified sex educator, intimacy expert, and YouTube personality. For younger generations, dating is a complicated mystery. Apps like Tinder and Bumble are supposed to foster connection, but instead serve as a reminder of how painfully single we are. Certified sexologist and intimacy coach Shan Boodram—the most sought-after sex educator on the internet—is about to change all that. In this essential how-to guide, she addresses the realities of life today—when the rules of love and attraction are fluid—and teaches a group of young women how to become master daters in just sixty days. It starts with you. Shan makes clear that love and self-discovery go hand in hand—your dating life is just as much about you as it is about other people. She challenges you to look inside yourself for what you want out of a partner, a relationship and, most important, yourself. Once you figure out what you want from dating, she shows you exactly how to get it.

The Game of Desire empowers you to take the lead, learn your strengths, and identify and correct your weaknesses, all the while getting inspired watching a group of women learn how to succeed in today's dating pool. While many books tell women why they can't get a date, Shan teaches you the skills and techniques necessary to take charge in today's competitive and often confusing dating scene, providing the tools essential to attract—and retain—the partner(s) you want. From learning love languages to debunking dating myths, she helps women build knowledge and confidence. Featuring conversational case studies, comprehensive facts about the psychology of sex and romance, and expert insight into sex culture, and written with her trademark humor and charm, *The Game of Desire* is a must for all of Shan's fans and for every woman struggling to feel loved and desired.

*Indian Sex Life* - Durba Mitra 2020-01-07

"During the colonial period, Indian intellectuals--

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-01-17  
by guest

philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and

deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

[A Curious History of Sex](#) - Kate Lister  
2020-02-06

This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time, as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual

practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow – hopefully for the better – but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project Whores of Yore, and written with her distinctive humour and wit, *A Curious History of Sex* draws upon Dr Kate Lister’s extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.

**Sex Before the Sexual Revolution** - Simon

Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate

lives.

Policing Prostitution - Siobhán Hearne 2021  
Policing Prostitution examines the complex world of commercial sex in the late Russian Empire. From the 1840s until 1917, prostitution was legally tolerated across the Russian Empire under a system known as regulation. Medical police were in charge of compiling information about registered prostitutes and ensuring that they followed the strict rules prescribed by the imperial state governing their visibility and behaviour. The vast majority of women who sold sex hailed from the lower classes, as did their managers and clients. This study examines how regulation was implemented, experienced, and resisted amid rapid urbanization, industrialization, and modernization around the turn of the twentieth century. Each chapter examines the lives and challenges of different groups who engaged with the world of prostitution, including women who sold sex, the men who paid for it, mediators, the police, and

wider urban communities. Drawing on archival material from Russia, Ukraine, Belarus, Latvia, Lithuania, and Estonia, Policing Prostitution illustrates how prostitution was an acknowledged, contested, and ever-present component of lower-class urban society in the late imperial period. In principle, the tsarist state regulated prostitution in the name of public order and public health; in practice, that regulation was both modulated by provincial police forces who had different local priorities, resources, and strategies, and contested by registered prostitutes, brothel madams, and others who interacted with the world of commercial sex.

The Diversity Con - David Johnson 2023-10-03  
Diversity, equity, inclusion, antiracism, critical race theory, queer theory—terms that were rarely discussed as recently as a decade ago have now become focal points of American politics and culture. In the media, each new Hollywood blockbuster touts the strength of

*Downloaded from*

their diverse cast, while your favorite sports team kneels in solidarity with the Black Lives Matter movement. In the news, the White House reaffirms its commitment to fighting “white supremacy,” the largest source of political extremism in the country, apparently. Meanwhile, major cities struggle to recover from months of “fiery, but mostly peaceful protests.” At your place of work, HR might have just instituted a new guideline for “inclusive language.” If you’re particularly unlucky, you might have a meeting on “How to Manifest a Race Critical Consciousness in Children. Those still in school or college might have taken a lesson on the importance of creating an inclusive space, or how to become an advocate of racial justice. Math proficiency requirements are lowered to promote racial equity, and the homework assignment is to map out your family’s “privilege.” And for extracurricular activities, a school sponsored drag performance to fulfill a “sex-education” requirement. Where is

all of this coming from in our society? What do these terms even mean? The Diversity Con is a whistleblower’s comprehensive look into how companies and schools are infiltrated, radicalized, and captured, and follows the money trail left in the destructive wake.

**Sex Ed on the Cards** - Sophie Manning 2021  
"Sex Ed On The Cards is a fun, factual and LGBTQ+ inclusive resource for delivering effective and engaging relationships and sex education (RSE) to students aged 14+. For too long this education has focused on dangers and risks, but young people have the right, need, desire and curiosity to see the bigger sex-ed picture. The Question, Debate and Challenge cards provide an opportunity to discuss real-life facts and scenarios, promoting discussion and developing confidence and understanding. With 3 modes of game play - conversation, collaboration and competition - the cards allow young people to explore their attitudes, beliefs and values around key topics including body

image, consent, pleasure, porn, sexual orientation and gender identity. Sex Ed On The Cards brings critical thinking to the table, encouraging...Live conversation The game helps diffuse any awkwardness in face-to-face exchanges about sex and relationships issues. It also acknowledges the benefits of digital literacy, signposting reliable online resources for teens, Sexual literacy The game acknowledges digital natives' possible awareness of and in-depth exposure to a range of material and helps them interpret what they may already have seen, Social action Made for a generation that cares deeply about equality, diversity and social justice, these cards introduce relevant modern concepts in a social-action context Created by Outspoken Sex Ed and illustrated by Sex Ed Matters - social enterprises passionate about honest conversation around sex and relationships - this card game is an invaluable resource to support relationships and sex education for students aged 14+ "--

**SEX AND ALL THAT** - Mary Scriver 2014-02-25  
Cultural arrangements for human relationships are heavily coded for sex identification, generatively, economics, disease, violence, families and war. So many new discoveries (birth control, Viagra, in vitro conception, mosaic genetics, surrogate mothers, equal pay for equal work, global population mixing plus edgy media influence and the shift from binaries to spectrums) that much needs to be rethought.

Man-Made Women - Kathleen Richardson  
2023-01-01

This book presents a unique, feminist approach to 'sex' dolls and 'sex' robots, taking a critical look at the academic and business narratives that serve to rationalise them. As new forms of pornography (porn robots), this edited volume provides an urgent women's centred critique. The emergence of 'sex' robots is situated within the wider context of the attack on women's rights and the relentless rise of techno-pornography. As an outgrowth of the industries

of prostitution, pornography and child sex abuse, these objects offer new ways to dehumanise women and girls. While support for 'sex' robots is positioned as progressive and emancipatory, the contributors in this volume argue they reduce women to consumable parts. They explore how law, the arts, ethics, economy, politics and culture are interconnected with harmful technological developments.

Dr T - Tlaleng Mofokeng 2021-02

The indomitable Dr Tlaleng Mofokeng - affectionately known as Dr T - is passionate about making sexual health and well-being services available to all, regardless of their sexual and gender identities and their economic status. This updated edition of her bestselling book is filled with the specifics of sexual anatomy and health as well as advice and facts about pleasure and sexual rights, and includes additional resources along with new sections on coercive control as well as sex and pleasure during the time of COVID. Dr T, with her

typically honest and warm approach, makes the reader feel comfortable reading about topics that are not always discussed freely, providing ALL the information that demystifies sex and sexuality in a way that is entertaining and enlightening.

*Sex is a Funny Word* - Cory Silverberg  
2015-07-28

2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, *Sex Is a Funny Word* is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," *Sex Is a Funny Word* opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while

providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century.

*How Pleasure Works* - Paul Bloom 2010

In *How Pleasure Works*, the internationally acclaimed psychologist Paul Bloom explores one of the most fascinating and fundamental engines of human behaviour. We are natural-born essentialists when it comes to pleasure, nothing is ever merely skin-deep. We are attracted, whether we know it or not, to the hidden aspects of things and people.

**The Sex Lives of African Women** - Nana Darkoa Sekyiamah 2021-07-22

A DOROTHY KOOMSON BOOK OF THE YEAR  
AN ECONOMIST BOOK OF THE YEAR 'Such a beautiful read, like chatting to a friend over a cuppa. This is the intimate, insightful read that I didn't know I needed. Just brilliant.' Dorothy

Koomson Nana Darkoa Sekyiamah spent decades talking openly and intimately to African women around the world about sex. In this book, she brings together their extraordinary stories, whilst also chronicling her own journey towards sexual freedom. From finding queer community in Egypt to living a polyamorous life in Senegal to understanding the intersectionality of religion and pleasure in Cameroon, their necessary narratives are individual and illuminating. This stunning collection provides crucial insight into our quest for sexual power and offers all women inspirational examples to live a truly liberated life. 'Touching, joyful, defiant - and honest.' Economist, Books of the Year 2021 'Fascinating.' Bernadine Evaristo 'Honest and moving. A vital treasure.' Bolu Babalola, author of *Love in Colour* 'Stunning. Essential read! I couldn't put it down.' Nicole Dennis-Benn, bestselling author of *Patsy* and *Here Comes the Sun* 'Leaves you feeling deliciously empowered.' Lola Shoneyin, author of *The Secret Lives of Baba Segi's Wives*

'Boundary-breaking, fascinating and deeply affirming.' Otegha Uwagba, author of Little Black Book

**Straight Talk with Your Kids About Sex -**

Josh McDowell 2012-10-01

In Straight Talk with Your Kids About Sex, Josh and Dottie McDowell draw on their decades-long love and concern for youth. Building on the "Why True Love Waits" campaign and utilizing up-to-the-minute research from Josh's "The Bare Facts" resources, the McDowells provide a compact, easy-to-use guide to support parents in putting sex and sexuality in a biblical context of relationship to God gauging their child's emotional and spiritual readiness being alert to questions and opportunities being direct and open without violating their child's emotions proactively shaping their child's worldview in today's sex-saturated culture Working from their own experience with four children, Josh and Dottie give readers encouragement and solid information in the sometimes-awkward process

of guiding their child into a healthy understanding of God's gift of sex.

**Dirty Biology** - Léo Grasset 2021-05-15

What is sex? Has it always existed? What purpose does it serve? Why are there penises and vaginas? These questions are at the very core of Dirty Biology, an erudite (and hilarious) graphic novel that aims to teach you everything you wanted to know about sex--and then some. "Sex" can mean a number of things. It can refer to sex organs, to sex types, to the act of copulation, or to the simple exchange of genetic material. This book explains what we actually mean when we talk about sex and reveals a wealth of astonishing scientific details along the way. For example, did you know that some species can have sex without genitals? And when it comes to genitals, did you know that there's an amazing diversity of these across species? From the evolution of penises and vaginas to far-fetched mating rituals and the shocking consequences of the sex act, Dirty Biology

exposes sex for what it is: a lot more interesting and more complicated than the simplistic image we often have of it.

**Sex** - Nikol Hasler 2010-06

Discusses all aspects of sexuality and sexual behavior, including sexual orientation, masturbation, birth control, and sexually transmitted diseases, and answers teenagers' questions on sex in a straightforward and in-depth manner.

*The Story of Me* - Stan Jones 2019-08-06

This book is designed to help parents answer difficult or embarrassing questions about sex comfortably and truthfully (in age appropriate terms), and to encourage healthy communication between you and your child.

**Screw Consent** - Joseph J. Fischel 2019-01-08

When we talk about sex—whether great, good, bad, or unlawful—we often turn to consent as both our erotic and moral savior. We ask questions like, What counts as sexual consent? How do we teach consent to impressionable

youth, potential predators, and victims? How can we make consent sexy? What if these are all the wrong questions? What if our preoccupation with consent is hindering a safer and better sexual culture? By foregrounding sex on the social margins (bestial, necrophilic, cannibalistic, and other atypical practices), *Screw Consent* shows how a sexual politics focused on consent can often obscure, rather than clarify, what is wrong about wrongful sex. Joseph J. Fischel argues that the consent paradigm, while necessary for effective sexual assault law, diminishes and perverts our ideas about desire, pleasure, and injury. In addition to the criticisms against consent leveled by feminist theorists of earlier generations, Fischel elevates three more: consent is insufficient, inapposite, and riddled with scope contradictions for regulating and imagining sex. Fischel proposes instead that sexual justice turns more productively on concepts of sexual autonomy and access. Clever, witty, and adeptly

researched, Screw Consent promises to change how we understand consent, sexuality, and law in the United States today.

**Private Sex Advice to Women** - R. B. Armitage  
2015-07-20

In this book the writer thereof seeks to convey to women-particularly to young wives and women expecting to be married-certain important facts of knowledge, certain necessary information,

which all such women should possess, but which few are given the opportunity to acquire. It would seem to require no argument to convince a rational individual that before a woman is capable of intelligent motherhood she should be made acquainted with the physiological processes which are involved in the sexual functions leading to the state of motherhood; but we are confronted by the fact that few young women are given such instruction.
